The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. 1. If Symbols 21, 22, 23, 24, 25, or 26 are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.
2. But, if Symbol 27 is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:
  - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
  - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

**SECTION II - LIABILITY COVERAGE**

**A. Coverage**

**1. "Garage Operations" - Other Than Covered "Autos"**

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance - "Garage Operations" - Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:
- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
  - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
  - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
2. "Garage Operations" - Covered "Autos"
- We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident". We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance - "Garage Operations" - Covered "Autos" has been exhausted by payment of judgments or settlements.

3. Who Is An Insured

- a. The following are "insureds" for covered "autos":
- (1) You for any covered "auto".
  - (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
    - (a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
    - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
    - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

(d) Your customers. However, if a customer of yours:

(i) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.

(ii) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.

(e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.

(3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

(4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.

##### a. Supplementary Payments

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.

(5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

(1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

If the parties agree to arbitration, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

# TERRORISM RISK INSURANCE ENDORSEMENT

## NOTICE TO POLICYHOLDERS REQUIRED UNDER TERRORISM RISK INSURANCE ACT OF 2002

Pursuant to the requirements of the Terrorism Risk Insurance Act of 2002 (the "Act"), including all amendments thereto, we advise you of the following information:

Coverage for acts of terrorism is included in this policy subject to the terms, conditions, limits and exclusions contained therein. Under this coverage, certain losses caused by certified acts of terrorism may be partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays a portion (85% in Calendar Year 2008 through expiration) of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. While your insurer faces significant exposure under your policy for losses caused by acts of terrorism, the premium you paid for the policy does not reflect that exposure. Consequently, no premium is currently being charged on your policy for the risk of losses caused by certified acts of terrorism.

THERE IS AN ANNUAL LIABILITY CAP FOR COVERED TERRORISM LOSSES UNDER THE ACT EQUAL TO \$100,000,000,000 OF AGGREGATE INSURED LOSSES AS DEFINED IN THE ACT. LOSSES PAID UNDER THIS COVERAGE WILL BE PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. UNDER THIS FORMULA, THE UNITED STATES PAYS A PORTION (85% IN CALENDAR YEAR 2008 THROUGH EXPIRATION) OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. ANY INSURER THAT HAS SATISFIED THEIR STATUTORILY ESTABLISHED DEDUCTIBLE IS NOT LIABLE FOR AND THE UNITED STATES SECRETARY OF THE TREASURY IS NOT AUTHORIZED TO PAY ANY PORTION OF SUCH LOSSES EXCEEDING THE CAP ON ANNUAL LIABILITY OF \$100,000,000,000.

Premium on renewal of your coverage may be charged for you to maintain coverage for losses arising out of acts of terrorism. In that event you will be informed of such charges to the extent required by federal or state law.

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. If this policy is issued for more than one year, the premium shall be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

The following is added to **Supplementary Payments**:

- (7) Prejudgment interest awarded against the "insured" on the part of the judgment we pay. If we make an offer to pay the applicable Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.

**B. Paragraph A.1.b. of Who Is An Insured in Section II – Liability Coverage** in the Business Auto Coverage Form, Motor Carrier Coverage Form and Truckers Coverage Form is changed by adding the following:

- (6) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

- (f) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

**C. Liability Coverage** for a covered "auto" licensed or principally garaged in, or "garage operations" conducted in, Missouri is changed as follows:

- 1. If your business is other than selling, repairing or servicing "autos":
  - a. The Care, Custody Or Control Exclusion does not apply to "property damage" to or "covered pollution cost or expense" involving an "auto" loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos" as a temporary substitute for an "auto" you own.
  - b. The following is added to the **Other Insurance Condition** in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

Liability Coverage is primary for any temporary substitute for an "auto" you own if the substitute "auto" is operated by an "insured" and is loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos".

Liability Coverage is primary for any temporary substitute for an "auto" you own if the substitute "auto" is operated by an "insured" and is loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos".

2. If your business is selling, repairing or servicing "autos", the following is added to the **Other Insurance** Condition in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

**D. The Appraisal For Physical Damage Loss** Condition is replaced by the following:

If you and we disagree on the amount of "loss", both parties may agree to an appraisal of the "loss" and to be bound by the results of that appraisal. If both parties so agree, then each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**E. The following is added to the Concealment, Misrepresentation And Fraud Condition:**

With respect to Liability Coverage, this Condition only applies in excess of the minimum limits of liability required by the Missouri Financial Responsibility Laws.

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.
2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:
  - a. Claims covered by the Association do not include a claim by or against an "insured" of an insolvent insurer, if the "insured" has a net worth of more than \$25 million on the later of the end of the "insured's" most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an "insured's" net worth on such date shall be deemed to include the aggregate net worth of the "insured" and all of its affiliates as calculated on a consolidated basis.

    - (2) Return to an "insured" any unearned premium in excess of \$25,000.
 These limitations have no effect on the coverage we will provide under this policy.

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

The following Condition applies instead:

### ENDING THIS POLICY

#### 1. Cancellation

- a. You may cancel the policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
- b. If this policy has been in effect for 60 days or less and is not a renewal or continuation policy, we may cancel for any reason. If we cancel, we will mail you at least 10 days notice.
- c. When this policy has been in effect for more than 60 days or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:
  - (1) Nonpayment of premium. If we cancel for this reason, we will mail you at least 10 days notice.

- (2) If you are an individual, partnership or limited liability company and your driver's license has been suspended or revoked during the policy period. If we cancel for this reason, we will mail you at least 60 days notice. However, we may not cancel if you are more than one person, but only one person's license has been suspended or revoked. Instead we may exclude coverage for that person while operating a covered "auto" during a period of suspension or revocation.

- (3) If you are an individual, we replace this policy with another one providing similar coverages and the same limits for the covered "auto". The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.
- d. If this policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. However, making or offering to make the refund is not a condition of cancellation. If you cancel, the refund may be less than pro rata. If we cancel, the refund will be pro rata.

- e. The effective date of cancellation stated in the notice shall become the end of the policy period.
- f. Our notice of cancellation will state the actual reason for cancellation unless the cancellation is due to nonpayment of premium.

## 2. Nonrenewal

- a. If we decide not to renew or continue this policy, we will mail you notice at least 60 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at the anniversary of its original effective date. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.
- b. If we fail to mail proper notice of nonrenewal and you obtain other insurance, the coverages provided by this policy will end on the effective date of any similar coverages provided by the other insurance.
- c. Our notice of nonrenewal will state the actual reason for nonrenewal unless the nonrenewal is due to nonpayment of premium.

## 3. Mailing Of Notices

Any notice of cancellation or nonrenewal will be mailed by United States post office certificate of mailing to your last known mailing address. Proof of mailing of any notice will be sufficient proof of notice.

## B. For "autos" not described in Paragraph A. above:

- 1. Paragraph 2. of the **Cancellation** Common Policy Condition is replaced by the following:

We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:

    - (1) Fraud or material misrepresentation affecting this policy or a claim filed under this policy or a violation of any of the terms or conditions of this policy;
    - (2) Changes in conditions after the effective date of this policy which have materially increased the risk assumed;
    - (3) We become insolvent; or,
    - (4) We involuntarily lose reinsurance for this policy.
  - c. 60 days before the effective date of cancellation if we cancel for any other reason.
- 2. The following is added and supersedes any provision to the contrary:

#### SECTION II – LIABILITY COVERAGE

##### A. Coverage

##### 1. "Garage Operations" – Other Than Covered "Autos"

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:
  - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
  - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
  - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

## 2. "Garage Operations" – Covered "Autos"

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance – "Garage Operations" – Covered "Autos" has been exhausted by payment of judgments or settlements.

## 3. Who Is An Insured

- a. The following are "insureds" for covered "autos":
  - (1) You for any covered "auto".
  - (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
    - (a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
    - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
    - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

(d) Your customers. However, if a customer of yours:

(i) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.

(ii) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.

(e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.

(3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

(4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.

#### 4. Coverage Extensions

##### a. Supplementary Payments

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.

(5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

(1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

(4) That are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for any "insured" or any person or organization for whom you may be legally responsible.

Paragraphs a.(1) and a.(3)(b) do not apply to "bodily injury" or "property damage" arising out of heat, smoke or fumes from a hostile fire. A hostile fire means one that becomes uncontrollable, or breaks out from where it was intended to be.

Paragraph a.(3)(b) does not apply to "bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from material brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor.

#### 1. Aggregate Limit Of Insurance – "Garage Operations" – Other Than Covered "Autos"

For "garage operations" other than the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of "insureds", claims made or "suits" brought or persons or organizations making claims or bringing "suits", the most we will pay for the sum of all damages involving "garage operations" other than "auto" is the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

Damages payable under the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" consist of damages resulting from "garage operations", other than the ownership, maintenance or use of the "autos" indicated in Section I of this Coverage Form as covered "autos", including the following coverages, if provided by endorsement:

- a. "Personal injury" liability coverage;
- b. "Personal and advertising injury" liability coverage;
- c. Host liquor liability coverage;

- e. Incidental medical malpractice liability coverage;

Damages payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos".

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

The Aggregate Limit of Insurance – "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

#### 2. Limit Of Insurance – "Garage Operations" – Covered "Autos"

For "accidents" resulting from "garage operations" involving the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" involving a covered "auto" is the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" for Liability Coverage shown in the Declarations.

    - (1) Theft or mischief or vandalism; or

If, on the date of your last report, the actual value of the covered "autos" at the "loss" location exceeds what you last reported, when a "loss" occurs we will pay only a percentage of what we would otherwise be obligated to pay. ## SECTION V – GARAGE CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

### A. Loss Conditions

The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the accident or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.

- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

#### 3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

#### 4. Loss Payment – Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

**2. Concealment, Misrepresentation Or Fraud**

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

**3. Liberalization**

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

**4. No Benefit To Bailee – Physical Damage Coverages**

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

**5. Other Insurance**

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

**6. Premium Audit**

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

| Information required to complete this Schedule, if not shown above, will be shown in the Declarations. |                        |

**A. Coverage**

1. We will pay all sums the "insured" is legally entitled to recover as compensatory damages from the owner or driver of an "uninsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".
2. Any judgment for damages arising out of a "suit" brought without our written consent is not binding on us.

**B. Who Is An Insured**

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
  - a. The Named Insured and any "family members". However, this does not include any "family member", other than the Named Insured's spouse, who owns an "auto".
  - b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".
2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":
  - a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

**C. Exclusions**

This insurance does not apply to any of the following:

1. Any claim settled without our consent, if the settlement or judgment prejudices our right to recover payment.
2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.

3. "Bodily injury" sustained by any person while "occupying" or struck by any vehicle owned by the Named Insured or if the Named Insured is an individual, any "family member", that is not a covered "auto". However, this exclusion does not apply to an individual Named Insured.
4. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
5. Punitive or exemplary damages.
6. "Bodily injury" arising directly or indirectly out of:
  - a. War, including undeclared or civil war;
  - b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
  - c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

**D. Limit Of Insurance**

1. Regardless of the number of "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident" is the limit of Uninsured Motorists Coverage shown in the Schedule or Declarations.

However, if "bodily injury" to which this coverage applies is sustained by any person other than an individual Named Insured or any "family member", the Limit of Insurance shown in the Schedule or Declarations for this coverage is also the most we will pay regardless of the number of covered "autos".

2. If there are two or more covered "autos" that are not trailers, and "bodily injury" is sustained by an individual Named Insured or any "family member", our Limit of Insurance for any one "accident" is the sum of the limits applicable to each covered "auto" which is not a "trailer". Subject to this maximum limit of liability for all damages:

- a. The most we will pay for all damages sustained in such "accident" by an "insured" other than an individual Named Insured or any "family member" is that "insured's" pro rata share of the limit shown in the Schedule or Declarations for this coverage, at the time of the "accident".

- b. An individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph a. above.

A person's pro rata share is the proportion that that person's damages bears to the total damages sustained by all "insureds".

- 3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form attached to this Coverage Part.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible. However, this does not include any amounts paid or payable under medical payments or any workers' compensation, disability benefits or similar law.

#### E. Changes In Conditions

The conditions are changed for Missouri Uninsured Motorists Coverage as follows:

- 1. The reference in **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
- 2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
  - a. Promptly notify the police if a hit-and-run driver is involved; and
  - b. Promptly send us copies of the legal papers if a "suit" is brought.
- 3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

- 4. The following condition is added:

#### ARBITRATION

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", both parties may agree to an arbitration and to be bound by the results of that arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

- 5. **Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

#### F. Additional Definitions

As used in this endorsement:

- 1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.

- b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or
- c. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must either:

  - (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying". The facts of the "accident" must be proved. We may request supporting evidence beyond the testimony of a person making a claim under this or any similar coverage to support the validity of such claim.

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law; or
- b. Designed for use mainly off public roads while not on public roads.

**3. Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

Our rights do not apply under this provision with respect to damages caused by an "accident" with an "underinsured motor vehicle" if we:

- a. Have been given prompt written notice of a tentative settlement between an "insured" and the insurer of an "underinsured motor vehicle"; and
- b. Fail to advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification:

- a. That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Underinsured Motorists Coverage; and
- b. We also have a right to recover the advanced payment.

**4. The following condition is added:**

**ARBITRATION**

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "underinsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", both parties may agree to an arbitration and to be bound by the results of that arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

**F. Additional Definitions**

As used in this endorsement:

- 1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.
- 2. "Occupying" means in, upon, getting in, on, out or off.
- 3. "Underinsured motor vehicle" means a land motor vehicle or "trailer" for which a "bodily injury" liability bond or policy applies at the time of an "accident" but the amount paid for "bodily injury" under that bond or policy to an "insured" is not enough to pay the full amount the "insured" is legally entitled to recover as damages.

However, "underinsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self insurer under any applicable motor vehicle law or;
- b. Designed for use mainly off public roads while not on public roads.

We will subtract a reasonable amount for depreciation. When settlement is based on repairs to the covered "auto" and you are capable of performing the repair work, the most we will pay is 65% of the retail charges on parts, materials and labor unless stated otherwise in the declarations.

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. If this policy is issued for more than one year, the premium shall be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

## MISSOURI CHANGES

For a covered "auto" licensed or principally garaged in, or "garage operations" conducted in, Missouri, this endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

**A. Coverage Extensions** is amended as follows:

The following is added to **Supplementary Payments**:

- (7) Prejudgment interest awarded against the "insured" on the part of the judgment we pay. If we make an offer to pay the applicable Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.

**B. Paragraph A.1.b. of Who Is An Insured in Section II – Liability Coverage** in the Business Auto Coverage Form, Motor Carrier Coverage Form and Truckers Coverage Form is changed by adding the following:

- (6) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

Paragraph **a.(2) of Who Is An Insured in Section II – Liability Coverage** in the Garage Coverage Form is changed by adding the following:

- (f) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

**C. Liability Coverage** for a covered "auto" licensed or principally garaged in, or "garage operations" conducted in, Missouri is changed as follows:

1. If your business is other than selling, repairing or servicing "autos":

- a. The Care, Custody Or Control Exclusion does not apply to "property damage" to or "covered pollution cost or expense" involving an "auto" loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos" as a temporary substitute for an "auto" you own.

- b. The following is added to the **Other Insurance** Condition in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

Liability Coverage is primary for any temporary substitute for an "auto" you own if the substitute "auto" is operated by an "insured" and is loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos".

2. If your business is selling, repairing or servicing "autos", the following is added to the **Other Insurance** Condition in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance - Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

Liability Coverage is excess for any "auto" you own if operated by a customer to whom you have loaned the "auto", with or without consideration, as a temporary substitute for an "auto" owned by the customer.

- D. The **Appraisal For Physical Damage Loss** Condition is replaced by the following:

If you and we disagree on the amount of "loss", both parties may agree to an appraisal of the "loss" and to be bound by the results of that appraisal. If both parties so agree, then each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

- E. The following is added to the **Concealment, Misrepresentation And Fraud** Condition:

With respect to Liability Coverage, this Condition only applies in excess of the minimum limits of liability required by the Missouri Financial Responsibility Laws.

#### F. **Missouri Property And Casualty Insurance Guaranty Association Coverage Limitations**

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.
2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:
  - a. Claims covered by the Association do not include a claim by or against an "insured" of an insolvent insurer, if the "insured" has a net worth of more than \$25 million on the later of the end of the "insured's" most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an "insured's" net worth on such date shall be deemed to include the aggregate net worth of the "insured" and all of its affiliates as calculated on a consolidated basis.
  - b. Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000. However, the Association will not:
    - (1) Pay an amount in excess of the applicable Limit of Insurance of the policy from which a claim arises; or
    - (2) Return to an "insured" any unearned premium in excess of \$25,000.

These limitations have no effect on the coverage we will provide under this policy.

## MISSOURI CHANGES – CANCELLATION AND NONRENEWAL

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

- A. If you are an individual, partnership or limited liability company and a covered "auto" you own is of the "private passenger type", and this policy covers fewer than five "autos" and does not insure the motor vehicle hazard of garages, motor vehicle sales agencies, repair shops, service stations or public parking places, the Cancellation Common Policy Condition does not apply to that "auto". The following Condition applies instead:

### ENDING THIS POLICY

#### 1. Cancellation

- a. You may cancel the policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
- b. If this policy has been in effect for 60 days or less and is not a renewal or continuation policy, we may cancel for any reason. If we cancel, we will mail you at least 10 days notice.
- c. When this policy has been in effect for more than 60 days or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:
  - (1) Nonpayment of premium. If we cancel for this reason, we will mail you at least 10 days notice.

- (2) If you are an individual, partnership or limited liability company and your driver's license has been suspended or revoked during the policy period. If we cancel for this reason, we will mail you at least 60 days notice. However, we may not cancel if you are more than one person, but only one person's license has been suspended or revoked. Instead we may exclude coverage for that person while operating a covered "auto" during a period of suspension or revocation.

- (3) If you are an individual, we replace this policy with another one providing similar coverages and the same limits for the covered "auto". The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.

- d. If this policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. However, making or offering to make the refund is not a condition of cancellation. If you cancel, the refund may be less than pro rata. If we cancel, the refund will be pro rata.

- e. The effective date of cancellation stated in the notice shall become the end of the policy period.
- f. Our notice of cancellation will state the actual reason for cancellation unless the cancellation is due to nonpayment of premium.

## 2. Nonrenewal

- a. If we decide not to renew or continue this policy, we will mail you notice at least 60 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at the anniversary of its original effective date. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.
- b. If we fail to mail proper notice of nonrenewal and you obtain other insurance, the coverages provided by this policy will end on the effective date of any similar coverages provided by the other insurance.
- c. Our notice of nonrenewal will state the actual reason for nonrenewal unless the nonrenewal is due to nonpayment of premium.

## 3. Mailing Of Notices

Any notice of cancellation or nonrenewal will be mailed by United States post office certificate of mailing to your last known mailing address. Proof of mailing of any notice will be sufficient proof of notice.

## B. For "autos" not described in Paragraph A. above:

1. Paragraph 2. of the **Cancellation** Common Policy Condition is replaced by the following:

We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:

- a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium;
- b. 30 days before the effective date of cancellation if cancellation is for one or more of the following reasons:
  - (1) Fraud or material misrepresentation affecting this policy or a claim filed under this policy or a violation of any of the terms or conditions of this policy;
  - (2) Changes in conditions after the effective date of this policy which have materially increased the risk assumed;
  - (3) We become insolvent; or,
  - (4) We involuntarily lose reinsurance for this policy.
- c. 60 days before the effective date of cancellation if we cancel for any other reason.

2. The following is added and supersedes any provision to the contrary:

### NONRENEWAL

1. We may elect not to renew this policy by mailing or delivering to the first Named Insured, at the last mailing address known to us, written notice of nonrenewal, stating the actual reason for nonrenewal, at least sixty days prior to the effective date of the nonrenewal.
2. If notice is mailed, proof of mailing will be sufficient proof of notice.

### **SECTION II – LIABILITY COVERAGE**

#### **A. Coverage**

##### **1. "Garage Operations" – Other Than Covered "Autos"**

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

## 2. "Garage Operations" – Covered "Autos"

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance – "Garage Operations" – Covered "Autos" has been exhausted by payment of judgments or settlements.

## 3. Who Is An Insured

- (1) You for any covered "auto".
- (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
  - (a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
  - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
  - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

- (d) Your customers. However, if a customer of yours:
  - (i) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.
  - (ii) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.
- (e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.
- (3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.
- (4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.

- (1) All expenses we incur.
- (2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### B. Exclusions

- d. The spouse, child, parent, brother or sister of that person as a consequence of "bodily injury" to that person at whom any of the employment-related practices described in Paragraph (1), (2) or (3) above are directed.

This exclusion applies:

Paragraphs **b.** and **c.** above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (1) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and

### C. Limit Of Insurance

#### 1. Aggregate Limit Of Insurance – "Garage Operations" – Other Than Covered "Autos"

For "garage operations" other than the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of "insureds", claims made or "suits" brought or persons or organizations making claims or bringing "suits", the most we will pay for the sum of all damages involving "garage operations" other than "auto" is the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

Damages payable under the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" consist of damages resulting from "garage operations", other than the ownership, maintenance or use of the "autos" indicated in Section I of this Coverage Form as covered "autos", including the following coverages, if provided by endorsement:

- a. "Personal injury" liability coverage;
- b. "Personal and advertising injury" liability coverage;
- c. Host liquor liability coverage;
- d. Fire legal liability coverage;
- e. Incidental medical malpractice liability coverage;
- f. Non-owned watercraft coverage; and
- g. Broad form products coverage.

Damages payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos".

Subject to the above, the most we will pay for all damages resulting from all "bodily injury" and "property damage" resulting from any one "accident" is the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

The Aggregate Limit of Insurance – "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

#### 2. Limit Of Insurance – "Garage Operations" – Covered "Autos"

For "accidents" resulting from "garage operations" involving the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" involving a covered "auto" is the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" for Liability Coverage shown in the Declarations.

Damages and "covered pollution cost or expense" payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

#### D. Deductible

We will deduct \$100 from the damages in any "accident" resulting from "property damage" to an "auto" as a result of "work you performed" on that "auto".

However, we have no duty to defend any "insured" against a "suit" seeking damages for any loss to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends for a coverage when the Limit of Insurance for that coverage has been exhausted by payment of judgments or settlements.

These payments will not reduce the Limit of Insurance.

#### B. Exclusions

1. This insurance does not apply to any of the following:

### 4. The following provisions also apply:

- a. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" at any one location is the amount shown in the Declarations for that location. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" in transit is the amount shown in the Declarations for "loss" in transit.

### b. Quarterly Or Monthly Reporting Premium Basis

If, on the date of your last report, the actual value of the covered "autos" at the "loss" location exceeds what you last reported, when a "loss" occurs we will pay only a percentage of what we would otherwise be obligated to pay. We will determine this percentage by dividing your total reported value for the involved location by the value you actually had on the date of your last report.

  - a. Theft or mischief or vandalism; or
  - b. All perils.

## SECTION V – GARAGE CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

### A. Loss Conditions

#### 1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire.

The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the accident or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
  - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
  - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
  - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
  - (4) Authorize us to obtain medical records or other pertinent information.
  - (5) Submit to examination at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

#### 3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

#### 4. Loss Payment – Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

#### 5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

**B. General Conditions****1. Bankruptcy**

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

**2. Concealment, Misrepresentation Or Fraud**

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

**3. Liberalization**

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

**4. No Benefit To Bailee – Physical Damage Coverages**

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

**5. Other Insurance**

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

**6. Premium Audit**

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

We also cover "bodily injury", "property damage", "covered pollution cost or expense" and "losses" while a covered "auto" is being transported between any of these places.

The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

#### **8. Two Or More Coverage Forms Or Policies Issued By Us**

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

5. Punitive or exemplary damages.
6. "Bodily injury" arising directly or indirectly out of:
  - a. War, including undeclared or civil war;
  - b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
  - c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

#### D. Limit Of Insurance

1. Regardless of the number of "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident" is the limit of Uninsured Motorists Coverage shown in the Schedule or Declarations.

However, if "bodily injury" to which this coverage applies is sustained by any person other than an individual Named Insured or any "family member", the Limit of Insurance shown in the Schedule or Declarations for this coverage is also the most we will pay regardless of the number of covered "autos".

2. If there are two or more covered "autos" that are not trailers, and "bodily injury" is sustained by an individual Named Insured or any "family member", our Limit of Insurance for any one "accident" is the sum of the limits applicable to each covered "auto" which is not a "trailer". Subject to this maximum limit of liability for all damages:
  - a. The most we will pay for all damages sustained in such "accident" by an "insured" other than an individual Named Insured or any "family member" is that "insured's" pro rata share of the limit shown in the Schedule or Declarations for this coverage, at the time of the "accident".

- b. An individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph a. above.

A person's pro rata share is the proportion that that person's damages bears to the total damages sustained by all "insureds".

- 3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form attached to this Coverage Part.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible. However, this does not include any amounts paid or payable under medical payments or any workers' compensation, disability benefits or similar law.

#### E. Changes In Conditions

The conditions are changed for Missouri Uninsured Motorists Coverage as follows:

- 1. The reference in **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance - Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
- 2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
  - a. Promptly notify the police if a hit-and-run driver is involved; and
  - b. Promptly send us copies of the legal papers if a "suit" is brought.

- 3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

- 4. The following condition is added:

#### ARBITRATION

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", both parties may agree to an arbitration and to be bound by the results of that arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

- 5. **Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

#### F. Additional Definitions

As used in this endorsement:

- 1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.
- 2. "Occupying" means in, upon, getting in, on, out or off.
- 3. "Uninsured motor vehicle" means a land motor vehicle or "trailer":
  - a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged;

- b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or
- c. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must either:
  - (1) Hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying"; or
  - (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying". The facts of the "accident" must be proved. We may request supporting evidence beyond the testimony of a person making a claim under this or any similar coverage to support the validity of such claim.

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law; or
- b. Designed for use mainly off public roads while not on public roads.

**GARAGE COVERAGE FORM**

With respect to loss due to wind or hail, the following is added to Section IV. Physical Damage Coverage of the Garage Coverage Form.

If your business is shown in the declarations as an "auto dealership", we will pay "loss" to a covered "auto" due to wind or hail as described below.

At our option, the most we will pay for "loss" to any one covered "auto" is the lesser of :

1. The cost of replacing the damaged property with other property of like kind and quality;
2. The cost of repairing the damaged property by conventional means of body work;
3. The cost of repairing the damaged property by Dent Crafters or similar type process and company.

You may choose to receive a cash settlement equal to the lesser of the loss of value for the damaged auto or the repair option selected by us in lieu of exercising the replace or repair option selected by us.

When settlement is based on replacement of a covered "auto", it will be at your actual cost exclusive of your profit, holdback, or overhead expenses. We will subtract a reasonable amount for depreciation. When settlement is based on repairs to the covered "auto" and you are capable of performing the repair work, the most we will pay is 65% of the retail charges on parts, materials and labor unless stated otherwise in the declarations.

From the amount of loss, as determined above, we will subtract a reasonable amount for depreciation as well as the deductible shown in the declarations under Physical Damage Comprehensive Coverage. This deductible applies to each covered "auto" in the event that more than one covered "auto" is damaged in one event.

If a maximum deductible is stated in the declarations for Physical Damage, Comprehensive or Specified Causes of Loss Coverage, then the stated maximum deductible is the most that will be deducted for all "loss" in any one event caused by wind or hail.

**B. Owned Autos You Acquire After The Policy Begins**

1. If Symbols 21, 22, 23, 24, 25, or 26 are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.
2. But, if Symbol 27 is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:
  - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
  - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

**C. Certain Trailers And Temporary Substitute Autos**

**SECTION II - LIABILITY COVERAGE**

**A. Coverage**

**1. "Garage Operations" - Other Than Covered "Autos"**

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".  
We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance - "Garage Operations" - Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.
- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

## 2. "Garage Operations" - Covered "Autos"

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance - "Garage Operations" - Covered "Autos" has been exhausted by payment of judgments or settlements.

## 3. Who Is An Insured

a. The following are "insureds" for covered "autos":

- (1) You for any covered "auto".
- (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
  - (a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
  - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
  - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

(d) Your customers. However, if a customer of yours:

(I) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.

(II) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.

(e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.

(3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

(4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.

b. The following are "insureds" for "garage operations" other than covered "autos":

#### 4. Coverage Extensions

##### a. Supplementary Payments

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.

(5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

(1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### B. Exclusions

However, this exclusion applies only to the extent that the limits of liability for Uninsured Motorists Coverage exceed the minimum limits of liability required by the financial responsibility law of Missouri.
2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
3. "Bodily injury" sustained by any person while "occupying" or struck by any vehicle owned by the Named Insured or, if the Named Insured is an individual, any "family member", that is not a covered "auto". However, this exclusion does not apply to an individual Named Insured.

#### D. Limit Of Insurance

1. Regardless of the number of "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident" is the limit of Uninsured Motorists Coverage shown in the Schedule or Declarations.

However, if "bodily injury" to which this coverage applies is sustained by any person other than an individual Named Insured or any "family member", the Limit Of Insurance shown in the Schedule or Declarations for this coverage is also the most we will pay regardless of the number of covered "autos".

2. If there are two or more covered "autos" that are not trailers, and "bodily injury" is sustained by an individual Named Insured or any "family member", our Limit of Insurance for any one "accident" is the sum of the limits applicable to each covered "auto" which is not a "trailer". Subject to this maximum limit of liability for all damages:

- a. The most we will pay for all damages sustained in such "accident" by an "insured" other than an individual Named Insured or any "family member" is that "insured's" pro rata share of the limit shown in the Schedule or Declarations for this coverage at the time of the "accident".
- b. An individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph a. above.

A person's pro rata share is the proportion that that person's damages bears to the total damages sustained by all "insureds".

3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form attached to this Coverage Part.

We will not make a duplicate payment under this coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible. However, this does not include any amounts paid or payable under medical payments or any workers' compensation, disability benefits or similar law.

#### E. Changes In Conditions

The Conditions are changed for Missouri Uninsured Motorists Coverage as follows:

1. The reference in **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms to "other collectible insurance" applies only to other collectible uninsured motorists insurance.

**2. Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

- a. Promptly notify the police if a hit-and-run driver is involved; and
- b. Promptly send us copies of the legal papers if a "suit" is brought.

**3. Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

**4. The following condition is added:**

**Arbitration**

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", both parties may agree to an arbitration and to be bound by the results of that arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

**5. Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

**F. Additional Definitions**

As used in this endorsement:

1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption, who is a resident of such Named Insured's household, including a ward or foster child.
2. "Occupying" means in, upon, getting in, on, out or off.
3. "Uninsured motor vehicle" means a land motor vehicle or "trailer":
  - a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged;
  - b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or
  - c. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must either:
    - (1) Hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying"; or
    - (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying". The facts of the "accident" must be proved. We may request supporting evidence beyond the testimony of a person making a claim under this or any similar coverage to support the validity of such claim.

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law; or

If you and we disagree on the amount of "loss", both parties may agree to an appraisal of the "loss" and to be bound by the results of that appraisal. If both parties so agree, then each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**E. The following is added to the Concealment, Misrepresentation And Fraud** Condition:

With respect to Liability Coverage, this Condition only applies in excess of the minimum limits of liability required by the Missouri Financial Responsibility Laws.

**F. Missouri Property And Casualty Insurance Guaranty Association Coverage Limitations**

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.
2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:
  - a. Claims covered by the Association do not include a claim by or against an "insured" of an insolvent insurer, if the "insured" has a net worth of more than \$25 million on the later of the end of the "insured's" most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an "insured's" net worth on such date shall be deemed to include the aggregate net worth of the "insured" and all of its affiliates as calculated on a consolidated basis.
  - b. Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000. However, the Association will not:
    - (1) Pay an amount in excess of the applicable Limit of Insurance of the policy from which a claim arises; or
    - (2) Return to an "insured" any unearned premium in excess of \$25,000.
 These limitations have no effect on the coverage we will provide under this policy.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **TOWING AND STORING COSTS**

The following modifies the Coverage Extensions under Physical Damage Coverage:

In the event of a "loss" to a covered "auto" to which this policy's Physical Damage Coverage applies, we will pay the necessary and reasonable incurred cost of towing the covered "auto" to the nearest facility capable of making the necessary repairs or to another location if we agree upon that location prior to towing. We will also pay the necessary and reasonable incurred cost of storing the covered "auto" for the time required to adjust the claim, subject to a maximum time in storage of 30 days.

All other terms, conditions and agreements remain unchanged.

- A. The following is added to the Pollution Exclusion in Section II - Liability Coverage in the Business Auto, Motor Carrier and Truckers Coverage Forms and to the **Pollution Exclusion Applicable To "Garage Operations" - Covered "Autos"** in the Garage Coverage Form:

This Pollution Exclusion applies even if such "pollutants" have a function in your business, operations, premises, site or location, including but not limited to gasoline, diesel fuel, any other petroleum products or derivatives, fuels, or lubricants.

- B. The **Pollution Exclusion Applicable To "Garage Operations" - Other Than Covered "Autos"** in Section II - Liability Coverage in the Garage Coverage Form is replaced by the following:

8. "Bodily injury," "property damage" or "loss, cost or expenses" which would not have occurred in whole or in part but for the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants" at any time.

As used in this endorsement:

"Loss, cost or expense" means those resulting from any:

**MISSOURI CHANGES - CANCELLATION AND NONRENEWAL**

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
GARAGE COVERAGE FORM  
TRUCKERS COVERAGE FORM  
CARGO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

- A. If you are an individual, partnership, or a limited liability company and a covered "auto" you own is of the "private passenger type," and this policy covers fewer than five "autos" and does not insure the motor vehicle hazard of garages, motor vehicle sales agencies, repair shops, service stations, or public parking places, the CANCELLATION Common Policy Condition does not apply to that "auto." The following Condition applies instead:

**ENDING THIS POLICY**

**1. Cancellation**

- a. You may cancel the policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
- b. If this policy has been in effect for 60 days or less and is not a renewal or continuation policy, we may cancel for any reason. If we cancel, we will mail you at least 10 days notice.
- c. When this policy has been in effect for more than 60 days or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:
  - (1) Nonpayment of premium. If we cancel for this reason, we will mail you at least 10 days notice.
  - (2) If you are an individual, partnership, or limited liability company and your driver's license has been suspended or revoked during the policy period. If we cancel for this reason, we will mail you at least 60 days notice. However, we may not cancel if you are more than one person, but only one person's license has been suspended or revoked. Instead we may exclude coverage for that person while operating a covered "auto" during a period of suspension or revocation.
  - (3) If you are an individual, we replace this policy with another one providing similar coverages and the same limits for the covered "auto." The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.
- d. If this policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. However, making or offering to make the refund is not a condition of cancellation. If you cancel, the refund may be less than pro rata. If we cancel, the refund will be pro rata.
- e. The effective date of cancellation stated in the notice shall become the end of the policy period.
- f. Our notice of cancellation will state the actual reason for cancellation unless the cancellation is due to nonpayment of premium.

## 2. Nonrenewal

- a. If we decide not to renew or continue this policy, we will mail you notice at least 60 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at the anniversary of its original effective date. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.
- b. If we fail to mail proper notice of nonrenewal and you obtain other insurance, the coverages provided by this policy will end on the effective date of any similar coverages provided by the other insurance.
- c. Our notice of nonrenewal will state the actual reason for nonrenewal unless the nonrenewal is due to nonpayment of premium.

## 3. Mailing of Notices

Any notice of cancellation or nonrenewal will be mailed by United States post office certificate of mailing to your last known address. Proof of mailing of any notice shall be sufficient proof of notice.

## B. For "autos" not described in paragraph A above:

- 1. Paragraph 2. of the CANCELLATION Common Policy Condition is replaced by the following:
- 2. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:
  - a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium;
  - b. 10 days before the effective date of cancellation if cancellation is for one or more of the following reasons:
    - (1) Fraud or material misrepresentation affecting this policy or a claim filed under this policy or a violation of any of the terms or conditions of this policy;
    - (2) Changes in conditions after the effective date of this policy which have materially increased the risk assumed;

## TERRORISM RISK INSURANCE ENDORSEMENT

### NOTICE TO POLICYHOLDERS REQUIRED UNDER TERRORISM RISK INSURANCE ACT OF 2002

Pursuant to the requirements of the Terrorism Risk Insurance Act of 2002 (the "Act"), including all amendments thereto, we advise you of the following information:

Coverage for acts of terrorism is included in this policy subject to the terms, conditions, limits and exclusions contained therein. Under this coverage, certain losses caused by certified acts of terrorism may be partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays a portion (85% in Calendar Year 2008 through expiration) of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. While your insurer faces significant exposure under your policy for losses caused by acts of terrorism, the premium you paid for the policy does not reflect that exposure. **Consequently, no premium is currently being charged on your policy for the risk of losses caused by certified acts of terrorism.**

THERE IS AN ANNUAL LIABILITY CAP FOR COVERED TERRORISM LOSSES UNDER THE ACT EQUAL TO \$100,000,000,000 OF AGGREGATE INSURED LOSSES AS DEFINED IN THE ACT. LOSSES PAID UNDER THIS COVERAGE WILL BE PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. UNDER THIS FORMULA, THE UNITED STATES PAYS A PORTION (85% IN CALENDAR YEAR 2008 THROUGH EXPIRATION) OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. ANY INSURER THAT HAS SATISFIED THEIR STATUTORILY ESTABLISHED DEDUCTIBLE IS NOT LIABLE FOR AND THE UNITED STATES SECRETARY OF THE TREASURY IS NOT AUTHORIZED TO PAY ANY PORTION OF SUCH LOSSES EXCEEDING THE CAP ON ANNUAL LIABILITY OF \$100,000,000,000.

Premium on renewal of your coverage may be charged for you to maintain coverage for losses arising out of acts of terrorism. In that event you will be informed of such charges to the extent required by federal or state law.

 Defendant v.  
 QUENTON SHELBY, Defendant/Counterclaimant*

Dear Attorney Gallas and Miller Investment Group:

Oak River Insurance Company ("Oak River") received notice of the above-referenced Counterclaim currently pending in the Sixteenth Judicial Circuit Court Jackson, MO, case no. 1216- CV24936, division 26.

We previously sent Attorney Gallas correspondence dated 2/26/13, reserving our rights related to this Counterclaim at which time we advised we were investigating to determine if any policies issued to Miller Investment Group Inc. ("Miller Investment") would apply and if we would take over the defense of the Counterclaim brought by Shelby. For the reasons set forth below, Oak River disclaims any duty to defend or indemnify Miller Investment for any damages alleged in the Counterclaim.

Claim Operations • P.O. Box 31361 • Omaha, Nebraska 68131-0361 • Telephone (402) 916-3800 • Facsimile: (402) 916-3031

**EXHIBIT****8**

Miller Investment d/b/a/ Auto Now Belton filed a Complaint against Quenton Shelby ("Shelby") which alleged as follows: Shelby executed a Retail Installment Contract and Security Agreement on September 30, 2010 (the "Shelby Contract"). Shelby failed to make an installment payment and failed to cure his default. Miller Investment obtained possession of the collateral and after reasonable notice to Shelby on April 9, 2012, it sold the collateral on April 19, 2012. Miller Investment sent Shelby a deficiency balance notice on May 1, 2012.

Shelby's Counterclaim states It is a consumer class action seeking relief to redress an unlawful and deceptive pattern of wrongdoing followed by Miller Investment with respect to the repossession of collateral. The Counterclaim alleges the Notice of Sale sent to Shelby failed to comply with the UCC several respects. The Counterclaim seeks statutory damages under the UCC; damages equal to any and all monies paid to Miller Investment by Shelby for time price differential, delinquency and collection charges; a preliminary and permanent injunction enjoining Miller Investment from engaging in the alleged practices; a mandatory injunction compelling Miller Investment to remove adverse credit information which may have been wrongfully reported on consumer reports of Shelby; and a declaration that the presale notice sent by Miller Investment fails to comport with the provisions of the UCC.

Oak River Insurance Company issued Garage Policy # MOA100192 to Miller Investment Group Inc. dba Auto Now effective 4/21/11 to 4/21/12 and renewal policy #MOA100192 effective from 4/21/12 to 4/21/13.<sup>1</sup>

Garage Coverage Form CA 0005 (03/06) contained in the Policies provides as follows:

#### SECTION II – LIABILITY COVERAGE

##### A. Coverage

##### 1. "Garage Operations – Other Than Covered "Autos"

a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance, or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply.

The Policies contains the following definitions:

#### Section VI – DEFINITIONS

- A. "Accident" includes continuous and repeated exposure to the same conditions resulting in "bodily injury" or "property damage".
- B. "Bodily injury" means bodily injury, sickness or disease sustained by a person including death resulting from any of these.
- C. "Insured Contract" means:

<sup>1</sup>Oak River also issued Policy #KSA100112 effective 4/21/11 to 4/21/12 and renewal policy KSA100112 effective 4/21/12 to 4/21/13 to Miller Investment Group dba Auto Now. The KSA100112 policies exclude coverage for the Used Car Dealership operations located at Belton, Missouri.

1. A lease of premises;
2. A sidetrack agreement;
3. Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
4. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
5. That part of any other contract or agreement pertaining to your garage business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another to pay for "bodily injury" or "property damage" to a third party or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement;
6. An elevator maintenance agreement; or
7. That part of any contract or agreement entered into, as part of your garage business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

1. That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
  - a. Preparing, approving or failing to prepare or approve maps, drawings, opinions, reports, surveys, change orders, designs or specifications; or
  - b. Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage.
2. That indemnifies any person or organization for damage by fire to premises rented or loaned to you.
3. That pertains to the loan, lease or rental of an "auto", to you or any of your "employees" if the "auto" is loaned, leased or rented with a driver.
4. That holds a person or organization engaged in the business of transporting property by "auto" for hire harmless for your use of a covered "auto" over a route or territory that person or organization is authorized to serve by public authority.
5. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing.

M. "Property Damage" means damage to or loss of use of tangible property.

P. "Suit" means a civil proceeding in which:

1. damages because of "bodily injury" or "property damage" or
2. A "covered pollution cost or expense",

to which this insurance applies are claimed.

"Suit" includes:

- a. An arbitration proceeding in which such damages or "covered pollution cost or expense" are claimed and to which the "insured" must submit or does submit with our consent; or
- b. Any other alternative dispute resolution proceeding in which such damages or "covered pollution cost or expense" are claimed and to which the insured submits with our consent.

The Policies also contain the following exclusions:

**B. Exclusions**

This insurance does not apply to any of the following:

**1. Expected Or Intended Injury**

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured". But for "garage operations" other than covered "autos" this exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

**2. Contractual**

Liability assumed under any contract or agreement. But this exclusion does not apply to liability for damages:

- a. Assumed in a contract or agreement that is an "insured contract" provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement; or
- b. That the "insured" would have in the absence of the contract or agreement.

**6. Care, Custody or Control**

"Property damage" to or "covered pollution cost or expense involving:

- c. Property held for sale or being transported by the "insured"; or
- d. Property in the insured's care, custody or control.

**14. Loss of Use**

Loss of use of other property not physically damaged if caused by:

- a. A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.
- b. A defect, deficiency, inadequacy or dangerous condition in your "products" or work you performed". But this exclusion, 14b., does not apply if the loss of use was caused by sudden and accidental damage to or destruction of your "products" or "work you performed" after they have been put to their intended use.

The Counterclaim is seeking damages based on Shelby's Contract with Miller Investment for the purchase of a 2003 Mercury Mountaineer. The damages do not arise out of an "accident", therefore there is no coverage under the Policies. In addition, the damages alleged in the Counterclaim do not come within the definition of "bodily injury" or "property damage" as defined in the Policies, therefore there is no coverage under the Policies. In addition, a request for an Injunction does not qualify as a "suit".

The Policies also include several exclusions that apply to preclude coverage for the allegations contained in the Counterclaim. To the extent that any alleged damages were expected or intended by Miller Investment, there is no coverage under Policies. Damages for

liability assumed under a contract are excluded. Also, to the extent that any of Shelby's alleged damages occurred while the vehicle was in Miller's care, custody or control, or being held for sale, there is no coverage under the Policies. Also, damages for loss of use are excluded if caused by Miller Investment's failure to perform a contract in accordance with its terms.

For the reasons set forth above, Oak River will not defend or indemnify Miller Investment for the allegations contained in Shelby's Counterclaim. Our position is based on the information we have received to date. If you know or learn of information not already provided to us, contact us immediately. Should additional suit papers be filed against Miller Investment, we ask you forward them to us to review. We will review all new information to assure Oak River fully performs its obligations under the Policies and applicable law.

Reference to specific provisions of the Policies are not a waiver of our rights under any other provision of the Policies. No further action by will constitute or in any way is intended to waive or modify any of Oak River's rights under the Policies or applicable law, or to admit any fact, principle or obligation under the Policies. Oak River may at any time assert any of these additional rights or defenses.

Please call me at 402-916-3485 if you have any questions regarding this Counterclaim.

Sincerely,

Jim Hercinger

MILLER INVESTMENT GROUP,

Case No. 1216-CV24936

Division: 8

**Final Approval Order**

Upon careful review and consideration of the record, the Parties' Settlement Agreement and Release dated December 18, 2015 (the "Agreement"), the evidence and arguments of counsel as presented at the Fairness Hearing held on March 4, 2016, the memoranda filed with this Court, and all other filings for the parties' settlement as memorialized in the Agreement (the "Settlement"); and for good cause shown, IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Incorporation of Other Documents.** This Order incorporates and makes the following a part of this Order:

- a. The Agreement, filed with this Court about December 22, 2015; and
- b. The following exhibits to the Agreement: (i) Schedule A (Proposed Distribution Schedule of "Net Distributable Settlement Fund," filed under seal); (ii) Exhibit A (Class Mail Notices); (iii) Exhibit B (Long-Form notice available to the Settlement Class); (iv) Exhibit C (list of members of the Settlement Class, filed under seal).

Unless otherwise provided, all capitalized terms in this Order shall have the same meaning as those terms in the Agreement.

2. **Jurisdiction.** Because adequate notice was disseminated and all potential members of the Settlement Class (as defined below) were given notice of and an opportunity to opt out of the Settlement, the Court has personal jurisdiction over all members of the Settlement Class. The Court has subject matter jurisdiction over the Litigation, including, without limitation, jurisdiction to approve the proposed Settlement, to grant final certification of the Settlement Class, and to enter the accompanying Final Judgment.

3. **Final Class Certification.** The Settlement Class, which this Court previously certified preliminarily, is finally certified under Missouri Rules of Civil Procedure 52.08, the Court finding that the Settlement Class fully satisfies all of the requirements of Missouri Rules of Civil Procedure 52.08 and due process. The Settlement Class is defined:

All persons: (a) who are named as borrowers or buyers on a loan or financing agreement with MIG or assigned to MIG; (b) whose loan or financing agreement was secured by collateral; (c) whose collateral was repossessed or voluntarily surrendered; and (d) whose collateral was disposed of from January 10, 2008, to April 21, 2015.

A. **Numerosity.** Pursuant to Rule 52.08(a)(1), the Court finds sufficient evidence that the number of persons in the Settlement Class is so numerous that joinder of all members is impracticable. A party “does not have to specify an exact number of class members to satisfy the numerosity prerequisite for class certification, but must show only that joinder is impracticable through some evidence or reasonable, good faith estimate of the number of purported class

members.” *Dale v. DaimlerChrysler Corp.*, 204 S.W.3d 151, 167 (Mo. App. 2006). As few as 40 class members should presumptively satisfy this requirement. *Id.* at 168; Alba Conte & Herbert Newberg, 1 Newberg on Class Actions section 3:5, at 1 (4th ed.2002). The parties estimate there are at least 2,350 class members, which satisfies the numerosity requirement of Rule 52.08(a).

B. **Commonality/Predominance**. Pursuant to Rule 52.08(a)(2) and (b)(3), the Court finds there are questions of law and fact common to all Members of the Settlement Class and that those common questions predominate over any questions affecting individual members of the Settlement Class. “A single common issue may be the overriding one in the litigation, despite the fact that the suit also entails numerous remaining individual questions.” *Meyer ex rel. Coplin v. Fluor Corp.*, 220 S.W.3d 712, 716 (Mo. banc 2007). The overriding common issue in this litigation is whether the right to cure, presale and post-sale notices sent by MIG complied with Chapter 408 of the Missouri Revised Statutes and the Uniform Commercial Code. Individual issues, if any, regarding choice-of-law, damages, or affirmative defenses such as the statute of limitations, res judicata, collateral estoppel or bankruptcy do not defeat the predominance of the common issues. *Craft v. Philip Morris Cos.*, 190 S.W.3d 368, 383 (Mo. App. 2005) (“The predominance of the common issues is not defeated simply because individual questions may remain after the common issues are resolved, such as questions of damages or individual defenses.”).

C. **Typicality**. Pursuant to Rule 52.08(a)(3), the Court finds the claims of the

named Class Representative are typical of the claims of the members of the Settlement Class. "The burden of demonstrating typicality is fairly easily met so long as other class members have claims similar to the named plaintiff." *Hale v. Wal-Mart Stores, Inc.*, 231 S.W.3d 215, 223 (Mo. App. 2007). Shelby and each Class members' claims arise from the same conduct: MIG's and its agents' failure to send the statutorily required notices in violation of Chapter 408 and the UCC. Chapter 408 and the UCC give each class member the same remedy for these violations.

D. **Adequacy**. Pursuant to Rule 52.08(a)(4), the Court finds Counterclaimant Quenton Shelby is a member of the class he seeks to represent. There are no apparent conflicts of interest between Counterclaimant Quenton Shelby and the Settlement Class, or among the members of the Settlement Class, and Shelby and Class Counsel will fairly and adequately represent and protect the interests of the Settlement Class. The Court notes Counterclaimant has vigorously pursued this litigation through qualified counsel and has a sufficient understanding of his role as class representative. The Court notes the complexity of this matter as a class action and finds Class Counsel have conferred and will continue to confer substantial benefits on the Settlement Class valued at approximately \$12,930,000 by obtaining preliminary approval, monitoring and ensuring compliance with the terms of the Settlement Agreement, obtaining final approval and assisting with administration of the Settlement Agreement.

E. **Superiority**. Pursuant to Rule 52.08(b)(3), the Court finds that the class action

procedure is superior to other available methods for the fair and efficient adjudication of this litigation. First, economic realities make it virtually impossible for individual Class Members to prosecute individual claims against MIG. The majority of Class members' individual stakes are relatively small when compared to MIG's incentive to exhaustively litigate each individual claim. Most Class members whose life circumstances prevented them from making payments on their loans could not retain an attorney, on an hourly basis, for this type of representation. And for those that could afford it, they are likely unaware of their rights, and the UCC, having been violated. The alternative to a class action is not thousands of individual lawsuits, but zero individual suits. The class action procedure is not only superior to individual actions, it is likely the only viable alternative for Class members to seek relief. *Whitney v. Alltel Communications, Inc.*, 173 S.W.3d 300, 309 (Mo. App. 2005). These considerations weigh heavily in favor of class certification. Second, there is no evidence any other member of the Class has commenced litigation of this type against MIG. Third, concentrating separate actions based on the same underlying conduct in one action promotes judicial economy and efficiency and consistency of judgments. Forcing many Class members to bring individualized suits would unnecessarily burden judicial resources and would create the risk of multiple inconsistent results for similarly situated parties. MIG's conduct of business in this forum also weighs in favors of superiority. Finally, the parties can devise solutions to address any manageability issues and ensure adjudication is both fair and efficient.

4. **Class Notice.** The Court finds the Class Mail Notices (both the short form and long form notice available on the website or upon request) and its distribution to the Settlement Class as implemented under the Agreement and the Preliminary Approval Order:

- a. Constituted the best practicable notice to the members of the Settlement Class under the circumstances of this Litigation;
- b. Constituted notice reasonably calculated, under the circumstances, to apprise the members of the Settlement Class of (i) the pendency of this Litigation and the proposed Settlement, (ii) their right to exclude themselves from the Settlement Class and the proposed Settlement, (iii) their right to object to any aspect of the proposed Settlement (including, but not limited to: final certification of the Settlement Class; the fairness, reasonableness or adequacy of the Settlement as proposed; the adequacy of Shelby's and/or Class Counsel's representation of the Settlement Class; the proposed awards of attorney's fees and expenses; and the proposed incentive award), (iv) their right to appear at the Fairness Hearing if they did not exclude themselves from the Settlement Class, and (v) the binding effect of the Orders and Judgment in the Litigation on all members of the Settlement Class who did not request exclusion;
- c. Constituted notice that was reasonable and constituted due, adequate and sufficient notice to all persons and entities entitled to be provided with notice; and
- d. Constituted notice that fully satisfied the Missouri Rules of Civil Procedure 52.08, due process, and any other applicable law.

5. **Final Settlement Approval.** The terms and provisions of the Agreement, including all exhibits, have been entered into in good faith through arm's length negotiations, and not as the result of fraud or collusion. The Agreement is fully and finally approved as fair, reasonable and adequate as to, and in the best interests of, each of the Parties and the Settlement Class Members, and in full compliance with all requirements of the laws of Missouri, the United States Constitution (including the Due Process Clause), and any other applicable law. The Parties are directed to implement and consummate the Agreement according to its terms and provisions.

6. **Damages.** MIG Agreed not to contest a judgment being entered against it in an amount to be determined by the Court. The Court determines the Settlement Class has compensatory damages of \$ 19,001,795.17 resulting from MIG's negligent conduct in failing to send notices complying with Missouri Chapter 408 and the Uniform Commercial Code as part of operations necessary or incidental to MIG's garage business. MIG did not intend to violate Chapter 408 or the UCC and did not intend injury to the class because it believed its notices were accurate, lawful and contained no misrepresentations. However, the negligent misrepresentations in the notices were the proximate cause of the loss of use of the vehicles because it precluded the Class members from reclaiming their collateral before it was sold. *Mancuso v. Long Beach Acceptance Corp.*, 254 S.W.3d 88, 92 (Mo. App. 2008) (purpose of notice is to allow consumer to reclaim collateral). The negligent misrepresentations in the notices were also the proximate cause of the loss of use of the: (a) Class member's surplus funds owed them after the sale of the collateral; and (b) the money each Class member paid, which was barred by statute and common law.

7. **Assignment of Claims.** MIG assigns to the Settlement Class (represented by Shelby and his attorneys) all of its rights under all insurance policies in effect from January 10, 2008, to April 21, 2015, from which Shelby and the Settlement Class will seek to recover. Shelby and his attorneys may pursue an action against MIG's insurers and attempt to recover against any effective insurance policies. Any recovery from the insurers will add to the benefits made available to the Settlement Class under the Agreement, and the Settlement Class Members who submitted valid claims for payment will receive the funds remaining from any recovery from the insurers after attorney's fees and costs are deducted.

8. **Binding Effect.** The Agreement, this Order and the accompanying Final Judgment shall be forever binding on Shelby, all of the Settlement Class Members, and their respective heirs, executors, administrators, assigns, predecessors, and successors, and any other person claiming by or through any or all of them. The Agreement, this Order and the accompanying Final Judgment shall have *res judicata* and other preclusive effect as to the "Releasors" for the "Released Claims" as against the "Released Persons," all as defined in the Agreement.

9. **Releases.** The Settlement Class Members (*i.e.*, those members of the Settlement Class who did not timely opt out) shall be bound by the Release provided in Paragraph 6 of the Agreement, which is incorporated in this Order, regardless of whether such persons received any compensation under the Agreement or Settlement. The Releases are effective as of the date of this Final Approval Order and the accompanying Final Judgment. The Court expressly adopts all defined terms in the Agreement.

10. **Enforcement of Settlement.** Nothing in this Final Approval Order or the accompanying Final Judgment shall preclude any action by any Party to enforce the terms of the Agreement.

11. **Additional Payment to Shelby.** The Court awards \$5,000 to be paid from the Cash Fund to Shelby as an incentive award for his services as class representative in this Litigation.

12. **Attorney's Fees and Expenses.** Class Counsel are awarded \$10,000 from the Cash Fund representing an allocated share of expenses and court costs Class Counsel has incurred and advanced for the Litigation and Settlement, which shall be deducted from the Cash Fund as defined in the Agreement. In addition, the Court awards Class Counsel attorney's fees of \$320,000, representing less than three percent of the "Gross Settlement Fund" as defined in the Agreement, which award is to be deducted from the Cash Fund. The Court finds and concludes each of the above awards to Class Counsel for work and services for the Litigation and Settlement is reasonable, and regarding this finding, specifically finds:

- a. The undersigned is acquainted with all the issues involved and the work performed by Class Counsel.
- b. By obtaining preliminary and final approval of the Settlement Agreement, Class Counsel and Shelby achieved exceptional results on behalf of the Settlement Class with the total monetary benefit conferred on the Settlement Class valued at over \$12,930,000. Additional non-quantifiable relief over the calculable monetary amounts was also obtained for the Settlement

Class, which included the deletion of negative credit reporting/trade lines from the Settlement Class Members' credit reports.

- c. The issues involved were novel and complex and justify the fee award.
- d. The demands of the settlement approval process and class administration forced Class Counsel to dedicate considerable resources to this lawsuit.
- e. Class Counsel are experienced and highly skilled class action and consumer litigators with a reputation justifying the fee award.
- f. The fee award is less than that granted in similar cases involving complex litigation or in the class action context.
- g. The Agreement and Long-Form Notice informed the Settlement Class that Class Counsel would apply for fee awards in the amounts requested. No member of the Settlement Class has objected to such awards or the Settlement.

13. **No Other Payments.** The preceding paragraphs of this Final Approval Order preclude, without limitation, all claims for attorney's fees and expenses, costs or disbursements incurred by Class Counsel or any other counsel representing Shelby or the Settlement Class, or incurred by Shelby or the Settlement Class Members, or any of them, in connection with or related in any manner to this Litigation, the Settlement of this Litigation, the administration of such Settlement, and/or the Released Claims, except to the extent otherwise specified in this Final Approval Order or the Agreement.

14. **Retention of Jurisdiction.** The Court has jurisdiction to enter this Final Approval Order and the accompanying Final Judgment. Without affecting the finality of this Final Approval Order and the accompanying Final Judgment, this Court expressly

retains jurisdiction on all matters relating to the administration and enforcement of the Agreement and Settlement and of this Final Approval Order and the accompanying Final Judgment, and for any other necessary purpose as permitted by law, including, without limitation:

a. enforcing the terms and conditions of the Agreement and Settlement and resolving any disputes, claims or causes of action that, in whole or in part, are related to the administration and/or enforcement of the Agreement, Settlement, this Final Approval Order or the Final Judgment (including, without limitation, whether a person is or is not a member of the Settlement Class or a Settlement Class Member; and whether any claim or cause of action is or is not barred by this Final Approval Order and the Final Judgment);

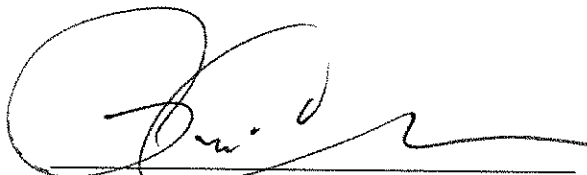

b. entering such additional Orders as may be necessary or appropriate to protect or effectuate the Court's Final Approval Order and the Final Judgment and/or to ensure the fair and orderly administration of the Settlement and distribution of the Settlement Fund, including presiding over any garnishment actions; and

c. entering any other necessary Orders to protect and effectuate this Court's retention of continuing jurisdiction.

15. **Separate Judgment.** The Court will separately enter the accompanying Final Judgment.

MILLER INVESTMENT GROUP,

Counterclaim-Defendant,

Case No. 1216-CV24936

Division: 8

**FILED  
DIVISION 10**

**04-Mar-2016 15:20**

CIRCUIT COURT OF JACKSON COUNTY, MO

BY Emily Kissea

**Final Judgment**

IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. The settlement of the claims of the Settlement Class on the terms in the parties' Settlement Agreement and Release ("Agreement"), dated December 18, 2015, is approved, and the following settlement class is granted final certification under Missouri Rules of Civil Procedure 58.02 ("Settlement Class"):

All persons who:

- (1) who are named as borrowers or buyers on a consumer loan or financing agreement entered into with or that was assigned to Miller Investment Group, Inc. ("MIG");
- (2) whose loan or financing agreement was secured by collateral;
- (3) whose collateral was repossessed or voluntarily surrendered; and
- (4) whose collateral was disposed of from January 10, 2008 to April 21, 2015.

2. Individual notice complying with Missouri Rules of Civil Procedure 52.08 was sent to the last-known address of each member of the Settlement Class as identified on Exhibit C to the Agreement. The Court finds all members of the Settlement Class in

**EXHIBIT**

**10**

Exhibit C to the Settlement Agreement to be members of the Settlement Class and are bound by this Final Judgment.

3. Counterclaimant Shelby and all members of the Settlement Class who did not timely exclude themselves from the Settlement Class shall be bound by this Judgment and the Agreement.

4. The settlement is reasonable because, among other reasons, it is what a reasonably prudent person in MIG's position would have settled for on the merits of Counterclaimant's claims. MIG's decision to settle was made in good-faith, and not the product of collusion or fraud.

5. The Court enters judgement against MIG and in favor of Counterclaimant Shelby, individually and as representative for the certified class, for \$ 19,001,795.17. Post-judgment interest shall accrue on the judgment balance at nine percent per annum until satisfaction. Only \$450,000 of this judgment may be satisfied from MIG's assets for its obligations required under the Agreement and any remaining amount may only be satisfied from MIG's insurance policies in effect during the class period. Other than the \$450,000, the judgment may not be satisfied from attaching or otherwise acquiring other assets of MIG or MIG's officers, directors or shareholders. The Settlement Class's agreement not to pursue over \$450,000 from MIG shall not serve as a general release against MIG or of the right to enforce the Judgment against MIG's insurers. Nor shall the release contained in the Agreement or Final Approval Order be construed in any manner that precludes recovery from MIG's insurers. Notwithstanding the foregoing, pursuant to the terms of the Settlement Agreement and Release, no member of the Settlement Class

may seek recovery of any kind against MIG and may only seek recovery from MIG's insurance policies in effect during the class period for the claims released.

6. The Court approves MIG's assignment to the Settlement Class of all its claims and rights against its insurers who issued policies in effect during the class period, including without limitation, any claims of bad faith failure to settle and breach of the duty to defend.

7. The Court will retain continuing jurisdiction over this Litigation for the purposes in the Approval Order and for implementing/enforcing this Judgment.

8. Unless otherwise provided, all capitalized terms in this Order shall have the same meaning as those terms in the Agreement.

**UNOPPOSED MOTION FOR EXTENSION OF TIME FOR DEFENDANT TO ANSWER  
OR OTHERWISE RESPOND TO PLAINTIFF’S PETITION AND SUGGESTIONS IN  
SUPPORT**

**COMES NOW**, Defendant Oak River Insurance Company (“Oak River”), by and through its counsel, and moves the Court for an extension of time, to and including September 30, 2016, within which this Defendant may answer or otherwise respond to Plaintiff’s Petition. In support of its motion, Oak River states:

1. The time prescribed for Oak River to answer or otherwise respond to Plaintiff’s Petition has not expired. Plaintiff served his Petition on the Missouri Department of Insurance on July 29, 2015. Under Missouri law, Oak River has until August 29, 2016 to answer or otherwise respond to Plaintiff’s Petition.

2. Due to delays from the Missouri Department of Insurance, Oak River did not receive Plaintiff’s Petition until August 22, 2016. Therefore, Oak River requires additional time to answer or otherwise respond to Plaintiff’s Petition. Counsel for Oak River and Plaintiff’s counsel have conferred prior to the filing of this motion. Plaintiff has no objection and agrees to

Oak River's motion that it have an extension of time, to and including September 30, 2016, within which Oak River may answer or otherwise respond to Plaintiff's Petition.

3. No party will be prejudiced or unduly burdened by the granting of this request.

4. A proposed order is being submitted with this motion for the Court's convenience and as required by local rule.

**WHEREFORE**, Defendant Oak River Insurance Company respectfully requests the Court enter an order granting an extension of time for Oak River to file an answer or to otherwise plead in response to Plaintiff's Petition, up to and including September 30, 2015.

Dated this 24<sup>th</sup> day of August 2016.

**SIXTEENTH JUDICIAL CIRCUIT COURT  
JACKSON COUNTY, MISSOURI**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 11

**Application for Change of Judge**

Plaintiff applies for change of judge under Rule 51.05 of the Missouri Rules of Civil Procedure. This is the first application for change of judge filed by Plaintiff, and it is timely filed under Rule 51.05(b).

As stated in *State ex rel. Courch v. Stovall-Reid*:

[A party] is entitled to one change of judge as a matter of right. Rule 51.05(d). If the application was timely filed, the trial judge had no choice but to sustain it, which would leave the court without jurisdiction to take further action in the case. Rule 51.05(e); *Harmon v. Schultz*, 723 S.W.2d 945, 946 (Mo. App. S.D. 1987). The right to disqualify is a keystone of our judicial system, and Missouri courts follow a liberal rule construing it. *State ex rel. Walters v. Schaeperkoetter*, 22 S.W.3d 740, 742 (Mo. App. E.D. 2000). A civil litigant has a virtually unfettered right to disqualify a judge without cause on one occasion. *Id.*

144 SW.3d 895, 897 (Mo. App. E.D. 2004).

Based upon the foregoing, Plaintiff respectfully requests this Application for Change of Judge be granted, and that the Court sign the proposed order filed herewith.

**DEFENDANT’S ANSWER TO PLAINTIFF’S PETITION**

**COMES NOW**, Defendant Oak River Insurance Company (“Oak River”), by and through its counsel, and submits the following Answer to Plaintiff’s Petition.

1. Paragraph 1 of Plaintiff’s Petition contains solely legal conclusions such that no response is necessary. To the extent a response is required, Oak River denies the allegations contained in Paragraph 1 of Plaintiff’s Petition.
  
2. With regard to the allegations contained in Paragraph 2 of Plaintiff’s Petition, Oak River admits that Shelby was appointed class representative of the Class in the Underlying Litigation. Oak River is without sufficient information to admit or deny the remaining allegations contained in Paragraph 2 of Plaintiff’s Petition and therefore denies the same.
  
3. With regard to the allegations contained in Paragraph 3 of Plaintiff’s Petition, Oak River admits that it is a foreign insurance company licensed to conduct business in Missouri. The remaining allegations contained in Paragraph 3 of Plaintiff’s Petition are solely legal conclusions to which no response is necessary. To the extent a response is required, Oak River denies the remaining allegations contained in Paragraph 3 of Plaintiff’s Petition.

4. Paragraph 4 of Plaintiff's Petition contains solely legal conclusions such that no response is necessary. To the extent a response is required, Oak River denies the allegations contained in Paragraph 4 of Plaintiff's Petition, except that Oak River admits that this Court has jurisdiction in this matter.
5. Oak River denies the allegations contained in Paragraph 5 of Plaintiff's Petition except that it admits that it issued one or more insurance policy to Miller Investment Group.
6. With regard to the allegations contained in Paragraph 6 of Plaintiff's Petition, Oak River admits that Miller Investment Group, Inc. is named as an insured on certain insurance policies issued by Oak River. Answering further, the terms and conditions of those policies speak for themselves. Oak River denies the remaining allegations contained in Paragraph 6 of Plaintiff's Petition.
7. With regard to the allegations contained in Paragraph 7 of Plaintiff's Petition, Oak River admits that Plaintiff filed a Counterclaim in the Underlying Litigation. Answering further, the Counterclaim (and the allegations contained therein) speaks for itself. Oak River denies the remaining allegations contained in Paragraph 6 of Plaintiff's Petition.
8. With regard to the allegations contained in Paragraph 8 of Plaintiff's Petition, Oak River admits counsel for Miller Investment Group tendered defense and indemnity for the Counterclaim filed by the class plaintiffs in connection with the Underlying Litigation and that Oak River disclaimed any duty to defend or indemnify Miller Investment Group, Inc. for any damages alleged in the Counterclaim. Oak River further states that the tender letter and its correspondence speak for itself. Oak River denies the remaining allegations contained in Paragraph 8 of Plaintiff's Petition.

9. Oak River denies the allegations contained Paragraph 9 of Plaintiff's Petition, including sub-parts a. through m. and sub-sub-parts m.i. to m.ix.
10. Oak River is without sufficient information to admit or deny the allegations contained in Paragraph 10 of Plaintiff's Petition and therefore denies the same.
11. Oak River denies the allegations contained in Paragraph 11 of Plaintiff's Petition.
12. With regard to the allegations contained in Paragraph 12 of Plaintiff's Petition, Oak River admits that the Final Approval Order and Final Judgment were signed by the court. Oak River denies the remaining allegations contained in Paragraph 12 of Plaintiff's Petition.
13. Oak River denies the allegations contained in Paragraph 13 of Plaintiff's Petition.
14. Oak River denies the allegations contained in Paragraph 14 of Plaintiff's Petition.
15. Oak River denies the allegations contained in Paragraph 15 of Plaintiff's Petition.

### **Count I**

16. In response to Paragraph 16 of Plaintiff's Petition, Oak River incorporates by reference its previous responses contained in Paragraphs 1 through 15 above as if fully set forth herein.
17. Oak River denies the allegations contained in Paragraph 17 of Plaintiff's Petition.
18. Oak River denies the allegations contained in Paragraph 18 of Plaintiff's Petition.
19. Oak River denies the allegations contained in Paragraph 19 of Plaintiff's Petition.
20. In response to Paragraph 20 of Plaintiff's Petition, Oak River admits that it refused to defend the allegations contained, and damages alleged, in the Counterclaim that was asserted by Plaintiff against Miller Investment Group, Inc., and tendered to Oak River. Oak River denies all other allegations contained in Paragraph 20 of Plaintiff's Petition.
21. Oak River denies the allegations contained in Paragraph 21 of Plaintiff's Petition.

22. Oak River denies the allegations contained in Paragraph 22 of Plaintiff's Petition.
23. Oak River denies the allegations contained in Paragraph 23 of Plaintiff's Petition.
24. In response to Paragraph 24 of Plaintiff's Petition, Oak River admits that Miller Investment Group, Inc. is listed as an insured in certain policies issued by Oak River. However, Oak River specifically denies that Miller Investment Group, Inc. was insured for the allegations contained, or damages alleged, in the Counterclaim asserted by Plaintiff. Therefore, Oak River denies the remaining allegations contained in Paragraph 24 of Plaintiff's Petition.
25. Oak River denies the allegations contained in Paragraph 25 of Plaintiff's Petition.

## **Count II**

26. In response to Paragraph 26 of Plaintiff's Petition, Oak River incorporates by reference its previous responses contained in Paragraphs 1 through 25 above as if fully set forth herein.
27. Oak River denies the allegations contained in Paragraph 27 of Plaintiff's Petition.
28. Oak River denies the allegations contained in Paragraph 28 of Plaintiff's Petition.
29. Oak River denies the allegations contained in Paragraph 29 of Plaintiff's Petition.
30. Oak River denies the allegations contained in Paragraph 30 of Plaintiff's Petition.
31. Oak River denies the allegations contained in Paragraph 31 of Plaintiff's Petition.
32. Oak River denies the allegations contained in Paragraph 32 of Plaintiff's Petition.

## **AFFIRMATIVE DEFENSES**

1. In further answer and by way of affirmative defense, Plaintiff's Petition fails to state a claim against Oak River upon which relief can be granted.

2. In further answer and by way of affirmative defense, Plaintiff's Petition is barred in whole or in part because the alleged actions, inactions, injuries, damages and/or loss alleged in the underlying action against Miller Investment Group, Inc. (both those alleged at the time the Counterclaim was presented to Oak River as well as those under the altered theory of recovery and damages that had never been tendered to Oak River but which were included in the purported judgment) did not arise out of or result from garage operations as defined by policies at issue "but of the financing activities of dealership" and there is no coverage due to the terms of the garage operations insuring agreement, the expected or intended injury exclusion, the care, custody or control exclusion, the loss of use exclusion, and/or the definition of garage operations. *See Landers Auto Grp. No. One, Inc. v. Cont'l W. Ins. Co.*, 621 F.3d 810 (8th Cir. Ark. 2010).
  
3. In further answer and by way of affirmative defense, Plaintiff's Petition is barred in whole or in part because the alleged actions, inactions, injuries, damages and/or loss alleged in the underlying action against Miller Investment Group, Inc. (both at the time the Counterclaim was presented to Oak River and at the time of judgment) were not covered by the policies at issue in that they are not damages for bodily injury or property damages as defined by the policies at issue.
  
4. In further answer and by way of affirmative defense, Plaintiff's Petition is barred in whole or in part because the alleged actions, inactions, injuries, damages and/or loss alleged in the underlying action against Miller Investment Group, Inc. (both at the time the Counterclaim was presented to Oak River and at the time of judgment) were not covered by the policies at issue in that they were not caused by an accident as defined by the policies at issue.

5. In further answer and by way of affirmative defense, Oak River states that Miller Investment Group, Inc. violated the terms and conditions of its insurance policies with Oak River such that Plaintiff's claims against Oak River fail as a matter of law. Miller Investment Group, Inc. violated the cooperation provisions of its insurance policies with Oak River by failing to provide Oak River notice of Plaintiff's altered theories of recovery other than those asserted in the Counterclaim, by jointly submitting settlement documents to the Court (including the Order and Judgment) that were based on Plaintiff's altered theories of recovery other than those asserted in the Counterclaim, and by entering into an agreement with Plaintiff based on or agreeing to Plaintiff's altered theories of recovery such that Miller Investment Group, Inc. did not defend itself among other agreements. Oak River was irreparably prejudiced by Miller Investment Group, Inc.'s violations of these provisions in that Plaintiff obtained a judgment against Miller Investment Group, Inc. well beyond the reasonable value of the claim. As Plaintiff stands in the shoes of Miller Investment Group, Inc. in this matter, Miller Investment Group, Inc.'s violations of these provisions are imputed on Plaintiff to bar the claims in this case. *See Rocha v. Metro. Prop. & Cas. Ins. Co.*, 14 S.W.3d 242 (Mo. Ct. App. 2000). Specifically, Miller Investment Group, Inc. violated the following provision of the policies:

b. Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.

- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or “suit”.

Miller Investment Group, Inc. failed to immediately send Oak River copies of all legal papers received concerning the underlying action; failed to tender the proposed settlement or other document setting forth the altered theory of recovery different from the Counterclaim, depriving Oak River of its right and opportunity to defend the underlying lawsuit on the altered theory; made agreements with Plaintiff to enable Plaintiff with regard to the settlement, order, and alleged judgment without any opposition whatsoever and without presenting any (or extremely limited) evidence; and assumed obligations in the underlying action without the consent of Oak River. As a result, Oak River suffered substantial prejudice.

6. In further answer and by way of affirmative defense, Oak River states that Plaintiff’s claims are barred in whole or part because Oak River is not bound by the superfluous and unnecessary findings in the underlying Order and Judgment as the issues regarding the applicability of the Oak River policies (and the altered theories of recovery that were not provided to Oak River) were not actually litigated and not supported by evidence submitted to the court.
7. In further answer and by way of affirmative defense, Oak River states that Plaintiff’s Petition fails as a matter of law because the alleged judgment is void and unenforceable in that:
  - a. pursuant to Article V, Section 14 of the Constitution of the State of Missouri, circuit courts in Missouri have subject matter jurisdiction only

over actions in which there is an actual case and controversy of a justiciable nature at all times, including at the time judgment is entered;

- b. any judgment entered without subject matter jurisdiction is void, unenforceable, and a nullity and may be attacked or challenged at any time in any matter;
- c. the circuit court lacked subject matter jurisdiction in the Underlying Lawsuit at the time of the alleged judgment because, at that time, there was no actual case and controversy of a justiciable nature between Plaintiff and Miller Investment Group, Inc.;
- d. therefore, the alleged judgment in is void and unenforceable;
- e. each of Plaintiff's claims depend upon and requires the existence of a valid, enforceable judgment in favor of Plaintiff and against Miller Investment Group, which does not exist because the alleged judgment is void and unenforceable;
- f. Plaintiff's claims seek a determination as to alleged duties with respect to a judgment that is void and unenforceable.

- 8. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law because Oak River is not bound by any resolutions of factual or legal questions in the underlying action, whether set forth in the alleged order, judgment or otherwise, and has a right to fully litigate any and all issues of fact or of law that may arise in this action with respect to alleged coverage under the Oak River policies, in that:

- a. a liability insurer has a right to separately litigate questions pertaining to coverage under a policy issued to a person alleged to be entitled to coverage under that policy, even if those questions were decided in litigation against that person;
- b. denying Oak River the opportunity to litigate issues pertinent to coverage would violate Oak River's rights of due process under Article I, Section 10 of the Constitution of the State of Missouri and the Fifth and Fourteenth Amendments to the United States Constitution;
- c. principles of collateral estoppel do not apply, in that:
  - (i) neither Oak River nor any person or entity in privity with Oak River was a party to the underlying action at the time of the settlement, order, and alleged judgment;
  - (ii) Oak River was not provided any notice of the altered theory of recovery on which the settlement, order, and alleged judgment were based;
  - (iii) the alleged judgment in the Underlying Lawsuit was not a decision on the merits.

9. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law because as an alleged judgment creditor of Miller Investment Group, Inc., Plaintiff stands in the shoes of Miller Investment Group, Inc. for purposes of his so-called "equitable garnishment" claim against Oak River under Section 379.200 of the Revised Statutes of Missouri and, therefore, is subject to all defenses Oak River may have not only against Plaintiff but also against Miller Investment Group, Inc.

with respect to Plaintiff's allegations that coverage is available under the Oak River policies to satisfy the alleged judgment.

10. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law because it is barred by the doctrine of unclean hands in that Plaintiff and Miller Investment Group, Inc.'s hands are unclean in that, upon information and belief, the settlement, order, and alleged judgment resulted from an altered theory not presented to Oak River for consideration and collusion between Plaintiff and Miller Investment Group, Inc.
11. In further answer and by way of affirmative defense, Oak River states that Plaintiff's claims are subject to all terms, exclusions, conditions, limitations, definitions, and other provisions of the Oak River policies.
12. In further answer and by way of affirmative defense, Oak River states that, to the extent coverage may be found under the Oak River policies, which is denied, the maximum amount Plaintiff may be entitled to recover is the policy limit of a single Oak River policy in that a claim under Section 379.200 is limited to that remedy prescribed by the statute, which includes only the proceeds of the insurance policy affording coverage. Moreover, the Oak River policies indicate that: "If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same 'accident', the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy." Therefore, the Oak River policies cannot be stacked, either vertically or horizontally.

13. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law because Plaintiff is neither a party to the Oak River policies nor a third-party beneficiary of the Oak River policies; Plaintiff has not pleaded nor received a valid assignment of claims from Miller Investment Group, Inc.; Plaintiff does not automatically step into the shoes of Miller Investment Group, Inc. for the purposes of asserting claims against Oak River simply by virtue of being a judgment creditor; and Plaintiff is not otherwise given a right or entitlement to assert the alleged claims against Oak River.
14. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law because Plaintiff is not a proper party to assert certain claims.
15. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law because Plaintiff has failed to join proper parties to this action as he is asserting on his own behalf, not on behalf of all class members.
16. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law as Oak River did not issue certain of the policies under which Plaintiff has sought to recover. Rather, certain policies were issued by Berkshire Hathaway Homestate Insurance Company (BHHIC). The Counterclaim in the underlying action was a known loss to Miller Investment Group, Inc. prior to the issuance of the BHHIC policies. Moreover, the Counterclaim was never presented or tendered to BHHIC prior to the settlement, Order, and alleged judgment in the underlying action.

17. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law to the extent it seeks declaratory judgment as Plaintiff has an adequate remedy at law.
18. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law because Oak River never had the opportunity to defend or settle Plaintiff's claims after Plaintiff altered his theory of recovery that was never tendered or presented to Oak River for potential defense.
19. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law or must be reduced as a result of Miller Investment Group, Inc.'s failure to mitigate damages in that it failed to exercise reasonable care in entering into the settlement agreement and submitting the joint order and judgment and failing to attempt to limit the amount of damages awarded to Plaintiff.
20. In further answer and by way of affirmative defense, Oak River states that Plaintiff's Petition fails as a matter of law and Plaintiff's claims are barred in whole or in part because the settlement, order, and alleged judgment do not reflect a reasonable determination of damages by a trial court based upon actual evidence. The settlement, order, and alleged judgment do not reflect what a reasonably prudent person in the position of the defendant would have settled for on the merits of the plaintiff's claim. *Gulf Ins. Co. v. Noble Broad.*, 936 S.W.2d 810 (Mo. 1997). This is demonstrated by Miller Investment Group, Inc.'s agreement to pay only \$450,000 of its own funds in the settlement. Moreover, the *Gulf Ins.* test applies in this matter because the order and alleged judgment were a result of a settlement, not a trial or adversary proceeding. Not

one scintilla of evidence was introduced at the hearings, and no witnesses provided testimony prior to the settlement, order, and alleged judgment.

21. In further answer and by way of affirmative defense, Oak River states that it hereby gives notice that it intends to rely upon other defenses that may become available or appear during the discovery proceedings in this case and hereby reserves its rights to amend its Answer to assert any such defenses.

**WHEREFORE**, having fully answered all of the counts and allegations of Plaintiff's Petition, Oak River prays that all counts of Plaintiff's Petition be dismissed, that judgment be entered in Oak River's favor and for their costs, and for such further relief as the Court deems just and proper.

Dated this 30<sup>th</sup> day of September, 2016.

**DEFENDANT’S SUGGESTIONS IN SUPPORT OF ITS MOTION FOR  
ENFORCEMENT OF DISCOVERY**

---

**COMES NOW**, Defendant Oak River Insurance Company (“Oak River”), pursuant to Mo. R. Civ. P. 61.01 and Local Rules 32.2.4 and 33.5, and submits the following Suggestions in Support of its Motion for Enforcement of Discovery.

**I. BACKGROUND**

This is an insurance coverage dispute in which Plaintiff asserts claims for “breach of duty to defend” and equitable garnishment against Oak River arising out of an underlying lawsuit by Plaintiff against Miller Investment Group, Inc. (“MIG”) and resulting judgment against MIG.

**II. PRIOR DISCOVERY DISPUTES**

There have been no prior discovery disputes.

**III. DISCOVERY SOUGHT**

Oak River seeks an order overruling Plaintiff’s objections and complete answers to its First Request for Production, First Requests for Admissions, and First Interrogatories to Plaintiff.

**IV. ARGUMENT AND ANALYSIS**

On October 27, 2016, Oak River served its First Request for Production, First Requests for Admissions, and First Interrogatories to Plaintiff. Plaintiff timely served responses to the Requests for Admissions on November 21, 2016. The parties agreed to an extension of time, as acknowledged by Plaintiff's counsel, for Plaintiff's Responses to the Interrogatories and Requests for Production of Documents to December 9, 2016. *See Exhibit #1*. Plaintiff did not serve his responses to the Interrogatories until December 13, 2016 and to the Requests for Production of Documents until December 15, 2016. *See Exhibits #2 & #3*. Plaintiff's responses were untimely and contained numerous objections. Pursuant to Local Rule 32.2.4, Oak River's counsel sent "golden rule" correspondence to Plaintiff's counsel and a "meet and confer" telephone call occurred. *See Exhibit #4*. Plaintiff agreed to answer certain subparts not previously answered. *See Exhibit #5*. The parties still dispute some of Plaintiff's objections. However, all of Plaintiff's objections should be overruled as set forth herein.

#### **A. Untimely Objections**

First, Plaintiff's objections to Oak River's Interrogatories and Requests for Production were not timely. Pursuant to Rule 61.01(a), failure to answer discovery "may not be excused on the ground that the discovery sought is objectionable unless the party failing to act has served timely objections to the discovery request..." Because Plaintiff failed to timely submit objections to Oak River's Interrogatories and Requests for Production, the objections should be overruled.

#### **B. Objections to Requests for Admissions are not valid**

Oak River's Requests for Admissions seek basic information regarding communications between MIG and Oak River. This issue is at the heart of the case because one of Oak River's defenses is that there is no coverage because MIG failed to provide notice to Oak River that Shelby had altered his theory recovery against MIG. On one hand, Plaintiff claims to have

received an assignment from MIG in order to pursue claims against Oak River. But, on the other, Plaintiff asserted in his responses to requests regarding MIG's correspondence to Oak River that "Plaintiff has made a reasonable inquiry and the information known or readily obtainable by Plaintiff is insufficient to enable Plaintiff to admit or deny, and therefore, Plaintiff denies." Plaintiff responded to Requests 15-18, 20-21, 33, 35, 37, 39, and 41 in such a manner. Plaintiff should not be permitted to use the assignment as a sword but then as a shield to avoid answering discovery. Plaintiff should be ordered to answer Requests for Admission 15-18, 20-21, 33, 35, 37, 39, and 41 with an unqualified admission or denial.

Likewise, Plaintiff improperly objected to Requests for Admission 24, 26, 27, 32, 33, 34, 36, 38, and 40 as calling for legal conclusions. A request for admission may seek "application of law to fact." Rule 59.01(a). "A request for admissions under the rule can be made as to any disputed issue, whether evidentiary or elements of the burden of proof, as well as to any propositions not in genuine dispute, whether a matter of application of fact to law or opinion." *Dynamic Computer Sols., Inc. v. Midwest Mktg. Ins. Agency, L.L.C.*, 91 S.W.3d 708, 715 (Mo. Ct. App. 2002). These requests seek information regarding the claims asserted in the underlying case – an issue of fact applied to legal principles. Plaintiff's objections should be overruled.

### **C. Objections to "Contention" Discovery Requests are not valid**

"An interrogatory otherwise proper is not necessarily objectionable merely because an answer to the interrogatory involves an opinion or contention that relates to fact or the application of law to fact..." Mo. Sup. Ct. R. 57.01. Plaintiff objected to Requests for Production 11, 18, 21, and 25 and Interrogatories 20, 21, and 22 as being contention interrogatories and requests. These objections are improper and should be overruled.

**D. Other Improper Objections to Requests for Production and Interrogatories**

Plaintiff also asserted a number of improper objections to Oak River's Requests for Production and Interrogatories. For instance, Oak River seeks communications between Plaintiff and MIG in Request 4 and Interrogatories 16 and 17 as well the documents and witnesses offered during trial, hearing or other proceeding in the underlying case in Request 16 and Interrogatories 10 and 11, but Plaintiff objected to this request as being overly broad. Plaintiff also objected to Request 15 that seeks formal or informal discovery documents as being vague. These are not a valid objections. These communications, documents exchanged by Plaintiff and MIG, and evidence offered in proceeding in the underling case are at the heart of this case. The objections should be overruled.

Plaintiff also objected to Oak River's Request 22 and Interrogatory 4 that seek information regarding the class members, the payments they received, their identities, etc. as overbroad and unduly burdensome among other objections. Plaintiff has sued Oak River on his own behalf and indicated in his interrogatory responses that "This is not a class action," but Plaintiff seeks to recover the entirety of the underlying judgment that was awarded to the entire class of 2,349 people. The Underlying Final Order stated that "MIG assigns to the Settlement Class...all of its rights under all insurance policies...from which Shelby and the Settlement Class will seek to recover." Moreover, there is no indication that any member of the Settlement Class assigns his or her rights to garnish or otherwise seek recovery on the judgment obtained against MIG. Again, Plaintiff cannot have it both ways. He cannot assert claims belonging to all these persons without identifying them. To the extent Plaintiff is seeking only his portion of the underlying judgment, Plaintiff's damages in this case should be reduced to 1/2349<sup>th</sup> of the underlying judgment.

Plaintiff objected to Oak River's Requests 23 and 24, which seek information regarding Plaintiff's damages and the underlying judgment calculation as seeking work product information. These requests do not seek information protected by work product. They seek information supporting the damages sought in the underlying case and in this case. Plaintiff also objected to Interrogatory 8 that the word "itemize" was vague and Plaintiff only stated to see the prayers of relief from his Petition. "Itemize" is taken directly from the standard interrogatories in this Circuit. Plaintiff should be compelled to answer with specific categories and amounts of damages sought in this case.

Plaintiff also objected to Interrogatory 4, which sought the basis for Plaintiff to assert its claim for Breach of Duty to Defend, on the basis of work product. This interrogatory is not seeking work production information. It seeks the basis in fact for Plaintiff to assert the claim when Oak River does not owe any duties to Plaintiff himself. This objection should be overruled.

Finally, Interrogatory 24 seeks the factual basis, supporting documents, and witnesses for any denials of Oak River's requests for admissions. Plaintiff objected to the interrogatory as being overbroad and unduly burdensome. This interrogatory in conjunction with the requests for admissions seeks to narrow the issues in this case and discover factual information for any issues that Plaintiff does in fact dispute. It is not overbroad or unduly burdensome for Plaintiff to provide this information.

## **V. SANCTIONS SOUGHT**

Oak River seeks an Order compelling Plaintiff's full, complete responses to Oak River's First Request for Production, Request for Admissions, and First Interrogatories within ten (10) days pursuant to Rule 61.01(b) and (d) and Local Rule 32.2.4.

Subject: RE: Quenton Shelby v. Oak River Insurance Company, Case No. 1616-CV17924

Ms. Koger:

I have had a chance to review your objections to our discovery and the attached privilege log. It appears all the documents in the privilege log are part of the claims file based on Oak River's response to Request No. 1. Is that correct? If so, I ask you withdraw those objections and produce all documents listed in the privilege log based on Grewell:

In Grewell I, the Supreme Court made it clear that an insurance claims file belongs to the insured. 102 S.W.3d at 37. The Court concluded State Farm should provide the Grewells with free and open access to their file. Id. Despite this holding, State Farm refused to release copies of certain file documents based on the work product privilege. State Farm had asserted the same privilege in Grewell I without success.

Grewell v. State Farm Mut. Auto. Ins. Co., 162 S.W.3d 503, 507 (Mo.App. W.D.2005).

Please let me know how you wish to proceed and let this serve as our good faith attempt to resolve this discovery matter. Thank you.

**SIXTEENTH JUDICIAL CIRCUIT COURT  
JACKSON COUNTY, MISSOURI**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 6

Answers and Objections to  
Defendant's First Interrogatories to Plaintiff

Plaintiff, through the undersigned attorneys, answers and objects to Defendant's First Interrogatories:

1. State your full name, date of birth, and social security number.

**ANSWER: Quenton Gregory Shelby; March 25, 1995; \*\*\*-\*\*-2435.**

2. State the addresses at which you have resided for the past ten (10) years, and for each such address state the names and telephone numbers of all person who at any time resided with you there, and the periods of time during which those individuals resided there with you.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. The requested information is also overbroad, unduly burdensome and seeks information not reasonably calculated to lead to admissible evidence. Subject to this objection:**

**Plaintiff does not remember the exact dates, but the following are his past addresses in reverse chronological order:**

3441 Agnes Ave, Kansas City, MO 64128  
7350 State Ave, Apt. 212, Kansas City, KS 66112  
7919 Agnes Ave, Kansas City, MO 64132  
7919 Agnes Ave, Kansas City, MO 64132  
1410 E. 9<sup>th</sup> St, Apt. 201, Kansas City, MO 64106  
1106 Paseo, Apt. 202, Kansas City, MO 64106

3. State whether you are presently married and, if you are, the name of your spouse.  
Regardless of whether you are presently married, state whether you were ever previously married and, if you were, the name of each previous spouse.

ANSWER: No.

4. In Paragraph 2 of your Petition, you state that you were appointed class representative of a class of persons in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. Please state the following:
  - a. The authority under which you purport to be class representative in that matter;
  - b. The names, addresses, and telephone numbers of all members of the class in that matter; and
  - c. Whether you purport to assert the present action as a class representative of the class or any other persons and, if so, the authority under which you purport to do so.

ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Plaintiff will answer the first two subparts.

- a. See the settlement agreement, preliminary approval order, final approval order and judgment in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.
- b. Objection. There were over 2,300 class members, so the requested information is overbroad, unduly burdensome and seeks information not reasonably calculated to lead to admissible evidence. Providing the requested information would also potentially violate the Gramm-Leach-Bliley Act, 15 U.S.C. §§ 6801(a), 6802(a), and 6809(4)(A), which protects the security and confidentiality of customer's nonpublic personal information. Under the settlement agreement, preliminary approval order, final approval order and judgment in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, the names, addresses and other personal information of the members of the Settlement Class were omitted from the public filings to protect their privacy. Providing this information to Defendant would require an order from the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

5. State the basis for you to assert a claim for Count I of your Petition for Breach of Duty to Defend, including, but not limited to, the identity and description of any documents or agreements between you and Miller Investment Group, Inc. or any other person you contend confers upon you any basis to assert the claim.

**ANSWER: To the extent this interrogatory seeks mental impressions, conclusions, opinions, and legal theories of Plaintiff's attorneys, Plaintiff objects.**

**Subject to this objection, see the allegations in the Petition (including exhibits) in this matter, all documents of record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, and Defendant's answers and responses to discovery.**

6. State the dates you, Miller Investment Group, Inc. and/or anyone acting on your or their behalf sent communication to Oak River or anyone you believe was acting on its behalf regarding *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. For each such date, state:
  - a. The parties or individuals to the communication;
  - b. The method of communication (oral, written, etc.);
  - c. The substance of the communication; and
  - d. If the communication was written or electronic, provide a copy of the written or electronic communication.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Plaintiff will answer the first two subparts.**

**For Plaintiff, see documents bates labeled Oak River 696 through 700. Plaintiff does not know the dates Miller Investment Group, Inc. and/or anyone acting on its behalf sent communication to Oak River or anyone Plaintiff believes was acting on Oak River's behalf regarding *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 other than what is in Defendant's answers and responses to discovery.**

7. State the dates you, Miller Investment Group, Inc. and/or anyone acting on your or their behalf received communication from Oak River or anyone you believe was acting on its behalf regarding *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. For each such date, state:
  - a. The parties or individuals to the communication;
  - b. The method of communication (oral, written, etc.);
  - c. The substance of the communication; and
  - d. If the communication was written or electronic, provide a copy of the written or electronic communication.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Plaintiff will answer the first two subparts.**

**Excluding discovery in this matter and Oak River's attorney's in this matter, Plaintiff has received no communication from Oak River. Plaintiff does not know the dates Miller Investment Group, Inc. and/or anyone acting on its behalf received communication from Oak River or anyone Plaintiff believes was acting on Oak River's behalf regarding Miller Investment Group v. Shelby, Case No. 1216-CV24936 other than what is in Defendant's answers and responses to discovery.**

8. Itemize the damages you are seeking in this lawsuit.

**ANSWER: Objection. Defendant's request to "itemize" damages is too vague to answer.**

**Subject to this objection, the damages Plaintiff seeks are set out in the prayers for relief of each Count of the Petition.**

9. State the method in which all damages alleged by you and the class in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 were calculated.

**ANSWER: \$11,502,117.85 of the damages was calculated under §§ 408.562, 400.9-625(c)(2) and (e), which provides a liquidated sum for uncertain and hard-to-quantify actual damages, including, loss of use of tangible property and cost of alternative transportation; loss resulting from the inability to obtain, or increased costs of, alternative financing; harm to credit worthiness, credit standing, credit capacity, character, and general reputation; harm**

caused by defamation, slander and libel; harm caused by invasion of privacy; and other uncertain and hard-to-quantify actual damages.

\$3,381,901.28 of the damages was calculated under §§ 365.152, 408.562, and 400.9-625.

\$4,117,776.03 of the damages was calculated under the prejudgment interest statutes.

10. Identify by name, address, and telephone number of the persons who testified in any trial, hearing, or other proceeding in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**ANSWER: Objection. This interrogatory is overbroad and unduly burdensome as it covers all any trial, hearing or other proceeding in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. For example, the identity of witness at the hearing on the motion to compel arbitration would not lead to the discovery of admissible evidence.**

**Subject to this objection, the attorneys of record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.**

11. Describe and attach the documents admitted into evidence at any trial, hearing, or other proceeding in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**ANSWER: Objection. This interrogatory is overbroad and unduly burdensome as it covers all evidence at any trial, hearing or other proceeding in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. For example, describing documents admitted into evidence at the hearing on the motion to compel arbitration would not lead to the discovery of admissible evidence.**

**Subject to this objection, see the record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 and Plaintiff's responses to Defendant's requests for production.**

12. Identify by name, address, occupation, place of employment, and qualifications to provide an expert opinion all retained experts you expect or intend to call at trial, and state the general subject matter on which the person will testify and the person's hourly fee for providing testimony and other services as a retained expert. (In lieu of stating a person's qualifications to provide an expert opinion in your answer to this interrogatory, you may provide a copy of the person's current curriculum vitae.)

**ANSWER: Plaintiff has not determined what expert witnesses it expects to call at trial.**

13. Identify by name, address, and field of expertise all non-retained experts you expect or intent to call at trial.

**ANSWER: Plaintiff has not determined what expert witnesses it expects to call at trial.**

14. Have you ever pleaded guilty to or been convicted of a felony or misdemeanor? If your answer is in the affirmative, state for each such guilty plea and conviction the nature of the offense and the date and court of disposition.

**ANSWER: No.**

15. For every contract or agreement entered into by and between you, the class, and/or Miller Investment Group, Inc. relating to *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 and the claims asserted therein, including but not limited to settlement agreements, assignments, releases, contracts to limit recovery, covenants not to sue, and covenants not to enforce or execute a judgment, state who first proposed or offered it and the date, the date its material terms were accepted by the offeree or otherwise agreed upon, the date those material terms were reduced to writing, the date the writing was signed by you, and the date the writing was signed by Miller Investment Group, Inc.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Plaintiff will answer the first two subparts.**

**The only agreement between the parties was the settlement agreement. Plaintiff does not know who first proposed or offered it as it was the result of a mediation on April 21, 2015.**

16. With respect to every verbal conversation between you or any of your attorneys, on the one hand, and Miller Investment Group, Inc. or any employee, agent or attorney of Miller Investment Group, Inc., on the other hand, in which there was mentioned an offer to settle (or rejection of the same) any of your or the class's claims against Miller Investment Group,

Inc., state the date of the conversation, whether the conversation was in person, by telephone, or by some other means, the names of all persons participating in the conversation and all other persons who heard any portion of the conversation, what was said during the conversation by each person participating in it, and whether the conversation or any portion of it was recorded.

**ANSWER: Objection. This interrogatory is overbroad and unduly burdensome by seeking details regarding every verbal conversation between the parties regarding settlement. This interrogatory also violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Subject to this objection:**

**All relevant settlement conversations took place at mediation on April 21, 2015.**

17. Identify every offer by you or the class (including class representative(s)), whether communicated by you personally or by someone acting on your behalf, to settle any of your or the class's claims against Miller Investment Group, Inc. relating to *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, stating for each the names of all persons to whom the offer was communicated and the date it was so communicated, the name of the person who communicated the offer and the manner in which it was so communicated (e.g., by letter, in person, by telephone, et cetera), the amount demanded and all other terms of the settlement offered, and any deadline communicated for acceptance of the offer.

**ANSWER: Objection. This interrogatory is overbroad and unduly burdensome by seeking details regarding every offer by Plaintiff. Describing in detail all the offers that went back and forth at the lengthy mediation alone would be unduly burdensome. This interrogatory also violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Subject to this objection:**

**All relevant settlement conversations took place at mediation on April 21, 2015.**

18. Do you contend Oak River was provided any legal document from *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 other than the Petition for Deficiency, Answer

and Counterclaim, Quenton Shelby's First Requests for Production Directed to Miller Investment Group, and Quenton Shelby's First Set of Interrogatories Directed to Miller Investment Group, before Miller Investment Group, Inc. entered into a settlement agreement with you and the class? If your answer is in the affirmative, state the date on which you contend such legal document was provided. Also if your answer is in the affirmative, state all facts you contend support those contentions and identify each legal document you contend supports those contentions by description and the location where it may be found.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Plaintiff will answer the conforming part of this interrogatory.**

**Plaintiff does not know whether Oak River was provided documents other than those listed or otherwise appearing in Oak River's claims file.**

19. Do you contend Oak River was provided with any settlement agreement, proposed order, or proposed judgment from *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 either before Miller Investment Group, Inc. entered into a settlement agreement with you or before the class and Miller Investment Group, Inc. consented to the entry of the proposed order and proposed judgment? If your answer is in the affirmative, state the date on which you contend such legal document was provided. Also if your answer is in the affirmative, state all facts you contend support those contentions and identify each legal document you contend supports those contentions by description and the location where it may be found.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Plaintiff will answer the conforming part of this interrogatory.**

**Plaintiff does not know whether Oak River was provided documents other than those listed or otherwise appearing in Oak River's claims file.**

20. Do you contend Miller Investment Group, Inc. complied with all duties imposed upon it and conditions to coverage under the terms of its insurance policies with Oak River? If your answer is in the affirmative, state all facts you contend support that contention and identify each document you contend supports that contention by description and the location where it may be found.

**ANSWER: Objection. This contention interrogatory calls for a pure legal conclusion, is premature and is otherwise improper.**

**Subject to this objection, yes. Plaintiff provided notice of the lawsuit and related papers, cooperated with Defendant until it no longer had a duty to cooperate with Defendant and otherwise complied with the terms of the policies. See the documents from Defendant's answers and responses to discovery and the documents produced by Plaintiff.**

21. Do you contend Oak River owed a duty under the terms of its insurance policies with Miller Investment Group, Inc. to defend Miller Investment Group, Inc. in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936? If your answer is in the affirmative, state all facts you contend support that contention and identify each document you contend supports that contention by description and the location where it may be found.

**ANSWER: Objection. This contention interrogatory calls for a pure legal conclusion, is premature and is otherwise improper.**

**Subject to this objection, yes. See Plaintiff's Petition (including exhibits), the documents of record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, the documents from Defendant's answers and responses to discovery, and the documents produced by Plaintiff.**

22. Do you contend that if Oak River had provided a defense Miller Investment Group, Inc. in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, judgment would not have been entered in that case or would have been entered in a lesser amount? If your answer is in the affirmative, state all facts you contend support that contention and identify each

document you contend supports that contention by description and the location where it may be found.

**ANSWER: Objection. This contention interrogatory calls for a pure legal conclusion, is premature and is otherwise improper.**

**Subject to this objection, had Defendant provided a defense, it is possible a judgment would not have been entered or would have been entered in a lesser amount.**

23. Identify the insurance policies in effect from 2008 to 2015 that comprise Miller Investment Group, Inc.'s insurance program or under which Miller Investment Group, Inc. is an insured. For each policy, state:

- a. The name of the insurance company;
- b. The name of the named insured;
- c. The type of policy;
- d. The policy period;
- e. The policy number;
- f. The applicable policy limits; and
- g. Attach the policies to your responses.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. Plaintiff will answer the conforming part of this interrogatory.**

**The only policies known to Plaintiff are those attached to his Petition and those produced with Defendant's answers and responses to discovery.**

24. If you deny any of the requests contained in Oak River's First Requests for Admissions to Plaintiff, for each denial please state the following:

- a. A description or list of all other documents that provide a basis or support for the denial, and provide a copy of such documents relied upon for the denial;

- b. The names, addresses and telephone numbers of the person or persons whose knowledge or testimony provides the basis or support for the denial; and
- c. The basis in fact as to support the denial.

**ANSWER: Objection. This interrogatory violates Local Rule 32.2.1 because it has more than two subparts and Defendant failed to obtain leave to serve interrogatories other than those permitted by Local Rule 32.2.1. This interrogatory is also overbroad, unduly burdensome and seeks to circumvent the limit of interrogatories imposed by Local Rule 32.2.1.**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 6

Responses and Objections to Defendant's  
First Requests for Production of Documents to Plaintiff  
Plaintiff, through the undersigned attorneys, responds and objects to Defendant's First

Requests for Production of Documents:

1. Documents identified in your answers to Oak River's First Interrogatories to you.

**RESPONSE: None other than those already in Defendant's possession.**

2. Communications sent or received by you (including your attorneys) to or from Oak River regarding *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE: None other than those already in Defendant's possession.**

3. Communications sent or received by Miller Investment Group, Inc. (including their attorneys) to or from Oak River regarding *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE: None other than those already in Defendant's possession.**

4. Communications sent or received by you (including your attorneys) to or from Miller Investment Group, Inc. (including its attorneys) regarding *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE: Objection. This request is overly broad and unduly burdensome by seeking all communication in the underlying litigation. For example, it would require production of emails regarding scheduling matters that would be irrelevant and not lead to admissible evidence. Subject to this objection:**

**The communications Plaintiff could locate are bates labeled Shelby 1–342, 345–373.**

5. Statements from Oak River or its employees regarding *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE: None other than those already in Defendant’s possession.**

6. The settlement agreement, release, or similar documents(s) reflecting any settlement or satisfaction of any claim asserted by you or the class in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE: This document is publicly available on Missouri Case.net in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.**

7. Contracts or agreements entered by and between you, the class, and/or Miller Investment Group, Inc. relating to *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 and/or the claims asserted therein, including but not limited to any assignments, releases, contracts to limit recovery, covenants not to sue, covenants not to enforce or execute a judgment, and/or agreements pursuant to Mo. Rev. Stat. § 537.065 or of a similar nature.

**RESPONSE: The settlement agreement filed with the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.**

8. The curriculum vitae for the expert witnesses, whether retained or non-retained, that you expect to call at trial.

**RESPONSE: Plaintiff does not know what expert witnesses it expects to call at trial.**

9. The materials furnished to or generated by the expert witnesses, whether retained or non-retained, that you expect to call at trial.

**RESPONSE: Plaintiff does not know what expert witnesses it expects to call at trial.**

10. A list of cases in which your expert witnesses, whether retained or non-retained, have testified in the past five (5) years.

**RESPONSE: Plaintiff does not know what expert witnesses it expects to call at trial.**

11. The rules, regulations, laws, statutes, ordinances, codes, standards, or other documents which you contend support your allegations against Oak River in this matter.

**RESPONSE: Objection. This is a premature and improper contention request for production. Although the Rule of Civil Procedure provide for certain contention interrogatories at the proper time, there is no comparative provision in Rule 58.01. Plaintiff also objects to the interrogatory as calling for documents that would clearly be attorney-client privilege and work-product. For example, if Plaintiff's attorneys reduced to writing their mental impressions, conclusions, opinions, and legal theories, that would be an "other document" supporting the allegations against Oak River in this matter. Finally, the request is unduly burdensome because copies of the requested documents are publicly available or equally available to Defendant.**

12. The documents between you and Miller Investment Group, Inc. regarding the vehicle you financed and purchased.

**RESPONSE: See documents bates labeled Oak River 10 through Oak River 13.**

13. The final and any drafts or other versions of the joint motion for approval, settlement agreement, and any exhibits thereto exchanged between you, the class, Miller Investment Group, Inc., and/or the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE: The final versions were filed with the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 and are available to Defendant. The drafts that Plaintiff could locate are bates labeled Shelby 1-342.**

14. The final and any drafts or other versions of the orders, judgment, and any exhibits thereto exchanged between you, the class, Miller Investment Group, Inc., and/or the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE:** The final versions were filed with the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 and are available to Defendant. The drafts that Plaintiff could locate are bates labeled Shelby 1–342.

15. The pleadings and discovery documents (formal or informal) served on or exchanged between the parties in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE:** Objection. The request is vague as to informal discovery documents. The pleadings are available to Defendant on Missouri Case.net in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. The discovery documents served or exchanged are in Defendant's possession at Oak River 00034 through Oak River 00063 and Oak River 00103 through Oak River 00133.

16. The documents offered and/or admitted in evidence during any trial, hearing, or other proceeding held in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE:** Objection. This request is overly broad and unduly burdensome by seeking all documents offered in the underlying litigation. For example, it would require production of documents offered into evidence on the arbitration hearing, which is neither relevant nor calculated to lead to admissible evidence here.

17. Transcripts of any trial, hearing, or other proceeding held in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE:** None other than those already in Defendant's possession.

18. Documents which you contend set forth any findings of fact or conclusions of law reached by any judge in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE:** Objection. This is a premature and improper contention request for production. Although the Rule of Civil Procedure provide for certain contention interrogatories at the proper time, there is no comparative provision in Rule 58.01.

Subject to this objection, see all orders and judgments in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

19. Documents reflecting or evidencing any payment Miller Investment Group, Inc. (or anyone on its behalf) has made to you, the class, or your attorneys with regard to *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 or the claims asserted by you therein, or any claim asserted by you in this action, including but not limited to copies of checks, correspondence accompanying, enclosing, or transmitting payment, and any contracts or agreements calling for such payment.

**RESPONSE:** See the settlement agreement, final order, and final judgment in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. Copies of the checks are bates labeled Shelby 343–344.

20. Communications or other documents by which any person or entity offered, rejected, or accepted any settlement or compromise of any claim that was or could have been asserted in or arising out of *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE:** See the final versions of the settlement documents filed with the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. The drafts and communications that Plaintiff could locate are bates labeled Shelby 1–342, 345–373.

21. Documents that you contend grant you the authority to act as class representative for the class in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 or this lawsuit.

**RESPONSE:** Objection. This is a premature and improper contention request for production. Although the Rule of Civil Procedure provide for certain contention interrogatories at the proper time, there is no comparative provision in Rule 58.01.

Subject to this objection, see all orders and judgments in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

22. Documents identifying the class members, all payments that they received, their addresses, and/or telephone numbers of *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

**RESPONSE:** Objection. There were over 2,300 class members, so the requested information is overbroad, unduly burdensome and seeks information not reasonably calculated to lead to admissible evidence. Providing the requested information would also potentially violate the Gramm-Leach-Bliley Act, 15 U.S.C. §§ 6801(a), 6802(a), and 6809(4)(A), which protects the security and confidentiality of customer’s nonpublic personal information. Under the

settlement agreement, preliminary approval order, final approval order and judgment in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, the names, addresses and other personal information of the members of the Settlement Class were omitted from the public filings to protect their privacy. Providing this information to Defendant would require an order from the Court in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936.

23. Documents that support the damages you are seeking in this lawsuit.

**RESPONSE:** Plaintiff also objects to the interrogatory as calling for documents that would clearly be attorney-client privilege and work-product. For example, if Plaintiff's attorneys reduced to writing their mental impressions, conclusions, opinions, and legal theories regarding the damages they seek in this lawsuit, those would be documents supporting the damages they seek.

Subject to this objection, see the exhibits attached to the Petition in this matter and the documents of record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936. See also the documents in Defendant's possession or that it produced in response to discovery. See also the final hearing exhibit bates labeled Shelby 374-424.

24. Documents demonstrating or supporting the method and manner in which all damages alleged by you and the class in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 were calculated.

**RESPONSE:** Plaintiff also objects to the interrogatory as calling for documents that would clearly be attorney-client privilege and work-product. For example, if Plaintiff's attorneys reduced to writing their mental impressions, conclusions, opinions, and legal theories regarding the damages alleged by them or how they were calculated, those would be documents responsive to this request but protected by work-product.

Subject to this objection, see the final hearing exhibit bates labeled Shelby 374-424. See also Missouri statutes.

25. Communications and other documents by which you contend you, the class, or Miller Investment Group, Inc. provided any legal document from *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 to Oak River.

**RESPONSE:** Objection. This is a premature and improper contention request for production. Although the Rule of Civil Procedure provide for certain contention interrogatories at the proper time, there is no comparative provision in Rule 58.01.

Subject to this objection, see the documents in Defendant's possession or that it produced in response to discovery. See also the exhibits attached to the Petition in this matter and the

documents of record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, which at a minimum were constructively provided to Oak River.

26. Communications and other documents by which you, the class, or Miller Investment Group, Inc. provided any proposed motion, settlement agreement, proposed order, or proposed judgment from *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 to Oak River.

**RESPONSE:** See the documents in Defendant's possession or that it produced in response to discovery. See also the exhibits attached to the Petition in this matter and the documents of record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, which at a minimum were constructively provided to Oak River.

27. Communications and other documents by which you, the class, or Miller Investment Group, Inc. tendered *Miller Investment Group v. Shelby*, Case No. 1216-CV24936 to Oak River for defense.

**RESPONSE:** See the documents in Defendant's possession or that it produced in response to discovery. See also the exhibits attached to the Petition in this matter and the documents of record in *Miller Investment Group v. Shelby*, Case No. 1216-CV24936, which at a minimum were constructively provided to Oak River.

28. Diaries and journals created or maintained by you from January 1, 2008 to the present.

**RESPONSE:** None.

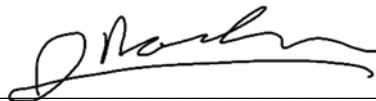

29. Documents you intend to offer as evidence during the trial of this action.

**RESPONSE:** Objection. Calls for work-product.

30. The insurance policies in effect from 2008 to 2015 that comprise Miller Investment Group, Inc.'s insurance program or under which Miller Investment Group, Inc. is an insured.

**RESPONSE:** The only policies Plaintiff is aware of are attached to his Petition or were produced by Defendant in response to his discovery requests.

**Re:** *Quenton Shelby v. Oak River Insurance Company*  
 Case No. 1616-CV17924  
 Our File No.: 102011-4  
**Plaintiff's Responses to Discovery**

Dear Jesse:

We wanted to follow up on our telephone conversation regarding Plaintiff's discovery responses. To that end, we wanted to address some of Plaintiff's objections to Oak River's Interrogatories and Requests for Production of Documents. As we mentioned on the phone, our primary goal is to confirm that Plaintiff is not withholding any documents that Miller Investment Group ("MIG") may claim it sent to Oak River that may have been provided to you by MIG. From our conversation, it appears that cooperation from MIG is limited such that the best way to proceed is to serve a subpoena on MIG.

Additionally, as discussed, Plaintiff's objections were untimely such that they are waived. In particular, Plaintiff's objections based on Local Rule 32.2.1 are not valid. As we mentioned on the phone, Local Rule 32.2.1 is not strictly adhered to in local practice. (In fact, the approved interrogatories for automobile accidents do not comply with Local Rule 32.2.1.) We request that Plaintiff provide complete responses to the following interrogatories to which Plaintiff did not answer completely:

- Interrogatory #4;
- Interrogatory #6;
- Interrogatory #7;
- Interrogatory #15;
- Interrogatory #16;
- Interrogatory #17;
- Interrogatory #18;

Jesse B. Rochman  
January 17, 2017  
Page 2

- Interrogatory #19;
- Interrogatory #23; and
- Interrogatory #24.

Please withdraw the objections and provide complete responses to these interrogatories.

Finally, there are a number of interrogatories and requests for production that Plaintiff objected to on the basis that they seek contentions of “pure legal conclusions” and are premature. These interrogatories and requests seek basic contentions regarding the allegations in Plaintiff’s Petition and the issues in this matter. Please withdraw these objections and provide complete responses to the contention interrogatories.

If you wish to discuss these matters further, we are happy to discuss this further. Please consider this a “golden rule” letter under the local rules.

Very truly yours,

Motion to Enforce Discovery

Plaintiff Quenton Shelby ("Plaintiff"), under Mo. R. Civ. P. 61.01 and Local Rules 32.2.4 and 33.5, moves the Court to enforce discovery in this matter, overrule Defendant's objections, and specifically compel Defendant to provide all documents in the claim file before May 15, 2013. **SIXTEENTH JUDICIAL CIRCUIT COURT  
JACKSON COUNTY, MISSOURI**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 6

Plaintiff's Suggestions to Support his  
Motion to Enforce Discovery

Plaintiff Quenton Shelby ("Plaintiff"), under Mo. R. Civ. P. 61.01 and Local Rules 32.2.4 and 33.5, respectfully submits his suggestions to support his motion to enforce discovery:

**I. Statement of case (type and status)**

Plaintiff sued Oak River for declaratory judgment, breach of multiple insurance contracts, including a breach of duty to defend, and an equitable garnishment under RSMo § 379.200. Shelby seeks to reach and apply insurance money to satisfy a final judgment entered in Shelby's favor for the certified class ("Class") in *Miller Investment Group v. Shelby*, No. 1216-CV24936 ("Underlying Litigation").

**II. Prior discovery disputes**

There have been no other prior discovery disputes other than the dispute, which is the subject of Defendant's motion to enforce discovery filed on February 16, 2017.

**III. Discovery sought**

Plaintiff seeks an order overruling Defendant's objections and compelling Defendant to provide all documents in the claim file before May 15, 2013.

#### IV. Issues raised by discovery dispute

Defendant objects to producing items in the claim file because it asserts:

Quenton Shelby is not an insured under any insurance policy issued by Oak River. There is no insurer/insured relationship between Shelby and Oak River that would entitle Shelby to production of the documents on the privilege log. You do not represent an insured and are not asserting any claim on behalf of any insured. Therefore, *Grewell* does not apply in this scenario.

See **Exhibit A** (attached).

#### V. Citations and argument supporting discovery

Although Shelby does not represent an insured, Shelby (as representative of the Settlement Class in the Underlying Litigation) was assigned the rights of Miller Investment Group, Inc. (“MIG”) (a named insured on at least eight garage policies with Oak River, *see* Petition, ¶ 6), which includes the right to “free and open access to that file.” *Grewell v. State Farm Mutual Automobile Insurance Company*, 102 S.W.3d 33 (Mo. banc 2003).

An assignment delivers to an assignee the rights of an assignor. *Holt v. Myers*, 494 S.W.2d 430, 437 (Mo. App. 1973). “When there is an assignment of an entire claim there is a complete divestment of all rights from the assignor and a *vesting of those same rights in the assignee*.” *Id.* (emphasis added). Thus, when a claim is assigned, the assignee becomes the real party in interest entitled to assert the assignor’s claim *and to recover the assignor’s damages*. *See, e.g., DeBaliviere Place Ass’n v. Veal*, 337 S.W.3d 670, 677-78 (Mo. banc 2011) (holding assignment allowed assignee to “collect prior assessments owed to” the assignor); *Renaissance Leasing, LLC v. Vermeer Mfg. Co.*, 322 S.W.3d 112, 128 (Mo. banc 2010).

Per Exhibit 9 to the Petition, Judge Campbell of Jackson County ordered the assignment of all MIG’s rights under the insurance policies to Shelby as representative of the Settlement Class:

MIG assigns to the Settlement Class (represented by Shelby and his attorneys) all of its rights under all insurance policies in effect from January 10, 2008, to April 21, 2015, from which Shelby and the Settlement Class will seek to recover. Shelby

and his attorneys may pursue an action against MIG's insurers and attempt to recover against any effective insurance policies. Any recovery from the insurers will add to the benefits made available to the Settlement Class under the Agreement, and the Settlement Class Members who submitted valid claims for payment will receive the funds remaining from any recovery from the insurers after attorney's fees and costs are deducted.

See Exhibit 9 to the Petition, ¶ 8.

In *Grewell*, the Missouri Supreme Court addressed whether insureds are entitled to have access to their liability insurance claim file. The court noted that the relationship between insurer and insured is like the relationship between attorney and client. *Id.* (citing *State ex rel. Cain v. Barker*, 540 S.W.2d 50 (Mo. 1976)). And, just as an attorney's file belongs to the client, the insurer's file similarly belongs to the insured. *Id.* (citing *In the Matter of Gary M. Cupples*, 952 S.W.2d 226, 234 (Mo. 1997) (attorney's file belongs to client)). However, *Grewell* applies only to materials created before the relationship between insurer and insured became adversarial. *McConnell v. Farmers Ins. Co., Inc.*, 2008 WL 510392, at \*2, No. 07-4180-CV-C-NKL (W.D. Mo. Feb. 25, 2008) (ordering insurer to disclose claims file contents created before formal denial of claim).

Here, MIG has a right to its claim file and assigned that right to the Settlement Class in the Underlying Litigation, which is represented by Shelby and the undersigned attorneys. Defendant's formal denial of claim was dated March 15, 2013, so any material created or placed in the claims file before that date should be disclosed. *Id.*

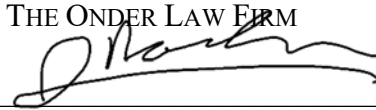

## **VI. Sanctions sought**

Plaintiff moves the Court to enforce discovery in this matter, overrule Defendant's objections, and specifically compel Defendant to provide all documents created or placed in the claim file before May 15, 2013.

           Case No. 1616-CV17924  
           Our File No.: 102011-4  
           **Response to Golden Rule Correspondence**

Dear Jesse:

We write in response to your November 16, 2016 email correspondence requesting that Oak River withdraw its objections and produce all documents in its privilege log “based on [*Grewell v. State Farm Mut. Auto. Ins. Co.*, 162 S.W.3d 503 (Mo. Ct. App. 2005)].” Upon review of the authority you cited, we cannot agree to your request because *Grewell* does not apply to the present scenario.

The holding in *Grewell* was based upon the fact that the parties seeking the privileged documents in the claim file were the insureds, who had an insurer/insured relationship with their insurance company. As alleged in your Petition, you represent third-party claimant Quenton Shelby who previously made a claim against Miller Investment Group, Inc. The Petition asserts only claims on behalf of Shelby – not anyone else.

Your responses to Oak River’s Requests for Admissions bolster the conclusion that you do not represent any other entity, including Miller Investment Group, Inc., and are not asserting any claims on behalf of any person or entity other than Shelby. For instance, Oak River’s Requests 15 through 18 discussed actions and inactions of Miller Investment Group, Inc. in relation to Oak River. To each request, Shelby indicated that “Plaintiff has made a reasonable inquiry and the information known or readily obtainable by Plaintiff is insufficient to enable Plaintiff to admit or deny, and therefore, Plaintiff denies this requested admission.” If you represented Miller Investment Group, Inc. or were asserting claims on its behalf, you would be able to admit or deny these requests for admissions. Thus, it is clear that you do not represent Miller Investment Group, Inc. and are not asserting claims on its behalf in this case.

Jesse B. Rochman  
November 29, 2016

Quenton Shelby is not an insured under any insurance policy issued by Oak River. There is no insurer/insured relationship between Shelby and Oak River that would entitle Shelby to production of the documents on the privilege log. You do not represent an insured and are not asserting any claim on behalf of any insured. Therefore, *Grewell* does not apply in this scenario.

We are unaware of any Missouri authority that has extended *Grewell* to third parties outside the insurer/insured relationship. If you have any further authority beyond *Grewell*, please provide it to us for our consideration. We are happy to review any other authority in good faith consideration of this dispute.

Very truly yours,

Ms. Koger:

I have had a chance to review your objections to our discovery and the attached privilege log. It appears all the documents in the privilege log are part of the claims file based on Oak River's response to Request No. 1. Is that correct? If so, I ask you withdraw those objections and produce all documents listed in the privilege log based on *Grewell*:

In *Grewell I*, the Supreme Court made it clear that an insurance claims file belongs to the insured. 102 S.W.3d at 37. The Court concluded State Farm should provide the Grewells with free and open access to their file. *Id.* Despite this holding, State Farm refused to release copies of certain file documents based on the work product privilege. State Farm had asserted the same privilege in *Grewell I* without success.

*Grewell v. State Farm Mut. Auto. Ins. Co.*, 162 S.W.3d 503, 507 (Mo.App. W.D.2005).

Please let me know how you wish to proceed and let this serve as our good faith attempt to resolve this discovery matter. Thank you.

**SIXTEENTH JUDICIAL CIRCUIT COURT  
JACKSON COUNTY, MISSOURI**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 6

Plaintiff's Suggestions to Oppose  
Oak River's Motion to Enforce Discovery

Plaintiff Quenton Shelby ("Plaintiff"), through his undersigned attorneys, respectfully submits his suggestions to oppose Defendant Oak River Insurance Company's ("Oak River") motion to enforce discovery:

Oak River seeks an order overruling Plaintiff's objections and complete answers to its first set of discovery to Plaintiff. Oak River argues Plaintiff's objections to the interrogatories and requests for production were untimely or otherwise invalid. The Court should deny Oak River's motion because it failed to sincerely try to resolve all the issues regarding its motion to enforce and its arguments are otherwise without merit.

**I. Oak River failed to sincerely try to resolve the discovery dispute.**

Under Local Rule 33.5, Oak River had to make a "sincere attempt" to resolve the differences regarding its motion to enforce discovery. Failure to do so, is sufficient ground to deny the motion. *See* Local Rule 33.5.5. Oak River attached Exhibit 4 as its "golden rule" correspondence. *See* Oak River's Suggestions in Support, p. 2. Exhibit 5 to Oak River's motion is Plaintiff's response to the golden rule letter.

Exhibit 4 shows Oak River did not try to resolve the differences regarding the objections to the request for admissions, so this alone justifies denying that part of Oak River's motion.

On the objections to Oak River's interrogatories and requests for production, Oak River's attempt to resolve those objections before filing its motion to enforce was not sincere. Oak River explained that its "primary goal is to confirm that Plaintiff is not withholding any documents that Miller Investment Group ("MIG") may claim it sent to Oak River that may have been provided to [Plaintiff] by MIG." *See* Exhibit 4. Plaintiff confirmed that he has produced all documents he knows of that MIG may claim it sent to Oak River. As Oak River recognized itself, the best way to confirm this "is to serve a subpoena on MIG," not through a motion to enforce. *See* Exhibit 4.

Exhibit 4 also asked Plaintiff to withdraw certain objections to 10 interrogatories and provide complete responses. As shown in Exhibit 5, Plaintiff did not agree to withdraw the objections, but agreed to answer all subparts to 9 of the 10 interrogatories. Plaintiff also asked Oak River to confirm if this would be an acceptable resolution to the discovery dispute. *See* Exhibit 5. Oak River never responded, so Plaintiff amended its interrogatories as he said he would in Exhibit 5. With no further communication, Oak River filed its motion to enforce. This is not a sincere attempt, and justifies denial of the motion. *See* Local Rule 33.5.5.

## **II. Plaintiff did not waive his objections**

Oak River argues Plaintiff's objections should be overruled as untimely. Plaintiff's objections to interrogatories and requests for production were served four days and six days, respectively, after the agreed upon extension. *See* Oak River's Suggestions in Support, p. 2. A trial court has broad discretion in administering rules of discovery. *State ex rel. Tuller v. Crawford*, 211 S.W.3d 676, 678 (Mo. App. 2007). The delay in objecting was minimal, was not in bad faith, and Oak River does not assert it suffered any prejudice from the delay, so imposing a waiver would be overly harsh.

### III. Plaintiff properly answered and objected to the requests for admissions

Oak River asserts the requests for admission “seek basic information regarding communications between MIG and Oak River.” *See* Oak River’s Suggestions in Support, p. 2. Shelby was not a party to those communications, so he does not know enough to admit or deny the request, and the information sufficient for him to admit or deny the requests was not readily available to him from MIG. That is why the parties agreed “that the best way to proceed is to serve a subpoena on MIG.” *See* Exhibit 4. Despite this, Oak River insists the Court overrule Plaintiff’s answers to Requests 15–18, 20–21, 33, 35, 37, 39, and 41, where he stated “Plaintiff has made a reasonable inquiry and the information known or readily obtainable by Plaintiff is insufficient to enable Plaintiff to admit or deny, and therefore, Plaintiff denies.” This is not an objection subject to being overruled, but a permissible response under Rule 59.01(d) based on what the requests seek.

Regarding Requests 33, 35, 37, 39, and 41, Oak River also sought information regarding communications between Oak River and Plaintiff and Oak River and the Class. Plaintiff admitted those requests as to himself, but has insufficient information to admit or deny whether any of the over 1,000 class members communicated with Oak River. Plaintiff’s responses to these requests were appropriate on the class members under Rule 59.01(d).

Regarding the objections to Requests for Admission 24, 26, 27, 32, 33, 34, 36, 38, and 40 as calling for legal conclusions, such objections are proper where, as here, the requests seek admissions to questions of law or conclusions, rather than applying fact to law. *J. R. Meade Co. v. Forward Construction Company*, 526 S.W.2d 21 (Mo. App. 1975) (“That is a question of law or at the least a conclusion, neither of which is the proper subject for a request for admissions.”). The objections should be sustained.

#### **IV. Plaintiff's objections to contention discovery was proper**

Plaintiff objected to Requests for Production 11, 18, 21, and 25 and Interrogatories 20, 21, and 22 being contention interrogatories and requests. Oak River cites to Rule 57.01, to argue these objections are improper. As Plaintiff stated in its objection to the requests for production, "Although the Rule of Civil Procedure provide for certain contention interrogatories at the proper time, there is no comparative provision in Rule 58.01." On the interrogatories, the contention requests are premature and improper. Although contention interrogatories are permitted, they are not without limits:

It is neither desirable nor possible to set forth a hard and fast rule delineating when contention interrogatories should be answered. This matter lies within the trial court's sound discretion. The trial court will want to consider, among other things, the amount of discovery completed and the complexity of the issues involved. In addition, the trial court may want to hear the recommendations of counsel as to the appropriate time for response. Also, the trial court will want to consider whether the contention interrogatory is "otherwise proper." Rule 57.01(b).

*State ex rel. Krigbaum v. Lemon*, 854 S.W.2d 72, 75 (Mo. App. 1993). Assuming the contention discovery was proper (it is not), additional discovery must be done before Plaintiff could answer them and the issues involved here are nuanced and complex. The interrogatories are improper because they call for pure legal conclusions. The objections should be sustained.

#### **V. Plaintiff's remaining objections were proper**

Oak River seeks the Court to overrule other various objections. None were addressed in Oak River's golden rule letter. *See* Exhibit 4. This alone justifies denying Oak River's request. Regardless, the discovery is overbroad for the reasons in the objections. For example, Request 4 seeks all communication between the attorneys in the Underlying Litigation. This would require production of emails regarding scheduling matters that would be irrelevant and not lead to admissible evidence. On Request 15, Plaintiff objected to "informal discovery documents." Plaintiff is unsure what that means and Oak River has offered no explanation. On Request 16, it is

overbroad because it seeks documents not only offered at trial or a relevant hearing (e.g., settlement approval), but even those offered in any “proceeding.” This would include a hearing on the motion to compel arbitration, which is irrelevant to Plaintiff’s claims or Oak River’s defenses.

On Interrogatories 10 and 11, they suffer from the same problems as Request 16. Interrogatory 16 is overbroad and unduly burdensome by seeking details regarding every verbal conversation between the parties regarding settlement. All settlement conversations took place at mediation on April 21, 2015. Interrogatory 17 is overbroad and unduly burdensome by seeking details regarding every offer by Plaintiff. Describing all the offers that went back and forth at the 12+ hour mediation alone would be unduly burdensome.

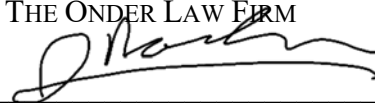

Plaintiff also objected to Oak River’s Request 22 and Interrogatory 4 that seek information regarding the class members, the payments they received, their identities, etc. as overbroad and unduly burdensome among other objections. Oak River argues Plaintiff “cannot assert claims belonging to all these persons without identifying them.” Oak River provides no support for this assertion. The Court in the Underlying Litigation appointed Plaintiff represent the class and the Underlying Litigation and seek to recover against Oak River. The identity of absent class members is irrelevant and would not lead to admissible evidence because they did not participate. As stated in the objections, the requested information would also potentially violate the Gramm-Leach-Bliley Act, 15 U.S.C. §§ 6801(a), 6802(a), and 6809(4)(A), which protects the security and confidentiality of customer’s nonpublic personal information. Under the settlement agreement, preliminary approval order, final approval order and judgment in Underlying Litigation, the names, addresses and other personal information of the members of the Settlement Class were omitted from the public filings to protect their privacy. Providing this information to Defendant would require an order in the Underlying Litigation, which Oak River has not obtained.

The objections to Requests 23 and 24 are self-explanatory. For example, if Plaintiff's attorneys reduced to writing their mental impressions, conclusions, opinions, and legal theories regarding the damages they seek here, those are documents supporting the damages they seek, but would be attorney-client privilege and work-product. Likewise, if Plaintiff's attorneys reduced to writing their mental impressions, conclusions, opinions, and legal theories regarding the damages alleged by them or how they were calculated, those would be documents responsive to this request but protected by work-product. Finally, Interrogatory 24 seeks to circumvent Local Rule 32.2.1 and is overbroad by asking for all facts regarding every denial of the over 42 request for admissions.

WHEREFORE, Plaintiff requests Oak River's motion to enforce discovery be denied and Plaintiff awarded all other relief just under the circumstances.

**DEFENDANT’S SUGGESTIONS IN OPPOSITION TO PLAINTIFF’S MOTION FOR  
ENFORCEMENT OF DISCOVERY**

---

**COMES NOW**, Defendant Oak River Insurance Company (“Oak River”), pursuant to Local Rules 32.2.4 and 33.5, and submits the following Suggestions in Opposition of Plaintiff’s Motion for Enforcement of Discovery.

**I. BACKGROUND**

This is an insurance coverage dispute in which Plaintiff asserts claims for “breach of duty to defend” and equitable garnishment against Oak River arising out of an underlying lawsuit by Plaintiff against Miller Investment Group, Inc. (“MIG”) and resulting judgment against MIG. In his motion, Plaintiff asks the Court to give him unfettered access to Oak River’s claim file and overrule Oak River’s *privilege* objections simply because Plaintiff has an assignment. However, Plaintiff has never pleaded the assignment as a basis for his claims in this case. Likewise, contrary to Plaintiff’s implication, Oak River has produced its entire claims file of 787 pages of documents. Oak River objected on the basis of privilege to producing portions of less than 18 pages – redacting those privileged portions and providing a privilege log. Missouri law does not support Plaintiff’s contention that the mere existence of an assignment entitles Plaintiff to the

entirety of Oak River's claim file without regard to Oak River's attorney-client and work product protection. For these reasons, Plaintiff's motion should be denied.

## **II. PRIOR DISCOVERY DISPUTES**

Oak River's Motion for Enforcement of Discovery is currently pending with the Court.

## **III. DISCOVERY SOUGHT**

Plaintiff seeks an order overruling Oak River's claims of attorney-client and work product privilege protection for limited portions of Oak River's claim file.

## **IV. ARGUMENT AND ANALYSIS**

### **A. Procedural Background**

Plaintiff served his First Requests for Production of Documents on Oak River, seeking the entirety of Oak River's claim file in relation to Plaintiff's claim against MIG. Oak River timely filed its objections and responses, objecting on the basis of attorney-client privilege and work product doctrine. *See Exhibit #1*. Concurrently, Oak River produced its entire claims file of 787 pages, of which portions of 18 pages were redacted, and also produced a detailed privilege log.<sup>1</sup> *See Exhibit #2*. The redactions on 15 pages were on the basis of attorney-client or work product privilege; 3 pages were redacted as they contained information from an unrelated claim that was inadvertently misfiled. *Id.*

Plaintiff has now filed his motion for enforcement of discovery seeking production of the entirety of the claim file simply because he has an assignment of claims.

### **B. Plaintiff's Failure to Plead Assignment**

Plaintiff's motion can be summarily denied because Plaintiff's failure to plead the assignment in his Petition. In order to state a claim pursuant to an assignment, the facts supporting

---

<sup>1</sup> For comparisons sake, Plaintiff asserted blanket privilege objections to some of Oak River's discovery to Plaintiff, but failed to produce any privilege log whatsoever.

the assignment must be alleged. *State ex rel. United Indus. Corp. v. Mummert*, 878 S.W.2d 494, 496 (Mo. Ct. App. 1994). Plaintiff's Petition is devoid of any allegations that he is asserting any claims pursuant to an assignment from MIG. *See Exhibit #3*.

In this case, this fact is crucial given Plaintiff's pliability regarding his relationship to MIG. For instance, when Oak River sought information from Plaintiff regarding MIG through discovery, Plaintiff tries to shirk the burden of responding by claiming that he does not have information or access to that information. Yet, in this discovery dispute, Plaintiff seeks the benefit of the assignment in order to obtain discovery from Oak River. Likewise, Plaintiff has not produced any written request for the claim file from MIG or its authorized representative (i.e. a "*Grewell* request"). In the meet and confer process, Oak River's counsel indicated to Plaintiff's counsel that, if MIG submitted a *Grewell* request, it would be provided to Oak River for consideration. Plaintiff never provided a written request. Plaintiff cannot have it both ways.

Plaintiff plays the same game with regard to the settlement class. In his Petition, Plaintiff does not explicitly state that he is asserting claims on his behalf and on behalf of the settlement class or other persons "similarly situated." Plaintiff has never asked this Court for, and this Court has never given, authority to proceed in this case on behalf of any other person. Indeed, in response to an interrogatory in this case, Plaintiff stated: "This is not a class action." Likewise, the assignment states: "MIG *assigns to the Settlement Class* (represented by Shelby and his attorneys) all of its rights under all insurance policies ... from which *Shelby and the Settlement Class* will seek to recover. Shelby and his attorneys may pursue an action against MIG's insurers and attempt to recover against any of the effective insurance policies." This provision (drafted by Plaintiff's attorneys) is at best ambiguous as to whether Plaintiff may pursue the claims on behalf of MIG by himself or if the settlement class must be parties as well. Furthermore, like his response to Oak

River's discovery requests regarding MIG, Plaintiff has refused to respond to discovery seeking information regarding the settlement class. Again, Plaintiff cannot have it both ways.

Because Plaintiff has not pleaded facts in his Petition that is asserting MIG's claims via assignment, Plaintiff's motion should be denied.

### **C. Plaintiff's Failure to Demonstrate Entitlement to Privileged Material**

Plaintiff's position that he is entitled to access to Oak River's claim file is based on *Grewell v. State Farm Mut. Auto. Ins. Co.*, 102 S.W.3d 33, 37 (Mo. 2003). This case is distinguishable from *Grewell*. In particular, *Grewell* involved an automobile accident in which there was no coverage issue as to whether the insurance policy applied. *Id.* Instead, the insurer was making determinations on liability. In this case, the privileged redactions relate to coverage determination. In doing so, Oak River was consulting with attorneys or preparing in anticipation that litigation against it would occur if coverage was denied. These coverage and privilege issues were not at play in *Grewell*, making it inapposite of this case. See *Grinnell Mut. Reinsurance Corp. v. Rambo*, No. 13-4047-CV-C-MJW, 2014 WL 12616792, at \*3 (W.D. Mo. May 27, 2014) (communications regarding legal advice as to coverage for claims "are exactly the type of communication protected by the attorney-client privilege.")

The "attorney-client privilege prohibits the discovery of confidential communications, oral or written, between an attorney and his client with reference to ... litigation pending or contemplated." *Ratcliff v. Sprint Missouri, Inc.*, 261 S.W.3d 534, 546 (Mo. App. 2008). "The work product privilege precludes discovery of materials created or commissioned by counsel in preparation for possible litigation and the thoughts and mental processes of the attorney preparing the case." *Id.* at 546-47. This information is what Oak River redacted from the claim file produced to the Plaintiff in this case.

Additionally, one of Oak River's redactions was based on the work product nature of reserve information. Reserves information has been specifically found to constitute work product such that it is not discoverable. *Spirco Env't'l Inc. v. Am. Int'l Specialty Lines Ins. Co.*, Civ. No. 05-1437, 2006 WL 2521618, at \*2 (E.D Mo. Aug. 30, 2006)(holding that reserves information is protected by the work product doctrine)

In this context, Plaintiff has not demonstrated justification for overcoming Oak River's privilege objections. Plaintiff's Motion should be denied.

## V. SANCTIONS SOUGHT

Plaintiff's Motion for Enforcement of Discovery should be denied.

**DEFENDANT OAK RIVER INSURANCE COMPANY’S RESPONSES TO  
PLAINTIFF’S FIRST SET OF REQUEST FOR PRODUCTION**

COMES NOW, Defendant Oak River Insurance Company (“Oak River”) and submits the following responses to Plaintiff Quenton Shelby’s First Set of Requests for Production Directed to UCA [sic].

**OBJECTION TO PLAINTIFF’S DEFINITIONS AND INSTRUCTIONS**

As a preliminary matter, Oak River objects to Plaintiff’s use of extensive, four-page Definitions and Instructions as inappropriate, overly broad, unduly burdensome, misstating the law and facts of the case, seeking to impose duties on Oak River that exceed Missouri law. Definitions and Instructions are not favored under the local Circuit Rules such that Oak River objects to Plaintiff’s Definitions and Instructions in that they are in violation of the spirit of Local Rule 32.2.2.6. Moreover, strict adherence to Plaintiff’s overbearing Definitions and Instructions makes Plaintiff’s requests confusing. *See Bottoms v. Liberty Life Assur. Co. of Boston*, 2011 WL 6181423, at \*6 (D. Colo. 2011) (overwhelming burden of extensive definitions and instructions outweighs their “marginal benefit.”)

**REQUESTS**

1. A complete copy of MIG’s liability claim file, Claim Number: 50 24 245373.

**RESPONSE:**

**Objection.** Oak River objects to this request as seeking information and things protected by the attorney-client privilege and work product doctrine. Without waiving these objections and subject to the same, non-privileged responsive documents to this request are being produced as Oak River 00001 – Oak River 00727.

2. A complete copy of all liability claim files for MIG regarding Shelby's claims in the Underlying Litigation.

**RESPONSE:**

**To the extent this request seeks information generated or received in response to Plaintiff's demand for Oak River to satisfy the judgment or Plaintiff's present lawsuit, Oak River objects to this request as vague, ambiguous, calling for speculation, not reasonably calculated to lead to the discovery of admissible evidence, and *per se* invading the work product doctrine and attorney-client privilege as to what documents are "regarding Claim Number: 50 24 245373."**

JACKSON COUNTY, MISSOURI**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

**Serve:**

Director of Insurance

301 W. High Street, Room 530

Jefferson City, MO 65101

Defendant.

Case No.

Division:

**Petition**

Plaintiff Quenton Shelby (“Shelby”), by his attorneys, commences this civil action against Oak River Insurance Company (“Oak River”):

**Nature of Case**

1. This is a direct action against Oak River for declaratory judgment, breach of multiple insurance contracts, and an equitable garnishment under RSMo § 379.200. Shelby seeks to reach and apply insurance money to satisfy a final judgment entered in Shelby’s favor for the certified class (“Class”) in *Miller Investment Group v. Shelby*, No. 1216-CV24936 (“Underlying Litigation”) that was pending in the Sixteenth Judicial Circuit Court of Jackson County, Missouri.

**Parties**

2. Shelby is a resident of Jackson County, Missouri. Shelby was appointed class representative of the Class in the Underlying Litigation. On information and belief, over one-third of the Class members are residents and citizens of Missouri.

3. Oak River is a foreign insurance company licensed to conduct business in Missouri. Oak River may be served as set forth in the caption above. Oak River is deemed a citizen of Missouri because the insured (Miller Investment Group, Inc. (“MIG”)) is a resident and citizen of Missouri.

### **Jurisdiction and Venue**

4. This Court has jurisdiction because this is a civil case.

5. Venue is proper in this Court because Oak River has or usually keeps an office or agent for the transaction of its usual and customary business; i.e., the selling of insurance policies, in Jackson County, Missouri. Oak River contracted to provide policies of insurance applicable to a Missouri insured (MIG) and this cause of action arises from issuing these insurance policies.

### **General Allegations**

6. MIG is a named insured on at least eight garage policies with Oak River that are identical or substantially similar for purposes of this litigation. Those policies are attached as Exhibits 1 through 7 (“Policies”). On information and belief, MIG is a named insured on other insurance policies with Oak River relating to this action.

7. On February 6, 2013, Shelby counterclaimed against MIG in the Underlying Litigation seeking relief to redress an unlawful and deceptive pattern of wrongdoing followed by MIG regarding collection, enforcement, repossession and disposition of collateral, and collection of alleged deficiencies.

8. MIG notified Oak River of the Underlying Litigation and demanded Oak River defend and indemnify MIG for the Underlying Litigation. Oak River disclaimed any duty to defend or indemnify MIG for any damages in the Underlying Litigation. A copy of Oak River’s denial letter is attached as Exhibit 8.

9. These facts, among others, were alleged in the Underlying Litigation, known by Oak River at the outset, or reasonably apparent to Oak River at the outset:

- a. Under RSMo § 408.555, MIG wrongfully accelerated Class's consumer credit contracts by failing to give the required right to cure notices before acceleration.
- b. Under RSMo § 408.555, MIG wrongfully repossessed the Class's property by failing to give the required right to cure notices before repossession.
- c. The presale notices sent to the Class were not reasonable as required by § 9-611(b).
- d. MIG wrongfully sold the Class's property after sending improper right to cure and presale notices.
- e. The post-sale notices sent to the Class violated section § 9-616.
- f. MIG sued the Class without giving the notice required by RSMo § 408.557.
- g. MIG unlawfully collected or attempted to collect deficiency balances, time price differentials, and delinquency and collection charges from the Class members issued defective right to cure, presale and post-sale notices.
- h. MIG reported derogatory information regarding the Class to local consumer reporting agencies and the three national consumer credit reporting agencies: Equifax Credit Information Services, Inc., Experian, Inc., and TransUnion, LLC (collectively, "CRAs"), despite its failure to comply with the right to cure, presale and post-sale notice requirements.
- i. The defective right to cure, presale and post-sale notices, and the reporting of false or inaccurate derogatory information on the Class members' credit reports harmed the Class members' credit worthiness, credit standing, credit capacity, character, and general reputation.

- j. The defective right to cure, presale and post-sale notices, and the reporting of false or inaccurate derogatory information on the Class members' credit reports were oral or written publication of material that defamed, slandered, libeled and invaded the privacy rights of the Class members.
- k. MIG acted negligently in failing to send notices complying with Missouri Chapter 408 and the Uniform Commercial Code, including the right to cure, presale and post-sale notices.
- l. MIG did not intend to violate Chapter 408 or the UCC and did not intend injury to the Class because it believed its notices were accurate, lawful and contained no misrepresentations.
- m. The negligent misrepresentations in the notices were the proximate cause of:
  - i. the loss of use of the vehicles because it precluded the Class members from reclaiming their collateral before it was sold;
  - ii. the loss of use of Class member's surplus funds owed them after the sale of the collateral;
  - iii. the loss of use of the money each Class member paid, which was barred by statute and common law;
  - iv. cost of alternative transportation;
  - v. loss resulting from the inability to obtain, or increased costs of, alternative financing;
  - vi. harm to credit worthiness, credit standing, credit capacity, character, and general reputation;
  - vii. harm caused by defamation, slander and libel;

viii. harm caused by invasion of privacy; and

ix. other uncertain and hard-to-quantify actual damages.

10. MIG defended the Underlying Litigation at its own expense for three years before agreeing to a class-wide settlement.

11. MIG relied upon the denial letter attached as Exhibit 8 in defending and ultimately settling the lawsuit.

12. On March 4, 2016, a final approval hearing was held regarding the settlement. The parties submitted to a liability and damage trial before the Court as part of the final fairness hearing. The hearing included evidence of the reasonableness of the settlement, and the trial court approved the settlement. The Final Approval Order and Final Judgment are attached as Exhibits 9 and 10. The trial court entered findings indicating it had determined the settlement to be fair, reasonable, and not a product of collusion. The trial court entered a judgment for the Class, and it approved MIG's assignment to the Class of MIG's claims against Oak River and any other insurer.

13. The judgment against MIG in the Underlying Litigation is for \$19,001,795.17 plus post-judgment interest at nine percent per annum.

14. MIG acts and omissions that gave rise to the judgment in the Underlying Litigation occurred in Kansas and Missouri from January 10, 2008 to April 21, 2015.

15. The damages incurred by Shelby and the Class as the result of the judgment in the Underlying Litigation are risks insured against under one or more of the Policies or other policies written by Oak River.

### **Count I – Breach of Duty to Defend**

16. Shelby repeats the allegations set forth above as if set forth in Count I.

17. There was a possibility or potential for coverage on the Underlying Litigation at the outset based on the Policies or other policies written by Oak River.

18. There was a reasonably apparent theory of recovery against MIG that would give rise to coverage based on the facts: (a) alleged in the Underlying Litigation; (b) Oak River knew at the outset; or (c) that were reasonably apparent to Oak River at the outset.

19. Oak River had to defend the Underlying Litigation.

20. Oak River refused to defend the Underlying Litigation.

21. As a direct and proximate result of Oak River's refusal to defend, a judgment was entered against MIG in the Underlying Litigation.

22. Oak River is liable for the judgment in the Underlying Litigation.

23. The judgment in the Underlying Litigation is final.

24. MIG is an insured under the Policies or other policies written by Oak River.

25. MIG is liable to Shelby and the Class for the damages awarded in the Underlying Litigation.

WHEREFORE, Shelby respectfully requests that the Court grant it judgment in its favor:

A. Declaring Oak River breached its duty to defend.

B. Awarding Shelby and the Class \$19,001,795.17 plus post-judgment interest at nine percent per annum as damages for the full judgment in the Underlying Litigation.

C. Awarding Shelby and the Class MIG's attorney's fees and costs in defending the Underlying Litigation.

D. Awarding Shelby and the Class attorney's fees for this action and post-judgment interest.

E. Such other relief as the Court deems just and equitable.

### **Count II – Equitable Garnishment**

26. Shelby repeats the allegations set forth above as if set forth in Count II.

27. Under RSMo. § 379.200, Shelby and the Class are judgment creditors of MIG, an insured under the Policies or other policies written by Oak River, resulting from the judgment entered in the Underlying Litigation by Shelby and the Class sustaining and proving property damage arising out of an accident.

28. The judgment in the Underlying Litigation is a valid final judgment.

29. The Policies or other policies written by Oak River were in effect for some or all of the underlying acts or omissions of MIG.

30. Shelby and the Class may recover and apply \$1,000,000 to \$2,000,000 of insurance money per policy in effect to satisfy the full judgment in the Underlying Litigation because MIG was insured by Oak River against the damages awarded in the judgment.

31. All conditions precedent of the Policies have been performed, yet Oak River wrongfully has refused to pay any portion of the Judgment.

32. Under RSMo. § 379.200, Shelby and the Class may proceed in equity against Oak River to reach and apply the insurance monies to the satisfy the judgment in the Underlying Litigation.

WHEREFORE, Shelby respectfully requests that the Court grant it judgment in its favor:

- A. Declaring coverage under the policies identified.
- B. Awarding Shelby the policy limits of each policy identified (at least \$14,000,000 in the aggregate) to satisfy the judgment in the Underlying Litigation, including post-judgment interest, attorney's fees and costs.
- C. Such other relief as the Court deems just and equitable.

**SIXTEENTH JUDICIAL CIRCUIT COURT  
JACKSON COUNTY, MISSOURI**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 6

Plaintiff's Reply Suggestions to Support his  
Motion to Enforce Discovery

Plaintiff Quenton Shelby ("Plaintiff") respectfully submits his reply suggestions to support his motion to enforce discovery:

Oak River resists producing 18 pages from its claims file without redaction because it asserts "Plaintiff has never pleaded the assignment as a basis for his claims in this case" and the attorney-client privilege and work-product privileges protect Oak River's redactions. Neither of these arguments have merit.

**I. Plaintiff has pleaded the assignment as a basis for his claims**

Oak River first resists discovery by asserting Plaintiff has failed to plead assignment in his Petition. Contrary to Oak River's assertion, Plaintiff attached Exhibit 9 to the Petition, which contains the assignment:

MIG assigns to the Settlement Class (represented by Shelby and his attorneys) all of its rights under all insurance policies in effect from January 10, 2008, to April 21, 2015, from which Shelby and the Settlement Class will seek to recover. Shelby and his attorneys may pursue an action against MIG's insurers and attempt to recover against any effective insurance policies. Any recovery from the insurers will add to the benefits made available to the Settlement Class under the Agreement, and the Settlement Class Members who submitted valid claims for payment will receive the funds remaining from any recovery from the insurers after attorney's fees and costs are deducted.

*See* Exhibit 9 to the Petition, ¶ 8. Attaching Exhibit 9 to the Petition was the same as if Plaintiff alleged the above paragraph directly. Rule 55.12 (“An exhibit to a pleading is a part thereof for all purposes.”); *Armistead v. A.L.W. Group*, 155 S.W.3d 814, 816 (Mo. App. E.D. 2005) (“We also consider exhibits attached to the petition . . . as part of the allegations.”).

Oak River accuses Plaintiff of “shirk[ing] the burden of responding by claiming that he does not have information or access to that information” and playing games by “not explicitly stat[ing] that he is asserting claims on his behalf and on behalf of the settlement class or other persons ‘similarly situated.’” As to the first accusation, MIG assigned its claims, but Plaintiff does not have all information available to MIG, and that is why the parties agreed a subpoena to MIG would be best. Plaintiff does not believe the second accusation is disingenuous. Plaintiff alleged he was appointed class representative of the class in the Underlying Litigation. *See* Petition, ¶ 2. He also alleged that the Court in the Underlying Litigation authorized him and his attorneys to pursue an action against MIG’s insurers and attempt to recover against any effective insurance policies. *See* Exhibit 9 to the Petition. Finally, Plaintiff’s prayer seeks awards for “Shelby and the Class.” *See* Petition, p. 6.

Although Oak River argues the assignment is ambiguous, it only makes that argument by focusing on one sentence of the assignment in isolation. Of course, courts should not interpret Exhibit 9 in isolation, but rather evaluate Exhibit 9 as a whole. *City of St. Joseph v. Lake Contrary Sewer Dist.*, 251 S.W.3d 362, 367 (Mo. App. W.D. 2008) (“In determining if a contract is ambiguous, we review the terms of a contract as a whole, not in isolation.”). Read as a whole, Exhibit 9 is not ambiguous; rather, it authorizes Plaintiff to pursue the claims on behalf of MIG by himself for the benefit of the Settlement Class. Exhibit 9 shows the Settlement Class was awarded a judgment of over \$19MM. *See* Exhibit 9, ¶ 6. MIG assigned all its rights under its insurance

policies to the Settlement Class. *Id.* at ¶ 8. The Settlement Class is represented by Plaintiff and the undersigned attorneys; Shelby is authorized to pursue the insurance; and any recovery by Plaintiff against “the insurers will add to the benefits made available to the Settlement Class under the Agreement.” *Id.* at ¶ 8. Oak River’s assignment argument is without merit its objections should be overruled.

## **II. Plaintiff is entitled to m**

Oak River next resists discovery by asserting the redactions relate to coverage determinations protected by the attorney-client privilege and reserve determinations protected by work-product. These same arguments were made and rejected by the court in *Leonberger v. Missouri United Sch. Ins. Council*, No. 1322-CC01344 (Mo. Cir. Mar. 18, 2014) (attached as Exhibit A) when it compelled production of the entire claims file, including items claims to be privileged. A trial court rejected similar arguments in *Bass v. Berkley Reg’l Specialty Ins. Co.*, No. 13SE-CC00051 (Mo. Cir. Jan. 17, 2015). The Court of Appeals and Supreme Court of Missouri denied writs of prohibition arguing the attorney-client and work-product privileges protected items in the claim file. *See State ex rel. Berkley Reg’l Specialty Ins. Co. v. Dial*, Nos. ED102305 and SC94700. This is not surprising because the insurer in *Grewell v. State Farm Mutual Automobile Insurance Co., Inc.*, 102 S.W.3d 33 (Mo. banc 2003) resisted production of the claims file based on privileges such as the work product doctrine, like Oak River does here, but *Grewell* rejected that argument. *Grewell v. State Farm Mut. Auto. Ins. Co.*, 162 S.W.3d 503, 507 (Mo. App. W.D. 2005) (“The Court concluded State Farm should provide the Grewells with free and open access to their file. *Id.* Despite this holding, State Farm refused to release copies of certain file documents based on the work product privilege. State Farm had asserted the same privilege in *Grewell I* without success.”). Similarly, the federal courts interpreting *Grewell* have held privileges protect documents in the claims file only if created after the relationship between the parties became

adverse (e.g., a formal denial of claim or a declaratory judgment action regarding coverage). *See Fid. Nat. Title Ins. Co. v. Captiva Lake Investments, LLC*, No. 4:10-CV-1890 CEJ, 2012 WL 3562207, at \*2 (E.D. Mo. Aug. 17, 2012) (“Any documents prepared by Lawyers Title or Fidelity [after the relationship became adversarial] are potentially protected by the work-product doctrine.”).

Here, the redacted information was prepared before the formal claim denial and no suit had been brought, so documents in the claims file belong to MIG/Plaintiff by assignment. Plaintiff “should be provided free and open access to that file.” *See Grewell*, 102 S.W.3d at 37. Moreover, “the burden for supporting an objection to an interrogatory is on the defendant.” *See* Local Rule 32.2.5. Oak River has not and cannot meet this burden regarding the redacted items in the claims file because Oak River has not shown these documents were not created in anticipation of litigation. *Med. Protective Co. v. Bubenik*, No. 4:06CV01639 ERW, 2007 WL 3026939, at \*4 (E.D. Mo. Oct. 15, 2007) (“Plaintiff asserts that many of the withheld documents were created in anticipation of litigation regarding coverage, however, Plaintiff seeks to protect documents created before coverage was formally denied.”). Finally, even if the claims file was prepared in anticipation of litigation, a substantial need exists for the materials in question, in conjunction with Plaintiff’s inability to obtain the substantial equivalent of the materials by other means, because the redacted material would go to the thought processes and basis of the decision to deny the claim, and support a necessary finding of bad faith. *McConnell v. Farmers Ins. Co.*, No. 07-4180-CV-C-NKL, 2008 WL 510392, at \*3 (W.D. Mo. Feb. 25, 2008); *see also Shobe v. Kelly*, 279 S.W.3d 203, 211 (Mo. App. W.D. 2009) (“An insurer’s bad faith is a state of mind”). Oak River’s privilege objections are without merit.

WHEREAS, Plaintiff respectfully requests the Court to enforce discovery in this matter, overrule Defendant's objections, and specifically compel Defendant to provide all documents (in unredacted form) created or placed in the claim file before May 15, 2013.

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 6

Motion for Leave to Amend

Plaintiff, through his undersigned attorneys, moves the Court under Rule 55.33(a) for leave to amend his petition:

1. MIG<sup>1</sup> is the insurer on many garage policies with Oak River. *See* Petition, ¶ 6. The trial court in the Underlying Litigation entered a judgment for the Class, and it approved MIG's assignment to the Class of MIG's claims against Oak River and any other insurer. *Id.* at ¶ 12.

2. The trial court in the Underlying Litigation appointed Shelby and his undersigned attorneys to represent the Class and authorized them to pursue and action against Oak River for the Class. *Id.* ¶ 12, Exhibit 9 at ¶ 7 (Final Approval Order). All recovery by Shelby for himself and the Class from Oak River "will add to the benefits made available to the [] Class under the [Settlement] Agreement, and the [] Class Members who submitted valid claims for payment will receive the funds remaining from any recovery from [Oak River] after attorney's fees and costs are deducted." *Id.*

---

<sup>1</sup> All capitalized terms have the meaning given to them in the Petition unless defined otherwise in this motion.

3. Under the Final Approval Order, Plaintiff sued Oak River for declaratory judgment, breach of multiple insurance contracts, and an equitable garnishment under RSMo § 379.200. *Id.* at ¶ 1. Plaintiff has prayed for an award to him and the class for \$19,001,795.17, which is the amount of the judgment in the Underlying Litigation. *Id.* at ¶ 13, p. 6.

4. Oak River has not moved for more definite statement<sup>2</sup>; however, it has made two assertions informally between the parties, in filings with this court, and orally in open court. First, it has asserted in “Plaintiff does not explicitly state that he is asserting claims on his behalf and on behalf of the settlement class or other persons ‘similarly situated,’” and that “Plaintiff has not pleaded facts in his Petition that [he] is asserting MIG’s claims via assignment.” *See* Oak River’s Opposition to Plaintiff’s Motion to Enforce Discovery, pp. 3–4. Second, Oak River asserted at the last case management conference that Plaintiff would need to amend to plead bad faith to seek extracontractual damages.

5. Although Plaintiff does not agree with Oak River, Plaintiff seeks leave to amend to cure Oak River’s alleged defects in the petition without changing the essential basis of the cause of action Plaintiff originally pleaded.

6. It is within the trial court’s broad discretion to allow amendments to the pleadings at any stage of the proceedings. *Lester v. 611 Sayles*, 850 S.W.2d 858, 869 (Mo. banc 1993). “Amendments to pleadings before final judgment are not only favored by statute but have always been favored by the courts, the rule being to allow them rather than to refuse them, and this is especially true when the amendment is offered before trial.” *Brinkmann Realty Co. v. Deidesheimer*, 201 S.W.2d 503, 507 (Mo. App. 1947). Therefore, “courts are not to be stingy in

---

<sup>2</sup> “The law has been particularly intolerant of those who make no mention of a pleading defect until the trial court has ruled and then seek to disadvantage their opponents by claims of procedural defect.” *State v. Vinson*, 800 S.W.2d 444, 450 (Mo. banc 1990).

granting leave to amend.” *Ferrellgas, Inc. v. Edward A. Smith, P.C.*, 190 S.W.3d 615, 619 (Mo. App. W.D. 2006). The factors a court considers are: (1) the hardship to the moving party; (2) the moving party’s reason for omitting the matter from the original pleadings; and (3) any injustice that would result to the nonmoving party if the court granted leave to amend. *Lester*, 850 S.W.2d at 869.

7. *Hardship.* Should Oak River’s alleged defects have merit, Plaintiff and the Class would suffer severe hardship if leave is not granted because it would preclude Shelby from recovering for the class through the assignment and would reduce the possible recovery for the Class by over \$5,000,000.

8. *Reason for omitting the matter.* Plaintiff alleged he was appointed class representative of the class in the Underlying Litigation. *See* Petition, ¶ 2. He also alleged that the Court in the Underlying Litigation authorized him and his attorneys to pursue an action against MIG’s insurers and attempt to recover against any effective insurance policies for the benefit of the Class. *See* Petition, Exhibit 9, ¶ 7. Finally, Plaintiff’s prayer seeks awards for “Shelby and the Class.” *See* Petition, p. 6. If Shelby has not adequately alleged the assignment to show he is asserting MIG’s claims via assignment, such omission was inadvertent. *Robinson v. City of Kansas City*, 451 S.W.3d 315, 319 n. 3 (Mo. App. W.D. 2014) (“the purpose of the grant of an amendment is to allow a party to assert a matter previously unknown or neglected from inadvertence at the time of the original pleading.”). Likewise, Plaintiff’s Petition makes clear he is seeking extracontractual damages because he seeks over \$19 million in damages when the policies only provide up to \$14 million in coverage. *See* Petition, pp. 6–7. The “recent case of *Allen v. Bryers*, No. SC95358, — S.W.3d —, —, 2016 WL 7378560 \*14 (Mo.banc December 20, 2016), without abrogating *Columbia Cas. Co.*, suggests a bad faith finding must be made, not merely a

breach of duty, in order to be held liable for extra-contractual damages.” *Pitt v. Leonberger*, 2017 WL 491218, at \*14 (Mo. App. Feb. 7, 2017). If a specific allegation as opposed to just a finding of bad faith is necessary, Plaintiff’s failure to explicitly plead it was also inadvertent.

9. *Prejudice.* Oak River will suffer no injustice or prejudice because of Shelby being granted leave to amend because these amendments will not catch Oak River by such surprise as to deprive Oak River of any legitimate claims or defenses because no new causes of action are being pled, the dispositive motion deadline is September 1, 2017, no trial has been set and discovery is still open. It might cause Oak River to incur additional costs, fees and expenses in defending this litigation, but “prejudice is not measured by whether one party or the other would stand to suffer financial loss as a result of the court ruling.” *Ferrellgas*, 190 S.W.3d at 619.

10. A copy of Plaintiff’s amended pleading is attached.

WHEREFORE, Plaintiff respectfully requests this Court grant his motion for leave to amend and for such other and further relief as the Court deems just and proper.

**SIXTEENTH JUDICIAL CIRCUIT COURT  
JACKSON COUNTY, MISSOURI**

Quenton Shelby,

Plaintiff,

v.

Oak River Insurance Company,

Defendant.

Case No. 1616-CV17924

Division: 6

First Amended Petition

Plaintiff Quenton Shelby (“Shelby”), by his attorneys, sues Oak River Insurance Company (“Oak River”):

**Nature of Case**

1. This is a direct action against Oak River for declaratory judgment, breach of multiple insurance contracts, and an equitable garnishment under RSMo § 379.200. Shelby seeks to reach and apply insurance money to satisfy a final judgment entered for the certified class (“Class”) in *Miller Investment Group v. Shelby*, No. 1216-CV24936 (“Underlying Litigation”) that was pending in the Sixteenth Judicial Circuit Court of Jackson County, Missouri.

2. Miller Investment Group, Inc. (“MIG”) is a named insured on at least seven garage policies with Oak River. Shelby is asserting MIG’s and the Class’s claims via assignment and garnishment under the Final Approval Order (attached below) in the Underlying Litigation. Shelby was appointed class representative of the Class in the Underlying Litigation. MIG has assigned its claims against Oak River to the Class, which is represented by Shelby. The Final Approval Order in the Underlying Litigation authorizes Shelby to pursue the entire amount owed on the Final Judgment (attached below) in the Underlying Litigation for the benefit of the Class by assignment

of MIG's claims and through garnishment. Any recovery in this litigation will add to the benefits made available to the Class under the Settlement Agreement, and the Class members who submitted valid claims for payment will receive the funds remaining from any recovery in this litigation after attorney's fees and costs are deducted.

### **Parties**

3. Shelby is a resident of Jackson County, Missouri. On information and belief, over one-third of the Class members are residents and citizens of Missouri.

4. Oak River is a foreign insurance company licensed to conduct business in Missouri. Oak River may be served as set forth in the caption above. Oak River is deemed a citizen of Missouri because MIG is a resident and citizen of Missouri.

### **Jurisdiction and Venue**

5. This Court has jurisdiction because this is a civil case.

6. Venue is proper in this Court because Oak River has or usually keeps an office or agent for the transaction of its usual and customary business; i.e., the selling of insurance policies, in Jackson County, Missouri. Oak River contracted to provide policies of insurance applicable to a Missouri insured (MIG) and this cause of action arises from issuing these insurance policies.

### **General Allegations**

7. MIG is a named insured on at least seven garage policies with Oak River that are identical or substantially similar for purposes of this litigation. Those policies are attached as Exhibits 1 through 7 ("Policies"). On information and belief, MIG is a named insured on other insurance policies with Oak River relating to this action.

8. MIG assigned to the Class (represented by Shelby and his attorneys) all of its rights under all insurance policies in effect from January 10, 2008, to April 21, 2015, including the Policies, from which Shelby seeks to recover for the Class.

9. On February 6, 2013, Shelby counterclaimed against MIG in the Underlying Litigation seeking relief to redress an unlawful and deceptive pattern of wrongdoing followed by MIG regarding collection, enforcement, repossession and disposition of collateral, and collection of alleged deficiencies.

10. MIG notified Oak River of the Underlying Litigation and demanded Oak River defend and indemnify MIG for the Underlying Litigation. Oak River disclaimed any duty to defend or indemnify MIG for any damages in the Underlying Litigation. A copy of Oak River's denial letter is attached as Exhibit 8.

11. These facts, among others, were alleged in the Underlying Litigation, known by Oak River at the outset, or reasonably apparent to Oak River at the outset:

- a. Under RSMo § 408.555, MIG wrongfully accelerated Class's consumer credit contracts by failing to give the required right to cure notices before acceleration.
- b. Under RSMo § 408.555, MIG wrongfully repossessed the Class's property by failing to give the required right to cure notices before repossession.
- c. The presale notices sent to the Class were not reasonable as required by § 9-611(b).
- d. MIG wrongfully sold the Class's property after sending improper right to cure and presale notices.
- e. The post-sale notices sent to the Class violated section § 9-616.
- f. MIG sued the Class without giving the notice required by RSMo § 408.557.
- g. MIG unlawfully collected or attempted to collect deficiency balances, time price differentials, and delinquency and collection charges from the Class members issued defective right to cure, presale and post-sale notices.

- h. MIG reported derogatory information regarding the Class to local consumer reporting agencies and the three national consumer credit reporting agencies: Equifax Credit Information Services, Inc., Experian, Inc., and TransUnion, LLC (collectively, “CRAs”), despite its failure to comply with the right to cure, presale and post-sale notice requirements.
- i. The defective right to cure, presale and post-sale notices, and the reporting of false or inaccurate derogatory information on the Class members’ credit reports harmed the Class members’ credit worthiness, credit standing, credit capacity, character, and general reputation.
- j. The defective right to cure, presale and post-sale notices, and the reporting of false or inaccurate derogatory information on the Class members’ credit reports were oral or written publication of material that defamed, slandered, libeled and invaded the privacy rights of the Class members.
- k. MIG acted negligently in failing to send notices complying with Missouri Chapter 408 and the Uniform Commercial Code, including the right to cure, presale and post-sale notices.
- l. MIG did not intend to violate Chapter 408 or the UCC and did not intend injury to the Class because it believed its notices were accurate, lawful and contained no misrepresentations.
- m. The negligent misrepresentations in the notices were the proximate cause of:
  - i. the loss of use of the vehicles because it precluded the Class members from reclaiming their collateral before it was sold;

- ii. the loss of use of Class member's surplus funds owed them after the sale of the collateral;
- iii. the loss of use of the money each Class member paid, which was barred by statute and common law;
- iv. cost of alternative transportation;
- v. loss resulting from the inability to obtain, or increased costs of, alternative financing;
- vi. harm to credit worthiness, credit standing, credit capacity, character, and general reputation;
- vii. harm caused by defamation, slander and libel;
- viii. harm caused by invasion of privacy; and
- ix. other uncertain and hard-to-quantify actual damages.

12. MIG defended the Underlying Litigation at its own expense for three years before agreeing to a class-wide settlement.

13. MIG relied upon the denial letter attached as Exhibit 8 in defending and ultimately settling the lawsuit.

14. On March 4, 2016, a final approval hearing was held regarding the settlement. The parties submitted to a liability and damage trial before the Court as part of the final fairness hearing. The hearing included evidence of the reasonableness of the settlement, and the trial court approved the settlement. The Final Approval Order and Final Judgment are attached as Exhibits 9 and 10. The trial court entered findings indicating it had determined the settlement to be fair, reasonable, and not a product of collusion. The trial court entered a judgment for the Class, and it approved MIG's assignment to the Class of MIG's claims against Oak River and any other insurer.

15. The judgment against MIG in the Underlying Litigation is for \$19,001,795.17 plus post-judgment interest at nine percent per annum.

16. MIG acts and omissions that gave rise to the judgment in the Underlying Litigation occurred in Kansas and Missouri from January 10, 2008 to April 21, 2015.

17. The damages incurred by Shelby and the Class as the result of the judgment in the Underlying Litigation are risks insured against under one or more of the Policies or other policies written by Oak River.

18. Oak River intentionally disregarded MIG's financial interest in the hope of escaping the responsibility imposed upon Oak River by its policy.

19. Upon information and belief, Oak River acted in bad faith when it refused to defend the Underlying Litigation because, among other reasons:

- a. Oak River failed to investigate fully the injuries alleged by the Class or recognize their severity.
- b. Oak River ignored that a judgment could exceed its policy limits.
- c. Oak River ignored facts known to it when makes its coverage determination.
- d. Oak River conducted no investigation to learn facts that would have been apparent to it from the outset of the Underlying Litigation, including the facts alleged in Paragraph 10.
- e. Oak River limited its investigation to the question of coverage without considering the interests of MIG.
- f. Oak River denied coverage before investigation or before doing an adequate investigation.

- g. Oak River accepted legal conclusions as to coverage without legal citation or reference.

**Count I – Breach of Duty to Defend**

20. Shelby repeats the allegations set forth above as if set forth in Count I.
21. There was a possibility or potential for coverage on the Underlying Litigation at the outset based on the Policies or other policies written by Oak River.
22. There was a reasonably apparent theory of recovery against MIG that would give rise to coverage based on the facts: (a) alleged in the Underlying Litigation; (b) Oak River knew at the outset; or (c) that were reasonably apparent to Oak River at the outset.
23. Oak River had to defend the Underlying Litigation.
24. Oak River refused to defend the Underlying Litigation.
25. As a direct and proximate result of Oak River's refusal to defend, a judgment was entered against MIG in the Underlying Litigation.
26. Oak River is liable for the judgment in the Underlying Litigation.
27. The judgment in the Underlying Litigation is final.
28. MIG is an insured under the Policies or other policies written by Oak River.
29. MIG is liable to Shelby and the Class for the damages awarded in the Underlying Litigation.

WHEREFORE, Shelby respectfully requests that the Court grant it judgment in his favor:

- A. Declaring Oak River breached its duty to defend.
- B. Awarding Shelby and the Class \$19,001,795.17 plus post-judgment interest at nine percent per annum as damages for the full judgment in the Underlying Litigation.
- C. Awarding Shelby and the Class MIG's attorney's fees and costs in defending the Underlying Litigation.

D. Awarding Shelby and the Class attorney's fees for this action and post-judgment interest.

E. Such other relief as the Court deems just and equitable.

### **Count II – Equitable Garnishment**

30. Shelby repeats the allegations set forth above as if set forth in Count II.

31. Under RSMo. § 379.200, Shelby and the Class are judgment creditors of MIG, an insured under the Policies or other policies written by Oak River, resulting from the judgment entered in the Underlying Litigation by Shelby and the Class sustaining and proving property damage arising out of an accident.

32. The judgment in the Underlying Litigation is a valid final judgment.

33. The Policies or other policies written by Oak River were in effect for some or all of the underlying acts or omissions of MIG.

34. Shelby and the Class may recover and apply \$1,000,000 to \$2,000,000 of insurance money per policy in effect to satisfy the full judgment in the Underlying Litigation because MIG was insured by Oak River against the damages awarded in the judgment.

35. All conditions precedent of the Policies have been performed, yet Oak River wrongfully has refused to pay any portion of the Judgment.

36. Under RSMo. § 379.200, Shelby and the Class may proceed in equity against Oak River to reach and apply the insurance monies to the satisfy the judgment in the Underlying Litigation.

WHEREFORE, Shelby respectfully requests that the Court grant it judgment in its favor:

A. Declaring coverage under the policies identified.

B. Awarding Shelby and the Class the policy limits of each policy identified (at least \$14,000,000 in the aggregate) to satisfy the judgment in the Underlying Litigation, including post-judgment interest, attorney's fees and costs.

C. Such other relief as the Court deems just and equitable.

**COMMON POLICY CONDITIONS**

All Coverage Parts included in the policy are subject to the following conditions.

**A. CANCELLATION**

1. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
2. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
  - a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
  - b. 30 days before the effective date of cancellation if we cancel for the following reasons.
    - (i) the policy was issued because of a material misrepresentation;
    - (ii) any insured violated any of the material terms and conditions of the policy;
    - (iii) unfavorable underwriting factors, specific to the insured, exist that were not present at the inception of the policy;
    - (iv) a determination by the commissioner of insurance that continuation of coverage could place us in a hazardous financial condition or in violation of Kansas law; or
    - (v) a determination by the commissioner of insurance that we no longer have adequate reinsurance to meet our needs.
3. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
4. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
5. If this policy is canceled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
6. If notice is mailed, proof of mailing will be sufficient proof of notice.

**B. CHANGES**

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured shown in the Declarations is authorized to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

**C. EXAMINATION OF YOUR BOOKS AND RECORDS**

We may examine and audit your books and records as they relate to this policy at any time during the policy period and up to three years afterward.

**D. INSPECTION AND SURVEYS**

We have the right but are not obligated to:

1. Make inspections and surveys at any time;
2. Give you reports on the conditions we find; and
3. Recommend changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. And we do not warrant that conditions:

1. Are safe or healthful; or
2. Comply with laws, regulations, codes or standards.

This condition applies not only to us, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations.

**E. PREMIUMS**

The first Named Insured shown in the Declarations:

1. Is responsible for the payment of all premiums; and
2. Will be the payee for any return premiums we pay.

**F. TRANSFER OF YOUR RIGHTS AND DUTIES UNDER THIS POLICY**

Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual named insured.

If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. If this policy is issued for more than one year, the premium shall be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

## KANSAS CHANGES

For a covered "auto" licensed or principally garaged in, or "garage operations" conducted in Kansas, this endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

### A. Changes In Liability Coverage

1. For coverage and limits required by the Kansas Financial Responsibility law, **Exclusions** is changed as follows:

- a. The **Workers' Compensation** Exclusion is replaced by the following:

Any obligation for which the "insured" or the "insured's" insurer may be held liable under any workers' compensation, disability benefits or any similar law.

- b. The **Employee Indemnification And Employers' Liability** Exclusion is replaced by the following:

This coverage does not apply to "bodily injury" to any "employee" of the "insured" arising out of and in the course of the fellow "employee's" employment by the "insured" or while performing duties related to the conduct of the "insured's" business if benefits are required or available for the "employee" under any workers' compensation or disability benefits law or under any similar law. This exclusion does not apply to liability assumed by the "insured" under an "insured contract".

- c. The **Care, Custody Or Control** Exclusion is replaced by the following:

This coverage does not apply to "property damage" to property owned by, rented to, or in charge of or transported by an "insured". However, this exclusion does not apply to "property damage" to a rented residence or private garage or to liability assumed by the "insured" under a sidetrack agreement.

- d. The following is added to the **War** Exclusion:

This Exclusion applies only to the extent that the limit of insurance for this coverage in this policy exceeds the limit required by the Kansas Automobile Injury Reparations Act.

- e. The **Racing** Exclusion, if contained in the coverage form, does not apply.

- f. The exclusion relating to "bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants does not apply if the discharge, dispersal, release or escape is sudden and accidental.

2. Our Limit Of Insurance applies except that we will apply the limit shown in the Declarations to first provide the separate limits required by Kansas law as follows:

- a. \$25,000 for "bodily injury" to any one person caused by any one "accident".
  - b. \$50,000 for "bodily injury" to two or more persons caused by any one "accident", and
  - c. \$10,000 for "property damage" caused by any one "accident".

This provision will not change our limit of insurance.

#### **B. Changes In Physical Damage**

1. The "Diminution In Value" Exclusion does not apply.
2. The Limit of Insurance provision with respect to repair or replacement resulting in better than like kind or quality in any coverage form or endorsement does not apply.

#### **C. Changes In Conditions**

1. The **Concealment, Misrepresentation Or Fraud** General Condition is replaced by the following:

We will not pay in any case of fraud by you at any time as it relates to this Coverage Form. We will also not pay if you or any other "insured", knowingly and with intent to defraud, presents, causes to be presented or prepares with knowledge or belief that it will be presented, any written statement relating to an insurance application, rating, claim or coverage under this Coverage Form which such person:

- a. Knows to contain materially false information; or
- b. Conceals, for the purposes of misleading, information

concerning any material fact.

2. The **Appraisal For Physical Damage Loss** Condition in the Business Auto, Garage, Truckers and Motor Carrier Coverage Forms and the **Appraisal** Condition in the Business Auto Physical Damage Coverage Form is replaced by the following:

If, after a claim has been made, a dispute arises because you and we disagree on the amount of the "loss", either party may make a written request for an appraisal of the "loss". **However an appraisal will be made only if both you and we agree, voluntarily to have the loss appraised.** If so agreed, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraiser and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**An appraisal decision will be binding.**

We may enforce the action in our name or that of the "insured", representatives or dependents of the "insured" for their benefit as their interest may appear by proper action in any court of competent jurisdiction.

#### B. Owned Autos You Acquire After The Policy Begins

1. If Symbols **21, 22, 23, 24, 25,** or **26** are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.
2. But, if Symbol **27** is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:
  - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
  - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

#### SECTION II – LIABILITY COVERAGE

##### A. Coverage

##### 1. "Garage Operations" – Other Than Covered "Autos"

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no "insured" listed under **Who Is An Insured** and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under **Who Is An Insured** or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under **Who Is An Insured** or any "employee" authorized by you to give or receive notice of an "accident" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

## 2. "Garage Operations" – Covered "Autos"

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance – "Garage Operations" – Covered "Autos" has been exhausted by payment of judgments or settlements.

## 3. Who Is An Insured

a. The following are "insureds" for covered "autos":

(1) You for any covered "auto".

(2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

(a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

(b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.

(c) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is your "garage operations".

(i) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.

(ii) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.

- (e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.
- (3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.
- b. The following are "insureds" for "garage operations" other than covered "autos":

- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### B. Exclusions

This exclusion applies:

Paragraphs **b.** and **c.** above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

## C. Limit Of Insurance

### 1. Aggregate Limit Of Insurance – "Garage Operations" – Other Than Covered "Autos"

For "garage operations" other than the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of "insureds", claims made or "suits" brought or persons or organizations making claims or bringing "suits", the most we will pay for the sum of all damages involving "garage operations" other than "auto" is the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

Damages payable under the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" consist of damages resulting from "garage operations", other than the ownership, maintenance or use of the "autos" indicated in Section I of this Coverage Form as covered "autos", including the following coverages, if provided by endorsement:

- a. "Personal injury" liability coverage;
- b. "Personal and advertising injury" liability coverage;
- c. Host liquor liability coverage;
- d. Fire legal liability coverage;
- e. Incidental medical malpractice liability coverage;
- f. Non-owned watercraft coverage;
- g. Broad form products coverage.

Damages payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos".

Subject to the above, the most we will pay for all damages resulting from all "bodily injury" and "property damage" resulting from any one "accident" is the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

The Aggregate Limit of Insurance – "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

## **2. Limit Of Insurance – "Garage Operations" – Covered "Autos"**

For "accidents" resulting from "garage operations" involving the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" involving a covered "auto" is the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" for Liability Coverage shown in the Declarations.

Damages and "covered pollution cost or expense" payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

## **D. Deductible**

However, we have no duty to defend any "insured" against a "suit" seeking damages for any loss to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends for a coverage when the Limit of Insurance for that coverage has been exhausted by payment of judgments or settlements.

### **3. Who Is An Insured**

The following are "insureds" for "loss" to "customer's autos" and "customer's auto" equipment:

- 4. For those businesses shown in the Declarations as "auto" dealerships, the following provisions also apply:
  - a. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" at any one location is the amount shown in the Auto Dealers Supplementary Schedule for that location. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" in transit is the amount shown in the Auto Dealers Supplementary Schedule for "loss" in transit.
  - b. **Quarterly Or Monthly Reporting Premium Basis**  
If, on the date of your last report, the actual value of the covered "autos" at the "loss" location exceeds what you last reported, when a "loss" occurs we will pay only a percentage of what we would otherwise be obligated to pay. We will determine this percentage by dividing your total reported value for the involved location by the value you actually had on the date of your last report.

If the first report due is delinquent on the date of "loss", the most we will pay will not exceed 75 percent of the Limit of Insurance shown in the Auto Dealers Supplementary Schedule for the applicable location.

- (1) Theft or mischief or vandalism; or
- (2) All perils.

**2. Non-Dealers Only Special Deductible Provisions**

If your business is shown in the Declarations as something other than an "auto" dealership, the Comprehensive Coverage deductible does not apply to "loss" caused by fire or lightning.

**SECTION V – GARAGE CONDITIONS**

The following conditions apply in addition to the Common Policy Conditions:

**A. Loss Conditions**

**1. Appraisal For Physical Damage Loss**

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire.

The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**2. Duties In The Event Of Accident, Claim, Suit Or Loss**

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the accident or "loss". Include:

- (1) How, when and where the "accident" or "loss" occurred;
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

- b. Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
- (4) Authorize us to obtain medical records or other pertinent information.
- (5) Submit to examination at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.

(3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.

(4) Agree to examinations under oath at our request and give us a signed statement of your answers.

### **3. Legal Action Against Us**

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

### **4. Loss Payment – Physical Damage Coverages**

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

### **5. Transfer Of Rights Of Recovery Against Others To Us**

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

## **B. General Conditions**

### **1. Bankruptcy**

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

### **2. Concealment, Misrepresentation Or Fraud**

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

### **3. Liberalization**

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

### **4. No Benefit To Bailee – Physical Damage Coverages**

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

### **5. Other Insurance**

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

(1) Excess while it is connected to a motor vehicle you do not own.

(2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

## 6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

## 7. Policy Period, Coverage Territory

We also cover "bodily injury", "property damage", "covered pollution cost or expense" and "losses" while a covered "auto" is being transported between any of these places.

The coverage territory is extended to anywhere in the world if the "bodily injury" or "property damage" is caused by one of your "products" which is sold for use in the United States of America, its territories or possessions, Puerto Rico or Canada. The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

## 8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if the "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants".

- b. A tentative settlement has been made between an "insured" and the insurer of a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" and we:

- (1) Have been given prompt written notice of such tentative settlement; and
- (2) Advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification.

#### B. Who Is An Insured

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
  - a. The Named Insured and any "family members".

- b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".
2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":
- a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

#### C. Exclusions

This insurance does not apply to any of the following:

- 1. Any claim settled or judgment reached without our consent if the settlement or judgment prejudices our right to recover payment. However, this exclusion does not apply to a settlement made with the insurer of a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle".
- 2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
- 3. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
- 4. "Bodily injury" sustained by an "insured" while "occupying" or when struck by any motor vehicle that is owned by or provided for the regular use of that "insured" for which the security required by Kansas law is not in effect.

#### D. Limit Of Insurance

- 1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident", is the limit of Uninsured Motorists Insurance shown in the Schedule or Declarations. We will apply the limit shown in the Schedule or Declarations to first provide the separate limits required by Kansas law as follows:
  - a. \$25,000 for "bodily injury" to any one person caused by any one "accident", and

- b. \$50,000 for "bodily injury" to two or more persons caused by any one "accident".

This provision will not change our total limit of liability.

- 2. The limit for damages resulting from "bodily injury" caused by a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" applies separately from the limit for a vehicle described in Paragraphs a., c. and d. of that definition.
- 3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage and any Liability Coverage Form, Medical Payments Coverage Endorsement, Uninsured Motorists Coverage Endorsement or Underinsured Motorists Coverage Endorsement attached to this Coverage Part.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

We will not pay for any element of "loss" if the person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits or similar law or personal injury protection coverage.

- 4. Any amount paid under this insurance will reduce any amount an "insured" may be paid under the Coverage Form's Liability Coverage.

#### E. Changes In Conditions

The conditions are changed for Uninsured Motorists Coverage as follows:

- 1. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms are changed by addition of the following:
  - a. The reference to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
  - b. If there is other applicable insurance available under one or more policies or provisions of coverage, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage on either a primary or excess basis.
- 2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
  - a. Promptly notify the police if a hit-and-run driver is involved, and

b. Promptly send us copies of the legal papers if a "suit" is brought.

c. A person seeking Uninsured Motorists Coverage must also:

(1) Notify us in writing, by certified mail, of a tentative settlement between the "insured" and the insurer of a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle"; and

(2) Allow us 60 days after receipt of the written notice to advance payment to that "insured", in an amount equal to the tentative settlement, to preserve our rights against the insurer, owner or operator of such vehicle described in Paragraph b. of the definition of "uninsured motor vehicle".

Such written notice shall include written documentation of all damages incurred, copies of all medical bills and written authorization or a court order to obtain reports from all employers and medical providers.

**3. Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

a. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

b. We do not have a right of recovery with respect to damages resulting from an "accident" with a vehicle described in Paragraphs a., c. and d. of the definition of "uninsured motor vehicle" to which a liability bond or policy applies at the time of the "accident", but the bonding or insuring company is or becomes insolvent.

c. Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" if we:

(1) Have been given written notice by certified mail of a tentative agreement between the "insured" and the insuring company of the owner or operator of the underinsured motor vehicle to settle for liability limits; and

(2) Fail to advance payments to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of the notice.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification:

(1) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Uninsured Motorists Coverage; and

(2) We also have a right to recover the advance payment.

4. The **Two Or More Coverage Forms Or Policies Issued By Us** General Condition does not apply.

5. The **Concealment, Misrepresentation Or Fraud** General Condition does not apply.

6. The following condition is added:

**ARBITRATION**

a. If, after a claim has been made, a dispute arises because we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the parties may agree to arbitration. **One party cannot force the other party into arbitration.** However, disputes concerning coverage under this endorsement may not be arbitrated. If the parties agree to arbitration, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to procedure and evidence will apply. Any decision agreed to by the arbitrators will not be binding.

c. Once arbitration is agreed to by both parties, either party has the right to bring arbitration under K.S.A. Sections 5-201 – 5-213 inclusive, in lieu of the arbitration procedure provided in this condition.

## F. Additional Definitions

As used in this endorsement:

1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.
2. "Occupying" means in, upon, getting in, on, out or off.
3. "Uninsured motor vehicle" means a land motor vehicle or "trailer":
  - a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by Kansas law, or
  - b. That is an underinsured motor vehicle. An underinsured motor vehicle is a land motor vehicle or "trailer" for which the sum of all liability bonds or policies at the time of an "accident" provides at least the amounts required by Kansas law, but their limits are less than the limit of this insurance, or
  - c. For which an insuring or bonding company denies coverage or is or becomes insolvent, or
  - d. For which neither the driver nor owner can be identified. The vehicle must either:
    - (1) Hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying"; or

- (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying", provided the facts of the "accident" can be corroborated by competent evidence other than the testimony of any person having a claim under this or any other similar insurance as the result of such "accident".

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law.
- b. Owned by a governmental unit or agency.
- c. Designed for use mainly off public roads while not on public roads.

**C. Application Of Other Exclusions**

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. If this policy is issued for more than one year, the premium shall be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. Each party will:

#### **D. Limit Of Insurance**

- b. In the event an "insured", such person's dependents or personal representative fails to commence an action against the party causing the "bodily injury" within eighteen months after the date of the "accident" that resulted in injury, such failure shall operate as an assignment to us of any cause of action which the "insured", the dependents or personal representatives of such person may have against the party causing "bodily injury" for the purpose and to the extent of recovery of damages which are duplicative of personal injury protection benefits. We may enforce the action in our name or that of the "insured", representatives or dependents of the "insured" for their benefit as their interest may appear by proper action in any court of competent jurisdiction.

c. In the event of recovery pursuant to K.S.A. 60-258a, and amendments thereto, any rights transferred to us shall be reduced by the percentage of negligence attributable to the "insured".

#### SECTION II – LIABILITY COVERAGE

##### A. Coverage

##### 1. "Garage Operations" – Other Than Covered "Autos"

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

## 2. "Garage Operations" – Covered "Autos"

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance – "Garage Operations" – Covered "Autos" has been exhausted by payment of judgments or settlements.

## 3. Who Is An Insured

- (1) You for any covered "auto".
- (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
  - (a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
  - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
  - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

- (d) Your customers. However, if a customer of yours:
  - (i) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.
  - (ii) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.
- (e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.
- (3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.
- (4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.
- b. The following are "insureds" for "garage operations" other than covered "autos":

#### 4. Coverage Extensions

##### a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### B. Exclusions

This insurance does not apply to any of the following:

##### 1. Expected Or Intended Injury

For "garage operations" other than the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of "insureds", claims made or "suits" brought or persons or organizations making claims or bringing "suits", the most we will pay for the sum of all damages involving "garage operations" other than "auto" is the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

Damages payable under the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" consist of damages resulting from "garage operations", other than the ownership, maintenance or use of the "autos" indicated in Section I of this Coverage Form as covered "autos", including the following coverages, if provided by endorsement:

- c. Host liquor liability coverage;

The Aggregate Limit of Insurance – "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

#### 2. Limit Of Insurance – "Garage Operations" – Covered "Autos"

For "accidents" resulting from "garage operations" involving the ownership, maintenance or use of covered "autos", the following applies:

- d. A claim under this Coverage Form.

### 3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

### 4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

### 5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:
  - (1) Excess while it is connected to a motor vehicle you do not own.
  - (2) Primary while it is connected to a covered "auto" you own.
- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

### 6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

### 7. Policy Period, Coverage Territory

Under this Coverage Form, we cover:

- a. "Bodily injury", "property damage" and "losses" occurring; and
- b. "Covered pollution cost or expense" arising out of "accidents" occurring

during the policy period shown in the Declarations and within the coverage territory.

The coverage territory is:

- a. The United States of America;
- b. The territories and possessions of the United States of America;
- c. Puerto Rico;
- d. Canada; and
- e. Anywhere in the world if:
  - (1) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and

- (2) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico, or Canada or in a settlement we agree to.

We also cover "bodily injury", "property damage", "covered pollution cost or expense" and "losses" while a covered "auto" is being transported between any of these places.

The coverage territory is extended to anywhere in the world if the "bodily injury" or "property damage" is caused by one of your "products" which is sold for use in the United States of America, its territories or possessions, Puerto Rico or Canada. The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

#### **8. Two Or More Coverage Forms Or Policies Issued By Us**

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

Paragraphs b. and c. above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

#### A. Coverage

1. We will pay all sums the "insured" is legally entitled to recover as damages from the owner or driver of an "uninsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".
2. With respect to damages resulting from an "accident" with a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle", we will pay under this coverage only if a. or b. below applies:
  - a. The limit of any applicable liability bonds or policies have been exhausted by payment of judgments or settlements; or

- b. A tentative settlement has been made between an "insured" and the insurer of a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" and we:

- (1) Have been given prompt written notice of such tentative settlement; and
- (2) Advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification.

#### B. Who Is An Insured

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
  - a. The Named Insured and any "family members".

- b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".
2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":
- a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

#### C. Exclusions

This insurance does not apply to any of the following:

- 1. Any claim settled or judgment reached without our consent if the settlement or judgment prejudices our right to recover payment. However, this exclusion does not apply to a settlement made with the insurer of a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle".
- 2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
- 3. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
- 4. "Bodily injury" sustained by an "insured" while "occupying" or when struck by any motor vehicle that is owned by or provided for the regular use of that "insured" for which the security required by Kansas law is not in effect.

#### D. Limit Of Insurance

- 1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident", is the limit of Uninsured Motorists Insurance shown in the Schedule or Declarations. We will apply the limit shown in the Schedule or Declarations to first provide the separate limits required by Kansas law as follows:
  - a. \$25,000 for "bodily injury" to any one person caused by any one "accident", and

- b. \$50,000 for "bodily injury" to two or more persons caused by any one "accident".

This provision will not change our total limit of liability.

- 2. The limit for damages resulting from "bodily injury" caused by a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" applies separately from the limit for a vehicle described in Paragraphs a., c. and d. of that definition.
- 3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage and any Liability Coverage Form, Medical Payments Coverage Endorsement, Uninsured Motorists Coverage Endorsement or Underinsured Motorists Coverage Endorsement attached to this Coverage Part.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

We will not pay for any element of "loss" if the person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits or similar law or personal injury protection coverage.

- 4. Any amount paid under this insurance will reduce any amount an "insured" may be paid under the Coverage Form's Liability Coverage.

#### E. Changes In Conditions

The conditions are changed for Uninsured Motorists Coverage as follows:

- 1. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms are changed by addition of the following:
  - a. The reference to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
  - b. If there is other applicable insurance available under one or more policies or provisions of coverage, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage on either a primary or excess basis.
- 2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
  - a. Promptly notify the police if a hit-and-run driver is involved, and

b. Promptly send us copies of the legal papers if a "suit" is brought.

c. A person seeking Uninsured Motorists Coverage must also:

(1) Notify us in writing, by certified mail, of a tentative settlement between the "insured" and the insurer of a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle"; and

(2) Allow us 60 days after receipt of the written notice to advance payment to that "insured", in an amount equal to the tentative settlement, to preserve our rights against the insurer, owner or operator of such vehicle described in Paragraph b. of the definition of "uninsured motor vehicle".

Such written notice shall include written documentation of all damages incurred, copies of all medical bills and written authorization or a court order to obtain reports from all employers and medical providers.

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

a. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

b. We do not have a right of recovery with respect to damages resulting from an "accident" with a vehicle described in Paragraphs a., c. and d. of the definition of "uninsured motor vehicle" to which a liability bond or policy applies at the time of the "accident", but the bonding or insuring company is or becomes insolvent.

c. Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" if we:

(1) Have been given written notice by certified mail of a tentative agreement between the "insured" and the insuring company of the owner or operator of the underinsured motor vehicle to settle for liability limits; and

(2) Fail to advance payments to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of the notice.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification:

(1) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Uninsured Motorists Coverage; and

(2) We also have a right to recover the advance payment.

4. The **Two Or More Coverage Forms Or Policies Issued By Us** General Condition does not apply.

5. The **Concealment, Misrepresentation Or Fraud** General Condition does not apply.

6. The following condition is added:

#### **ARBITRATION**

a. If, after a claim has been made, a dispute arises because we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the parties may agree to arbitration. **One party cannot force the other party into arbitration.** However, disputes concerning coverage under this endorsement may not be arbitrated. If the parties agree to arbitration, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to procedure and evidence will apply. Any decision agreed to by the arbitrators will not be binding.

c. Once arbitration is agreed to by both parties, either party has the right to bring arbitration under K.S.A. Sections 5-201 – 5-213 inclusive, in lieu of the arbitration procedure provided in this condition.

  - c. For which an insuring or bonding company denies coverage or is or becomes insolvent, or
  - d. For which neither the driver nor owner can be identified. The vehicle must either:

    - (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying", provided the facts of the "accident" can be corroborated by competent evidence other than the testimony of any person having a claim under this or any other similar insurance as the result of such "accident".

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law.

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. If this policy is issued for more than one year, the premium shall be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

## KANSAS CHANGES

For a covered "auto" licensed or principally garaged in, or "garage operations" conducted in Kansas, this endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

### A. Changes In Liability Coverage

1. For coverage and limits required by the Kansas Financial Responsibility law, **Exclusions** is changed as follows:

- a. The **Workers' Compensation** Exclusion is replaced by the following:

Any obligation for which the "insured" or the "insured's" insurer may be held liable under any workers' compensation, disability benefits or any similar law.

- b. The **Employee Indemnification And Employers' Liability** Exclusion is replaced by the following:

This coverage does not apply to "bodily injury" to any "employee" of the "insured" arising out of and in the course of the fellow "employee's" employment by the "insured" or while performing duties related to the conduct of the "insured's" business if benefits are required or available for the "employee" under any workers' compensation or disability benefits law or under any similar law. This exclusion does not apply to liability assumed by the "insured" under an "insured contract".

- c. The **Care, Custody Or Control** Exclusion is replaced by the following:

This coverage does not apply to "property damage" to property owned by, rented to, or in charge of or transported by an "insured". However, this exclusion does not apply to "property damage" to a rented residence or private garage or to liability assumed by the "insured" under a sidetrack agreement.

- d. The following is added to the **War** Exclusion:

This Exclusion applies only to the extent that the limit of insurance for this coverage in this policy exceeds the limit required by the Kansas Automobile Injury Reparations Act.

- e. The **Racing** Exclusion, if contained in the coverage form, does not apply.

- f. The exclusion relating to "bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants does not apply if the discharge, dispersal, release or escape is sudden and accidental.

2. Our Limit Of Insurance applies except that we will apply the limit shown in the Declarations to first provide the separate limits required by Kansas law as follows:

- a. \$25,000 for "bodily injury" to any one person caused by any one "accident".
- b. \$50,000 for "bodily injury" to two or more persons caused by any one "accident", and
- c. \$10,000 for "property damage" caused by any one "accident".

This provision will not change our limit of insurance.

**B. Changes In Physical Damage**

1. The "Diminution In Value" Exclusion does not apply.
2. The Limit of Insurance provision with respect to repair or replacement resulting in better than like kind or quality in any coverage form or endorsement does not apply.

**C. Changes In Conditions**

1. The **Concealment, Misrepresentation Or Fraud** General Condition is replaced by the following:

We will not pay in any case of fraud by you at any time as it relates to this Coverage Form. We will also not pay if you or any other "insured", knowingly and with intent to defraud, presents, causes to be presented or prepares with knowledge or belief that it will be presented, any written statement relating to an insurance application, rating, claim or coverage under this Coverage Form which such person:

- a. Knows to contain materially false information; or
- b. Conceals, for the purposes of misleading, information

concerning any material fact.

2. The **Appraisal For Physical Damage Loss** Condition in the Business Auto, Garage, Truckers and Motor Carrier Coverage Forms and the **Appraisal** Condition in the Business Auto Physical Damage Coverage Form is replaced by the following:

If, after a claim has been made, a dispute arises because you and we disagree on the amount of the "loss", either party may make a written request for an appraisal of the "loss". **However an appraisal will be made only if both you and we agree, voluntarily to have the loss appraised.** If so agreed, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraiser and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**An appraisal decision will be binding.**

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

- A. If you are an individual and a covered "auto" you own is of the "private passenger type", and this policy covers fewer than five "autos" and does not insure the motor vehicle hazard of garages, motor vehicle sales agencies, repair shops, service stations or public parking places, the CANCELLATION Common Policy Condition does not apply to that "auto". The following Condition applies instead:

### **ENDING THIS POLICY**

- (3) When we are able to show competent medical evidence that the insured has a physical or mental disablement that impairs his or her ability to drive in a safe and reasonable manner.
- (4) When unfavorable underwriting factors, pertinent to the risk, are existent, and of a substantial nature, which could not have reasonably been ascertained by us at the initial issuance or the last renewal of the policy.
- (5) When the policy has been continuously in effect for a period of 5 years, provided that such 5 year period shall begin at the first anniversary date following the policy effective date.
- (6) When any of the reasons specified as reasons for cancellation are existent.

c. If we offer to renew or continue this policy and you do not accept, this policy will terminate at the end of the policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.

d. If we fail to mail proper notice of nonrenewal and you obtain other insurance, this policy will end on the effective date of that insurance.

  - (6)** A determination by the insurance commissioner that we no longer have adequate reinsurance to meet our needs.

- d.** The effective date of cancellation stated in the notice shall become the end of the policy period.

6. **Survivor's Loss.** Total allowances to all "survivors" for:
  - a. Loss after an "insured's" death of his or her "monthly earnings", and

6. Sustained by any person other than you or any "family member" not a resident of Kansas while not "occupying" the covered "auto".

#### **D. Limit Of Insurance**

Regardless of the number of "insureds", policies or bonds applicable, claims made, premiums paid or covered "autos" to which this coverage applies, the most we will pay for personal injury protection benefits for "bodily injury" sustained by any one person in any one "motor vehicle accident" is limited as follows:

1. Medical Expenses shall not include rehabilitation expenses. The maximum amount payable shall not exceed \$4,500;

- b. The "insured" or someone on such person's behalf must as soon as practicable give us written proof of claim, including:

- (1) Full particulars of the nature and extent of the "bodily injury", treatment and rehabilitation received and contemplated; and

#### **2. Transfer Of Rights Of Recovery Against Others To Us** is replaced by the following:

- a. In the event of recovery by the "insured", such person's dependents or personal representatives by judgment, settlement or otherwise against the party causing "bodily injury" pursuant to K.S.A. Supp. 40-3117, the "insured's" rights shall be transferred to us to the extent of duplicative personal injury protection benefits provided to date of such recovery. We shall have a lien against such recovery and may intervene in any action to protect and enforce such lien. The amount of any judgment in any such action, settlement or recovery otherwise recovered by the "insured", such person's dependents or personal representatives prior to the completion of personal injury protection benefits, otherwise actually paid and recovered which is in excess of the amount of personal injury protection benefits paid to the date of recovery of such judgment, settlement or recovery otherwise shall be credited against future payments of said personal injury protection benefits.
- b. In the event an "insured", such person's dependents or personal representative fails to commence an action against the party causing the "bodily injury" within eighteen months after the date of the "accident" that resulted in injury, such failure shall operate as an assignment to us of any cause of action which the "insured", the dependents or personal representatives of such person may have against the party causing "bodily injury" for the purpose and to the extent of recovery of damages which are duplicative of personal injury protection benefits. We may enforce the action in our name or that of the "insured", representatives or dependents of the "insured" for their benefit as their interest may appear by proper action in any court of competent jurisdiction.

c. In the event of recovery pursuant to K.S.A. 60-258a, and amendments thereto, any rights transferred to us shall be reduced by the percentage of negligence attributable to the "insured".

d. Pursuant to this section, the court shall fix attorney fees which shall be paid proportionately by the "insured", such person's dependents or personal representatives and us in the amounts determined by the court.

3. **Concealment, Misrepresentation Or Fraud** does not apply.

If two or more insurers or self-insurers are liable to pay personal injury protection benefits for the same injury to any one "insured", the maximum recovery under all applicable policies will not exceed the amount payable under the policy with the highest dollar limits of benefits. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. The Aggregate Limit of Insurance – "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the accident or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
  - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
  - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
  - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
  - (4) Authorize us to obtain medical records or other pertinent information.
  - (5) Submit to examination at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

#### 3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

#### 4. Loss Payment – Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

#### 5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

## B. General Conditions

### 1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

### 2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

### 3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

### 4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

### 5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

### 6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

### 7. Policy Period, Coverage Territory

Under this Coverage Form, we cover:

- a. "Bodily injury", "property damage" and "losses" occurring; and
- b. "Covered pollution cost or expense" arising out of "accidents" occurring

during the policy period shown in the Declarations and within the coverage territory.

The coverage territory is:

- a. The United States of America;
- b. The territories and possessions of the United States of America;
- c. Puerto Rico;
- d. Canada; and
- e. Anywhere in the world if:

- (1) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and

- (2) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico, or Canada or in a settlement we agree to.

We also cover "bodily injury", "property damage", "covered pollution cost or expense" and "losses" while a covered "auto" is being transported between any of these places.

The coverage territory is extended to anywhere in the world if the "bodily injury" or "property damage" is caused by one of your "products" which is sold for use in the United States of America, its territories or possessions, Puerto Rico or Canada. The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

#### **8. Two Or More Coverage Forms Or Policies Issued By Us**

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if the "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants".

Paragraphs b. and c. above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

#### A. Coverage

1. We will pay all sums the "insured" is legally entitled to recover as damages from the owner or driver of an "uninsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".
2. With respect to damages resulting from an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle", we will pay under this coverage only if **a.** or **b.** below applies:
  - a. The limit of any applicable liability bonds or policies have been exhausted by payment of judgments or settlements; or

- b. A tentative settlement has been made between an "insured" and the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" and we:

- (1) Have been given prompt written notice of such tentative settlement; and
- (2) Advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification.

#### B. Who Is An Insured

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
  - a. The Named Insured and any "family members".

- b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".
2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":
- a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

#### C. Exclusions

This insurance does not apply to any of the following:

- 1. Any claim settled or judgment reached without our consent if the settlement or judgment prejudices our right to recover payment. However, this exclusion does not apply to a settlement made with the insurer of a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle".
- 2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
- 3. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
- 4. "Bodily injury" sustained by an "insured" while "occupying" or when struck by any motor vehicle that is owned by or provided for the regular use of that "insured" for which the security required by Kansas law is not in effect.

#### D. Limit Of Insurance

- 1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident", is the limit of Uninsured Motorists Insurance shown in the Schedule or Declarations. We will apply the limit shown in the Schedule or Declarations to first provide the separate limits required by Kansas law as follows:
  - a. \$25,000 for "bodily injury" to any one person caused by any one "accident", and

- b. \$50,000 for "bodily injury" to two or more persons caused by any one "accident".

This provision will not change our total limit of liability.

- 2. The limit for damages resulting from "bodily injury" caused by a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" applies separately from the limit for a vehicle described in Paragraphs a., c. and d. of that definition.
- 3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage and any Liability Coverage Form, Medical Payments Coverage Endorsement, Uninsured Motorists Coverage Endorsement or Underinsured Motorists Coverage Endorsement attached to this Coverage Part.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

We will not pay for any element of "loss" if the person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits or similar law or personal injury protection coverage.

- 4. Any amount paid under this insurance will reduce any amount an "insured" may be paid under the Coverage Form's Liability Coverage.

#### E. Changes In Conditions

The conditions are changed for Uninsured Motorists Coverage as follows:

- 1. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms are changed by addition of the following:
  - a. The reference to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
  - b. If there is other applicable insurance available under one or more policies or provisions of coverage, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage on either a primary or excess basis.
- 2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
  - a. Promptly notify the police if a hit-and-run driver is involved, and

b. Promptly send us copies of the legal papers if a "suit" is brought.

c. A person seeking Uninsured Motorists Coverage must also:

(1) Notify us in writing, by certified mail, of a tentative settlement between the "insured" and the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle"; and

(2) Allow us 60 days after receipt of the written notice to advance payment to that "insured", in an amount equal to the tentative settlement, to preserve our rights against the insurer, owner or operator of such vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle".

Such written notice shall include written documentation of all damages incurred, copies of all medical bills and written authorization or a court order to obtain reports from all employers and medical providers.

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

a. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

b. We do not have a right of recovery with respect to damages resulting from an "accident" with a vehicle described in Paragraphs **a., c. and d.** of the definition of "uninsured motor vehicle" to which a liability bond or policy applies at the time of the "accident", but the bonding or insuring company is or becomes insolvent.

c. Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" if we:

(1) Have been given written notice by certified mail of a tentative agreement between the "insured" and the insuring company of the owner or operator of the underinsured motor vehicle to settle for liability limits; and

(2) Fail to advance payments to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of the notice.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification:

(1) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Uninsured Motorists Coverage; and

(2) We also have a right to recover the advance payment.

4. **The Two Or More Coverage Forms Or Policies Issued By Us** General Condition does not apply.

5. **The Concealment, Misrepresentation Or Fraud** General Condition does not apply.

6. The following condition is added:

#### **ARBITRATION**

a. If, after a claim has been made, a dispute arises because we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the parties may agree to arbitration. **One party cannot force the other party into arbitration.** However, disputes concerning coverage under this endorsement may not be arbitrated. If the parties agree to arbitration, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to procedure and evidence will apply. Any decision agreed to by the arbitrators will not be binding.

c. Once arbitration is agreed to by both parties, either party has the right to bring arbitration under K.S.A. Sections 5-201 – 5-213 inclusive, in lieu of the arbitration procedure provided in this condition.

## F. Additional Definitions

As used in this endorsement:

1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.
2. "Occupying" means in, upon, getting in, on, out or off.
3. "Uninsured motor vehicle" means a land motor vehicle or "trailer":
  - a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by Kansas law, or
  - b. That is an underinsured motor vehicle. An underinsured motor vehicle is a land motor vehicle or "trailer" for which the sum of all liability bonds or policies at the time of an "accident" provides at least the amounts required by Kansas law, but their limits are less than the limit of this insurance, or
  - c. For which an insuring or bonding company denies coverage or is or becomes insolvent, or
  - d. For which neither the driver nor owner can be identified. The vehicle must either:
    - (1) Hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying"; or

- (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying", provided the facts of the "accident" can be corroborated by competent evidence other than the testimony of any person having a claim under this or any other similar insurance as the result of such "accident".

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law.
- b. Owned by a governmental unit or agency.

2. If on the date of your last report the total value of these covered "autos", driven or transported during the period the report covers, exceeds what you reported we will pay only a percentage of what we would otherwise be obligated to pay. CLAIM SETTLEMENT ENDORSEMENT**

This endorsement modifies coverage provided by the:

**GARAGE COVERAGE FORM**

With respect to loss due to wind or hail, the following is added to Section IV. Physical Damage Coverage of the Garage Coverage Form.

If your business is shown in the declarations as an "auto dealership", we will pay "loss" to a covered "auto" due to wind or hail as described below.

At our option, the most we will pay for "loss" to any one covered "auto" is the lesser of :

1. The cost of replacing the damaged property with other property of like kind and quality;
2. The cost of repairing the damaged property by conventional means of body work;
3. The cost of repairing the damaged property by Dent Crafters or similar type process and company.

You may choose to receive a cash settlement equal to the lesser of the loss of value for the damaged auto or the repair option selected by us in lieu of exercising the replace or repair option selected by us.

When settlement is based on replacement of a covered "auto", it will be at your actual cost exclusive of your profit, holdback, or overhead expenses. We will subtract a reasonable amount for depreciation. When settlement is based on repairs to the covered "auto" and you are capable of performing the repair work, the most we will pay is 65% of the retail charges on parts, materials and labor unless stated otherwise in the declarations.

From the amount of loss, as determined above, we will subtract a reasonable amount for depreciation as well as the deductible shown in the declarations under Physical Damage Comprehensive Coverage. This deductible applies to each covered "auto" in the event that more than one covered "auto" is damaged in one event.

If a maximum deductible is stated in the declarations for Physical Damage, Comprehensive or Specified Causes of Loss Coverage, then the stated maximum deductible is the most that will be deducted for all "loss" in any one event caused by wind or hail.

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. #### A. Coverage

We will pay Personal Injury Protection benefits in accordance with the Kansas Automobile Injury Reparations Act to or for an "insured" who sustains "bodily injury" caused by an "accident" arising out of the ownership, operation, maintenance or use of a "motor vehicle". Subject to the limits shown in the Schedule, these Personal Injury Protection benefits consist of the following:

1. Medical Expenses. All reasonable expenses incurred for necessary medical, surgical, X-ray and dental services, including prosthetic devices and necessary ambulance, hospital and professional nursing services, necessary health care rendered by licensed psychologists and also includes services recognized and permitted under the laws of Kansas for an "insured" who relies upon spiritual means through prayer alone for healing in accordance with such person's religious beliefs.
2. Rehabilitation Expenses. All reasonable expenses incurred for necessary psychiatric or psychological services, occupational therapy and such occupational training and retraining as may be reasonably necessary to enable the "insured" to obtain suitable employment.
3. Work Loss. Loss during the "insured's" lifetime of "monthly earnings" due to such person's inability to engage in available and appropriate gainful activity, provided the "bodily injury" sustained is the proximate cause of such liability.
4. Essential Service Expenses. Appropriate and reasonable expenses incurred in obtaining ordinary and necessary services in lieu of those that, but for the "bodily injury", the "insured" would have performed for the benefit of such person or such person's family.
5. Funeral Expenses. Funeral, burial or cremation expenses incurred.
6. Survivor's Loss. Total allowances to all "survivors" for:
  - a. Loss after an "insured's" death of his or her "monthly earnings", and
  - b. Essential service expenses incurred after the "insured's" death, reduced by the amount of any expenses of the survivors which have been avoided by reason of the "insured's" death.

#### B. Who Is An Insured

1. You if you sustain "bodily injury" while "occupying" or as a pedestrian through direct physical contact with any "motor vehicle".

**SECTION II - LIABILITY COVERAGE**

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance - "Garage Operations" - Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:
- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
  - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
  - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
2. "Garage Operations" - Covered "Autos"
- We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident". We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance - "Garage Operations" - Covered "Autos" has been exhausted by payment of judgments or settlements.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.

(5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

#### 5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

## **B. General Conditions**

### **1. Bankruptcy**

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

### **2. Concealment, Misrepresentation Or Fraud**

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

### **3. Liberalization**

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

### **4. No Benefit To Ballee - Physical Damage Coverages**

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

### **5. Other Insurance**

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

### **6. Premium Audit**

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

### **7. Policy Period, Coverage Territory**

Under this Coverage Form, we cover:

- a. "Bodily injury", "property damage" and "losses" occurring; and

We also cover "bodily injury", "property damage", "covered pollution cost or expense" and "losses" while a covered "auto" is being transported between any of these places.

The coverage territory is extended to anywhere in the world if the "bodily injury" or "property damage" is caused by one of your "products" which is sold for use in the United States of America, its territories or possessions, Puerto Rico or Canada. The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

**8. Two Or More Coverage Forms Or Policies Issued By Us**

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".
2. With respect to damages resulting from an "accident" with a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle", we will pay under this coverage only if a. or b. below applies:

We do not have a right of recovery with respect to damages resulting from an "accident" with a vehicle described in Paragraphs a., c. and d. of the definition of "uninsured motor vehicle" to which a liability bond or policy applies at the time of the "accident", but the bonding or insuring company is or becomes insolvent.
  - c. Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph b. of the definition of "uninsured motor vehicle" if we:

If the parties agree to arbitration, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
  - b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to procedure and evidence will apply. Any decision agreed to by the arbitrators will not be binding.

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

### A. Changes In Liability Coverage

1. For coverage and limits required by the Kansas Financial Responsibility law, Exclusions is changed as follows:

- a. The **Workers' Compensation** Exclusion is replaced by the following:

Any obligation for which the "insured" or the "insured's" insurer may be held liable under any workers' compensation, disability benefits or any similar law.

- b. The **Employee Indemnification And Employers' Liability** Exclusion is replaced by the following:

This coverage does not apply to "bodily injury" to any "employee" of the "insured" arising out of and in the course of the fellow "employee's" employment by the "insured" or while performing duties related to the conduct of the "insured's" business if benefits are required or available for the "employee" under any workers' compensation or disability benefits law or under any similar law. This exclusion does not apply to liability assumed by the "insured" under an "insured contract".

- c. The **Care, Custody Or Control** Exclusion is replaced by the following:

This coverage does not apply to "property damage" to property owned by, rented to, or in charge of or transported by an "insured". However, this exclusion does not apply to "property damage" to a rented residence or private garage or to liability assumed by the "insured" under a sidetrack agreement.

- d. The following is added to the War Exclusion:

This Exclusion applies only to the extent that the limit of insurance for this coverage in this policy exceeds the limit required by the Kansas Automobile Injury Reparations Act.

- e. The **Racing** Exclusion, if contained in the coverage form, does not apply.

- f. The exclusion relating to "bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants does not apply if the discharge, dispersal, release or escape is sudden and accidental.

2. Our Limit Of Insurance applies except that we will apply the limit shown in the Declarations to first provide the separate limits required by Kansas law as follows:

- a. \$25,000 for "bodily injury" to any one person caused by any one "accident".
- b. \$50,000 for "bodily injury" to two or more persons caused by any one "accident", and
- c. \$10,000 for "property damage" caused by any one "accident".

This provision will not change our limit of insurance.

**B. Changes in Physical Damage**

1. The "Diminution in Value" Exclusion does not apply.
2. The Limit of Insurance provision with respect to repair or replacement resulting in better than like kind or quality in any coverage form or endorsement does not apply.

**C. Changes in Conditions**

1. The **Concealment, Misrepresentation Or Fraud** General Condition is replaced by the following:

We will not pay in any case of fraud by you at any time as it relates to this Coverage Form.

We will also not pay if you or any other "insured", knowingly and with intent to defraud, presents, causes to be presented or prepares with knowledge or belief that it will be presented, any written statement relating to an insurance application, rating, claim or coverage under this Coverage Form which such person:

- a. Knows to contain materially false information; or
- b. Conceals, for the purposes of misleading, information concerning any material fact.

2. The **Appraisal For Physical Damage Loss** Condition in the Business Auto, Garage, Truckers and Motor Carrier Coverage Forms and the **Appraisal** Condition in the Business Auto Physical Damage Coverage Form is replaced by the following:

If, after a claim has been made, a dispute arises because you and we disagree on the amount of the "loss", either party may make a written request for an appraisal of the "loss".

However an appraisal will be made only if both you and we agree, voluntarily to have the loss appraised. If so agreed, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraiser and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**An appraisal decision will be binding.**

1. The most we will pay for "loss" to any one covered "auto" not scheduled on the **SCHEDULE OF COVERED AUTOS** is the lesser of:
    - a. The actual cash value of the damaged or stolen property as of the time of "loss"; or
    - b. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality; or
    - c. \$ 30,000 (\$30,000 or the Dealer Open Lot Limit, whichever is less, if left blank).
  4. c. Non-Reporting Premium Basis. When a "loss" occurs, we will establish the total value of your covered "autos".
    - (1) If the Limit of Insurance, shown in **ITEM SEVEN** of the **AUTO DEALERS' SUPPLEMENTARY SCHEDULE**, for the location of the "loss" is 80% or more of the actual cash value of your covered "autos" at the location of the "loss", we will pay the full value of the "loss" up to the Limit of Insurance.
    - (2) If the Limit of Insurance, shown in **ITEM SEVEN** of the **AUTO DEALERS' SUPPLEMENTARY SCHEDULE**, for the location of the "loss" is less than 80% of the total actual cash value of your covered "autos" at the location of the "loss", we will pay only a percentage share of the "loss", up to the Limit of Insurance. We will determine this percentage share by dividing the Limit of Insurance shown in the **SCHEDULE** for the location of the "loss" by the total actual cash value of your covered "autos" at the location of the "loss", and multiplying the resulting quotient by 1.25.
- D. DEDUCTIBLE** is deleted and replaced by the following:
1. For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen "autos" will be reduced by the deductible as shown in the **AUTO DEALERS' SUPPLEMENTARY SCHEDULE OF COVERED AUTOS**.
  2. Deductibles apply for each covered "auto", for each "loss".

**SECTION VI - DEFINITIONS** is changed by adding the following:

"Consigned Automobile" means an "auto" held by you for sale, but does not include:

- (1) An "auto" owned by you, or
- (2) An "auto" on which your creditor has placed a lien.

All other terms, conditions and agreements of the policy shall remain unchanged.

# TERRORISM RISK INSURANCE ENDORSEMENT

## NOTICE TO POLICYHOLDERS REQUIRED UNDER TERRORISM RISK INSURANCE ACT OF 2002

Pursuant to the requirements of the Terrorism Risk Insurance Act of 2002 (the "Act"), including all amendments thereto, we advise you of the following information:

Coverage for acts of terrorism is included in this policy subject to the terms, conditions, limits and exclusions contained therein. Under this coverage, certain losses caused by certified acts of terrorism may be partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays a portion (85% in Calendar Year 2008 through expiration) of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. While your insurer faces significant exposure under your policy for losses caused by acts of terrorism, the premium you paid for the policy does not reflect that exposure. Consequently, no premium is currently being charged on your policy for the risk of losses caused by certified acts of terrorism.

THERE IS AN ANNUAL LIABILITY CAP FOR COVERED TERRORISM LOSSES UNDER THE ACT EQUAL TO \$100,000,000,000 OF AGGREGATE INSURED LOSSES AS DEFINED IN THE ACT. LOSSES PAID UNDER THIS COVERAGE WILL BE PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. UNDER THIS FORMULA, THE UNITED STATES PAYS A PORTION (85% IN CALENDAR YEAR 2008 THROUGH EXPIRATION) OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. ANY INSURER THAT HAS SATISFIED THEIR STATUTORILY ESTABLISHED DEDUCTIBLE IS NOT LIABLE FOR AND THE UNITED STATES SECRETARY OF THE TREASURY IS NOT AUTHORIZED TO PAY ANY PORTION OF SUCH LOSSES EXCEEDING THE CAP ON ANNUAL LIABILITY OF \$100,000,000,000.

Premium on renewal of your coverage may be charged for you to maintain coverage for losses arising out of acts of terrorism. In that event you will be informed of such charges to the extent required by federal or state law.

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. If this policy is issued for more than one year, the premium shall be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

**A. Coverage Extensions** is amended as follows:

The following is added to **Supplementary Payments**:

- (7) Prejudgment interest awarded against the "insured" on the part of the judgment we pay. If we make an offer to pay the applicable Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.

**B. Paragraph A.1.b. of Who Is An Insured in Section II – Liability Coverage** in the Business Auto Coverage Form, Motor Carrier Coverage Form and Truckers Coverage Form is changed by adding the following:

- (6) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

Paragraph **a.(2) of Who Is An Insured in Section II – Liability Coverage** in the Garage Coverage Form is changed by adding the following:

- (f) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

**C. Liability Coverage** for a covered "auto" licensed or principally garaged in, or "garage operations" conducted in, Missouri is changed as follows:

- 1. If your business is other than selling, repairing or servicing "autos":
  - a. The Care, Custody Or Control Exclusion does not apply to "property damage" to or "covered pollution cost or expense" involving an "auto" loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos" as a temporary substitute for an "auto" you own.
  - b. The following is added to the **Other Insurance Condition** in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

Liability Coverage is primary for any temporary substitute for an "auto" you own if the substitute "auto" is operated by an "insured" and is loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos".

2. If your business is selling, repairing or servicing "autos", the following is added to the **Other Insurance** Condition in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

Liability Coverage is excess for any "auto" you own if operated by a customer to whom you have loaned the "auto", with or without consideration, as a temporary substitute for an "auto" owned by the customer.

**D. The Appraisal For Physical Damage Loss** Condition is replaced by the following:

If you and we disagree on the amount of "loss", both parties may agree to an appraisal of the "loss" and to be bound by the results of that appraisal. If both parties so agree, then each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**E. The following is added to the Concealment, Misrepresentation And Fraud** Condition:

With respect to Liability Coverage, this Condition only applies in excess of the minimum limits of liability required by the Missouri Financial Responsibility Laws.

**F. Missouri Property And Casualty Insurance Guaranty Association Coverage Limitations**

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.

2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:

a. Claims covered by the Association do not include a claim by or against an "insured" of an insolvent insurer, if the "insured" has a net worth of more than \$25 million on the later of the end of the "insured's" most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an "insured's" net worth on such date shall be deemed to include the aggregate net worth of the "insured" and all of its affiliates as calculated on a consolidated basis.

b. Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000.

However, the Association will not:

- (1) Pay an amount in excess of the applicable Limit of Insurance of the policy from which a claim arises; or
- (2) Return to an "insured" any unearned premium in excess of \$25,000.

These limitations have no effect on the coverage we will provide under this policy.

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

The following Condition applies instead:

### ENDING THIS POLICY

#### 1. Cancellation

- a.** You may cancel the policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
- b.** If this policy has been in effect for 60 days or less and is not a renewal or continuation policy, we may cancel for any reason. If we cancel, we will mail you at least 10 days notice.
- c.** When this policy has been in effect for more than 60 days or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:
  - (1)** Nonpayment of premium. If we cancel for this reason, we will mail you at least 10 days notice.

- (2)** If you are an individual, partnership or limited liability company and your driver's license has been suspended or revoked during the policy period. If we cancel for this reason, we will mail you at least 60 days notice. However, we may not cancel if you are more than one person, but only one person's license has been suspended or revoked. Instead we may exclude coverage for that person while operating a covered "auto" during a period of suspension or revocation.

- (3)** If you are an individual, we replace this policy with another one providing similar coverages and the same limits for the covered "auto". The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.

- d.** If this policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. However, making or offering to make the refund is not a condition of cancellation. If you cancel, the refund may be less than pro rata. If we cancel, the refund will be pro rata.

- e. The effective date of cancellation stated in the notice shall become the end of the policy period.
- f. Our notice of cancellation will state the actual reason for cancellation unless the cancellation is due to nonpayment of premium.

## **2. Nonrenewal**

- a. If we decide not to renew or continue this policy, we will mail you notice at least 60 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at the anniversary of its original effective date. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.
- b. If we fail to mail proper notice of nonrenewal and you obtain other insurance, the coverages provided by this policy will end on the effective date of any similar coverages provided by the other insurance.
- c. Our notice of nonrenewal will state the actual reason for nonrenewal unless the nonrenewal is due to nonpayment of premium.

## **3. Mailing Of Notices**

Any notice of cancellation or nonrenewal will be mailed by United States post office certificate of mailing to your last known mailing address. Proof of mailing of any notice will be sufficient proof of notice.

## **B. For "autos" not described in Paragraph A. above:**

- 1. Paragraph 2. of the **Cancellation** Common Policy Condition is replaced by the following:

We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:

- a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium;
  - b. 30 days before the effective date of cancellation if cancellation is for one or more of the following reasons:
    - (1) Fraud or material misrepresentation affecting this policy or a claim filed under this policy or a violation of any of the terms or conditions of this policy;
    - (2) Changes in conditions after the effective date of this policy which have materially increased the risk assumed;
    - (3) We become insolvent; or,
    - (4) We involuntarily lose reinsurance for this policy.
  - c. 60 days before the effective date of cancellation if we cancel for any other reason.
- 2. The following is added and supersedes any provision to the contrary:

### **NONRENEWAL**

**B. Owned Autos You Acquire After The Policy Begins**

1. If Symbols 21, 22, 23, 24, 25, or 26 are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.
2. But, if Symbol 27 is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:
  - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
  - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

**C. Certain Trailers And Temporary Substitute Autos**

**SECTION II – LIABILITY COVERAGE**

**A. Coverage**

**1. "Garage Operations" – Other Than Covered "Autos"**

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

## 2. "Garage Operations" – Covered "Autos"

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance – "Garage Operations" – Covered "Autos" has been exhausted by payment of judgments or settlements.

## 3. Who Is An Insured

a. The following are "insureds" for covered "autos":

- (1) You for any covered "auto".
- (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
  - (a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
  - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
  - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

(d) Your customers. However, if a customer of yours:

(i) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.

(ii) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.

(e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.

(3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

(4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.

b. The following are "insureds" for "garage operations" other than covered "autos":

(1) You.

(2) Your partners (if you are a partnership), members (if you are a limited liability company), "employees", directors or shareholders but only while acting within the scope of their duties.

#### 4. Coverage Extensions

##### a. Supplementary Payments

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.

(5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

(1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### B. Exclusions

This insurance does not apply to any of the following:

##### 1. Expected Or Intended Injury

This exclusion applies:

- (1) Whether the "insured" may be liable as an employer or in any other capacity; and

## **8. Pollution Exclusion Applicable To "Garage Operations" – Other Than Covered "Autos"**

(2) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to or assessing the effects of "pollutants".

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if the "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants".

Paragraphs b. and c. above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (1) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (2) The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.

### C. Limit Of Insurance

#### 1. Aggregate Limit Of Insurance – "Garage Operations" – Other Than Covered "Autos"

For "garage operations" other than the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of "insureds", claims made or "suits" brought or persons or organizations making claims or bringing "suits", the most we will pay for the sum of all damages involving "garage operations" other than "auto" is the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

Damages payable under the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" consist of damages resulting from "garage operations", other than the ownership, maintenance or use of the "autos" indicated in Section I of this Coverage Form as covered "autos", including the following coverages, if provided by endorsement:

- a. "Personal injury" liability coverage;
- b. "Personal and advertising injury" liability coverage;
- c. Host liquor liability coverage;
- d. Fire legal liability coverage;
- e. Incidental medical malpractice liability coverage;
- f. Non-owned watercraft coverage; and
- g. Broad form products coverage.

Damages payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos".

Subject to the above, the most we will pay for all damages resulting from all "bodily injury" and "property damage" resulting from any one "accident" is the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

The Aggregate Limit of Insurance – "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

#### 2. Limit Of Insurance – "Garage Operations" – Covered "Autos"

For "accidents" resulting from "garage operations" involving the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" involving a covered "auto" is the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" for Liability Coverage shown in the Declarations.

Damages and "covered pollution cost or expense" payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

### D. Deductible

However, we have no duty to defend any "insured" against a "suit" seeking damages for any loss to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends for a coverage when the Limit of Insurance for that coverage has been exhausted by payment of judgments or settlements.

#### 3. Who Is An Insured

The following are "insureds" for "loss" to "customer's autos" and "customer's auto" equipment:

- a. You.

3. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

### 4. The following provisions also apply:

- a. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" at any one location is the amount shown in the Declarations for that location. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" in transit is the amount shown in the Declarations for "loss" in transit.

### b. Quarterly Or Monthly Reporting Premium Basis

If, on the date of your last report, the actual value of the covered "autos" at the "loss" location exceeds what you last reported, when a "loss" occurs we will pay only a percentage of what we would otherwise be obligated to pay. We will determine this percentage by dividing your total reported value for the involved location by the value you actually had on the date of your last report.

If the first report due is delinquent on the date of "loss", the most we will pay will not exceed 75 percent of the Limit of Insurance shown in the Declarations for the applicable location.

### c. Non-Reporting Premium Basis

If, when "loss" occurs, the total value of your covered "autos" exceeds the Limit of Insurance shown in the Declarations, we will pay only a percentage of what we would otherwise be obligated to pay.   - a. Theft or mischief or vandalism; or
  - b. All perils.

## SECTION V – GARAGE CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

### A. Loss Conditions

#### 1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire.

The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the accident or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
  - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
  - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
  - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
  - (4) Authorize us to obtain medical records or other pertinent information.
  - (5) Submit to examination at our expense, by physicians of our choice, as often as we reasonably require.

c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

#### 3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

#### 4. Loss Payment – Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

#### 5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

## **B. General Conditions**

### **1. Bankruptcy**

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

### **2. Concealment, Misrepresentation Or Fraud**

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

### **3. Liberalization**

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

### **4. No Benefit To Bailee – Physical Damage Coverages**

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

### **5. Other Insurance**

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:
  - (1) Excess while it is connected to a motor vehicle you do not own.
  - (2) Primary while it is connected to a covered "auto" you own.
- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

### **6. Premium Audit**

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

We also cover "bodily injury", "property damage", "covered pollution cost or expense" and "losses" while a covered "auto" is being transported between any of these places.

The coverage territory is extended to anywhere in the world if the "bodily injury" or "property damage" is caused by one of your "products" which is sold for use in the United States of America, its territories or possessions, Puerto Rico or Canada. The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

#### **8. Two Or More Coverage Forms Or Policies Issued By Us**

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
  - a. The Named Insured and any "family members". However, this does not include any "family member", other than the Named Insured's spouse, who owns an "auto".
  - b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".
2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":
  - a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

#### **C. Exclusions**

This insurance does not apply to any of the following:

1. Any claim settled without our consent, if the settlement or judgment prejudices our right to recover payment.
2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.

3. "Bodily injury" sustained by any person while "occupying" or struck by any vehicle owned by the Named Insured or if the Named Insured is an individual, any "family member", that is not a covered "auto". However, this exclusion does not apply to an individual Named Insured.
4. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
5. Punitive or exemplary damages.
6. "Bodily injury" arising directly or indirectly out of:
  - a. War, including undeclared or civil war;
  - b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
  - c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

#### **D. Limit Of Insurance**

1. Regardless of the number of "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident" is the limit of Uninsured Motorists Coverage shown in the Schedule or Declarations.

However, if "bodily injury" to which this coverage applies is sustained by any person other than an individual Named Insured or any "family member", the Limit of Insurance shown in the Schedule or Declarations for this coverage is also the most we will pay regardless of the number of covered "autos".

2. If there are two or more covered "autos" that are not trailers, and "bodily injury" is sustained by an individual Named Insured or any "family member", our Limit of Insurance for any one "accident" is the sum of the limits applicable to each covered "auto" which is not a "trailer". Subject to this maximum limit of liability for all damages:

- a. The most we will pay for all damages sustained in such "accident" by an "insured" other than an individual Named Insured or any "family member" is that "insured's" pro rata share of the limit shown in the Schedule or Declarations for this coverage, at the time of the "accident".

- b. An individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph a. above.

A person's pro rata share is the proportion that that person's damages bears to the total damages sustained by all "insureds".

- 3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form attached to this Coverage Part.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible. However, this does not include any amounts paid or payable under medical payments or any workers' compensation, disability benefits or similar law.

#### **E. Changes In Conditions**

The conditions are changed for Missouri Uninsured Motorists Coverage as follows:

- 1. The reference in **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
- 2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
  - a. Promptly notify the police if a hit-and-run driver is involved; and
  - b. Promptly send us copies of the legal papers if a "suit" is brought.
- 3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

- 4. The following condition is added:

#### **ARBITRATION**

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", both parties may agree to an arbitration and to be bound by the results of that arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

- 5. **Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

#### **F. Additional Definitions**

As used in this endorsement:

- 1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.
- 2. "Occupying" means in, upon, getting in, on, out or off.

  - a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged;

- b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or
- c. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must either:
  - (1) Hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying"; or
  - (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying". The facts of the "accident" must be proved. We may request supporting evidence beyond the testimony of a person making a claim under this or any similar coverage to support the validity of such claim.

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law; or
- b. Designed for use mainly off public roads while not on public roads.

#### **D. DEDUCTIBLES**

For each covered auto, our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductibles shown in the declarations, provided that:

##### **a. AUTO DEALERS ONLY SPECIAL DEDUCTIBLE PROVISIONS**

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**DEALERS TEST DRIVE ENDORSEMENT**

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
GARAGE COVERAGE FORM

The following exclusion is added:

If your business is shown in the Declarations as an auto dealership, this insurance does not apply to "bodily injury" or "property damage" arising out of the test driving or demonstration of any covered "auto" by:

1. An unlicensed driver;
2. Any driver under the age of 21 on the date of loss unless accompanied by that driver's parent or legal guardian or an employee of the named insured or an authorized sales representative of the named insured.

We have no duty to defend the insured against a "suit" asking for damages arising out of the above.

All other terms, limits, conditions and provisions of this policy remain unchanged.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**AUTO DEALERS WIND AND HAIL  
CLAIM SETTLEMENT ENDORSEMENT**

This endorsement modifies coverage provided by the:

**GARAGE COVERAGE FORM**

With respect to loss due to wind or hail, the following is added to Section IV. Physical Damage Coverage of the Garage Coverage Form.

If your business is shown in the declarations as an "auto dealership", we will pay "loss" to a covered "auto" due to wind or hail as described below.

At our option, the most we will pay for "loss" to any one covered "auto" is the lesser of :

1. The cost of replacing the damaged property with other property of like kind and quality;
2. The cost of repairing the damaged property by conventional means of body work;
3. The cost of repairing the damaged property by Dent Crafters or similar type process and company.

You may choose to receive a cash settlement equal to the lesser of the loss of value for the damaged auto or the repair option selected by us in lieu of exercising the replace or repair option selected by us.

When settlement is based on replacement of a covered "auto", it will be at your actual cost exclusive of your profit, holdback, or overhead expenses. We will subtract a reasonable amount for depreciation. When settlement is based on repairs to the covered "auto" and you are capable of performing the repair work, the most we will pay is 65% of the retail charges on parts, materials and labor unless stated otherwise in the declarations.

From the amount of loss, as determined above, we will subtract a reasonable amount for depreciation as well as the deductible shown in the declarations under Physical Damage Comprehensive Coverage. This deductible applies to each covered "auto" in the event that more than one covered "auto" is damaged in one event.

If a maximum deductible is stated in the declarations for Physical Damage, Comprehensive or Specified Causes of Loss Coverage, then the stated maximum deductible is the most that will be deducted for all "loss" in any one event caused by wind or hail.

The estimated total premium for this policy is based on the exposures you told us you would have when this policy began. We will compute your final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and you will be billed for the balance, if any. If the estimated total premium exceeds the final premium due you will get a refund. To determine your final premium due we may examine your records at any time during the period of coverage and up to three years afterward. If this policy is issued for more than one year, the premium shall be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

## MISSOURI CHANGES

For a covered "auto" licensed or principally garaged in, or "garage operations" conducted in, Missouri, this endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

**A. Coverage Extensions** is amended as follows:

The following is added to **Supplementary Payments**:

- (7) Prejudgment interest awarded against the "insured" on the part of the judgment we pay. If we make an offer to pay the applicable Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.

**B. Paragraph A.1.b. of Who Is An Insured in Section II – Liability Coverage** in the Business Auto Coverage Form, Motor Carrier Coverage Form and Truckers Coverage Form is changed by adding the following:

- (6) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

Paragraph **a.(2) of Who Is An Insured in Section II – Liability Coverage** in the Garage Coverage Form is changed by adding the following:

- (f) If you are an individual, any member of your household, other than your spouse, who is related to you by blood or adoption, including a ward or foster child, who owns an "auto".

**C. Liability Coverage** for a covered "auto" licensed or principally garaged in, or "garage operations" conducted in, Missouri is changed as follows:

1. If your business is other than selling, repairing or servicing "autos":

- a. The Care, Custody Or Control Exclusion does not apply to "property damage" to or "covered pollution cost or expense" involving an "auto" loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos" as a temporary substitute for an "auto" you own.

- b. The following is added to the **Other Insurance** Condition in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

Liability Coverage is primary for any temporary substitute for an "auto" you own if the substitute "auto" is operated by an "insured" and is loaned to you, with or without consideration, by a person engaged in the business of selling, repairing or servicing "autos".

2. If your business is selling, repairing or servicing "autos", the following is added to the **Other Insurance** Condition in the Business Auto, Business Auto Physical Damage and Garage Coverage Forms and the **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms:

Liability Coverage is excess for any "auto" you own if operated by a customer to whom you have loaned the "auto", with or without consideration, as a temporary substitute for an "auto" owned by the customer.

- D. The **Appraisal For Physical Damage Loss** Condition is replaced by the following:

If you and we disagree on the amount of "loss", both parties may agree to an appraisal of the "loss" and to be bound by the results of that appraisal. If both parties so agree, then each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

- E. The following is added to the **Concealment, Misrepresentation And Fraud** Condition:

With respect to Liability Coverage, this Condition only applies in excess of the minimum limits of liability required by the Missouri Financial Responsibility Laws.

#### F. **Missouri Property And Casualty Insurance Guaranty Association Coverage Limitations**

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.
2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:
  - a. Claims covered by the Association do not include a claim by or against an "insured" of an insolvent insurer, if the "insured" has a net worth of more than \$25 million on the later of the end of the "insured's" most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an "insured's" net worth on such date shall be deemed to include the aggregate net worth of the "insured" and all of its affiliates as calculated on a consolidated basis.
  - b. Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000.

However, the Association will not:

    - (1) Pay an amount in excess of the applicable Limit of Insurance of the policy from which a claim arises; or
    - (2) Return to an "insured" any unearned premium in excess of \$25,000.

These limitations have no effect on the coverage we will provide under this policy.

## MISSOURI CHANGES – CANCELLATION AND NONRENEWAL

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM  
GARAGE COVERAGE FORM  
MOTOR CARRIER COVERAGE FORM  
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

- A. If you are an individual, partnership or limited liability company and a covered "auto" you own is of the "private passenger type", and this policy covers fewer than five "autos" and does not insure the motor vehicle hazard of garages, motor vehicle sales agencies, repair shops, service stations or public parking places, the Cancellation Common Policy Condition does not apply to that "auto". The following Condition applies instead:

### ENDING THIS POLICY

#### 1. Cancellation

- a. You may cancel the policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
- b. If this policy has been in effect for 60 days or less and is not a renewal or continuation policy, we may cancel for any reason. If we cancel, we will mail you at least 10 days notice.
- c. When this policy has been in effect for more than 60 days or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:
  - (1) Nonpayment of premium. If we cancel for this reason, we will mail you at least 10 days notice.

- (2) If you are an individual, partnership or limited liability company and your driver's license has been suspended or revoked during the policy period. If we cancel for this reason, we will mail you at least 60 days notice. However, we may not cancel if you are more than one person, but only one person's license has been suspended or revoked. Instead we may exclude coverage for that person while operating a covered "auto" during a period of suspension or revocation.

- (3) If you are an individual, we replace this policy with another one providing similar coverages and the same limits for the covered "auto". The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.

- d. If this policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. However, making or offering to make the refund is not a condition of cancellation. If you cancel, the refund may be less than pro rata. If we cancel, the refund will be pro rata.

- e. The effective date of cancellation stated in the notice shall become the end of the policy period.
- f. Our notice of cancellation will state the actual reason for cancellation unless the cancellation is due to nonpayment of premium.

## 2. Nonrenewal

- a. If we decide not to renew or continue this policy, we will mail you notice at least 60 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at the anniversary of its original effective date. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.
- b. If we fail to mail proper notice of nonrenewal and you obtain other insurance, the coverages provided by this policy will end on the effective date of any similar coverages provided by the other insurance.
- c. Our notice of nonrenewal will state the actual reason for nonrenewal unless the nonrenewal is due to nonpayment of premium.

## 3. Mailing Of Notices

Any notice of cancellation or nonrenewal will be mailed by United States post office certificate of mailing to your last known mailing address. Proof of mailing of any notice will be sufficient proof of notice.

## B. For "autos" not described in Paragraph A. above:

1. Paragraph 2. of the **Cancellation** Common Policy Condition is replaced by the following:

We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:

- a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium;
- b. 30 days before the effective date of cancellation if cancellation is for one or more of the following reasons:
  - (1) Fraud or material misrepresentation affecting this policy or a claim filed under this policy or a violation of any of the terms or conditions of this policy;
  - (2) Changes in conditions after the effective date of this policy which have materially increased the risk assumed;
  - (3) We become insolvent; or,
  - (4) We involuntarily lose reinsurance for this policy.
- c. 60 days before the effective date of cancellation if we cancel for any other reason.

2. The following is added and supersedes any provision to the contrary:

### NONRENEWAL

1. We may elect not to renew this policy by mailing or delivering to the first Named Insured, at the last mailing address known to us, written notice of nonrenewal, stating the actual reason for nonrenewal, at least sixty days prior to the effective date of the nonrenewal.

**B. Owned Autos You Acquire After The Policy Begins**

**SECTION II – LIABILITY COVERAGE**

**A. Coverage**

**1. "Garage Operations" – Other Than Covered "Autos"**

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.

- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
  - c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
  - d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:
    - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
    - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
    - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- 2. "Garage Operations" – Covered "Autos"**

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance – "Garage Operations" – Covered "Autos" has been exhausted by payment of judgments or settlements.

### **3. Who Is An Insured**

- a. The following are "insureds" for covered "autos":
  - (1) You for any covered "auto".
  - (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

    - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
    - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

  - (ii) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.
- (e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.
- (3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.
- (4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.

- (2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

##### b. Out-Of-State Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### B. Exclusions

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if the "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants".

Paragraphs **b.** and **c.** above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

### C. Limit Of Insurance

#### 1. Aggregate Limit Of Insurance – "Garage Operations" – Other Than Covered "Autos"

For "garage operations" other than the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of "insureds", claims made or "suits" brought or persons or organizations making claims or bringing "suits", the most we will pay for the sum of all damages involving "garage operations" other than "auto" is the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

Damages payable under the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" consist of damages resulting from "garage operations", other than the ownership, maintenance or use of the "autos" indicated in Section I of this Coverage Form as covered "autos", including the following coverages, if provided by endorsement:

- a. "Personal injury" liability coverage;
- b. "Personal and advertising injury" liability coverage;
- c. Host liquor liability coverage;
- d. Fire legal liability coverage;
- e. Incidental medical malpractice liability coverage;
- f. Non-owned watercraft coverage; and
- g. Broad form products coverage.

Damages payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos".

Subject to the above, the most we will pay for all damages resulting from all "bodily injury" and "property damage" resulting from any one "accident" is the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

The Aggregate Limit of Insurance – "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Aggregate Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

#### 2. Limit Of Insurance – "Garage Operations" – Covered "Autos"

For "accidents" resulting from "garage operations" involving the ownership, maintenance or use of covered "autos", the following applies:

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" involving a covered "auto" is the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" for Liability Coverage shown in the Declarations.

Damages and "covered pollution cost or expense" payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Covered "Autos" are not payable under the Each "Accident" Limit of Insurance – "Garage Operations" – Other Than Covered "Autos".

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

#### D. Deductible

We will deduct \$100 from the damages in any "accident" resulting from "property damage" to an "auto" as a result of "work you performed" on that "auto".

### SECTION III – GARAGEKEEPERS COVERAGE

#### A. Coverage

However, we have no duty to defend any "insured" against a "suit" seeking damages for any loss to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends for a coverage when the Limit of Insurance for that coverage has been exhausted by payment of judgments or settlements.

These payments will not reduce the Limit of Insurance.

#### B. Exclusions

1. This insurance does not apply to any of the following:

3. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

### 4. The following provisions also apply:

- a. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" at any one location is the amount shown in the Declarations for that location. Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" in transit is the amount shown in the Declarations for "loss" in transit.

### b. Quarterly Or Monthly Reporting Premium Basis

If, on the date of your last report, the actual value of the covered "autos" at the "loss" location exceeds what you last reported, when a "loss" occurs we will pay only a percentage of what we would otherwise be obligated to pay. We will determine this percentage by dividing your total reported value for the involved location by the value you actually had on the date of your last report.

If the first report due is delinquent on the date of "loss", the most we will pay will not exceed 75 percent of the Limit of Insurance shown in the Declarations for the applicable location.

### c. Non-Reporting Premium Basis

If, when "loss" occurs, the total value of your covered "autos" exceeds the Limit of Insurance shown in the Declarations, we will pay only a percentage of what we would otherwise be obligated to pay.   - a. Theft or mischief or vandalism; or
  - b. All perils.

## SECTION V – GARAGE CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

### A. Loss Conditions

#### 1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire.

The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the accident or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
  - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
  - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
  - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
  - (4) Authorize us to obtain medical records or other pertinent information.
  - (5) Submit to examination at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

#### 3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

#### 4. Loss Payment – Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

#### 5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

## **B. General Conditions**

### **1. Bankruptcy**

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

### **2. Concealment, Misrepresentation Or Fraud**

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

### **3. Liberalization**

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

### **4. No Benefit To Bailee – Physical Damage Coverages**

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

### **5. Other Insurance**

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

### **6. Premium Audit**

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

We also cover "bodily injury", "property damage", "covered pollution cost or expense" and "losses" while a covered "auto" is being transported between any of these places.

The coverage territory is extended to anywhere in the world if the "bodily injury" or "property damage" is caused by one of your "products" which is sold for use in the United States of America, its territories or possessions, Puerto Rico or Canada. The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

#### **8. Two Or More Coverage Forms Or Policies Issued By Us**

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

  - c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

#### D. Limit Of Insurance

1. Regardless of the number of "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident" is the limit of Uninsured Motorists Coverage shown in the Schedule or Declarations.

However, if "bodily injury" to which this coverage applies is sustained by any person other than an individual Named Insured or any "family member", the Limit of Insurance shown in the Schedule or Declarations for this coverage is also the most we will pay regardless of the number of covered "autos".
2. If there are two or more covered "autos" that are not trailers, and "bodily injury" is sustained by an individual Named Insured or any "family member", our Limit of Insurance for any one "accident" is the sum of the limits applicable to each covered "auto" which is not a "trailer". Subject to this maximum limit of liability for all damages:
  - a. The most we will pay for all damages sustained in such "accident" by an "insured" other than an individual Named Insured or any "family member" is that "insured's" pro rata share of the limit shown in the Schedule or Declarations for this coverage, at the time of the "accident".

- b. An individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph a. above.

A person's pro rata share is the proportion that that person's damages bears to the total damages sustained by all "insureds".

- 3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form attached to this Coverage Part.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible. However, this does not include any amounts paid or payable under medical payments or any workers' compensation, disability benefits or similar law.

#### E. Changes In Conditions

The conditions are changed for Missouri Uninsured Motorists Coverage as follows:

- 1. The reference in **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
- 2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
  - a. Promptly notify the police if a hit-and-run driver is involved; and
  - b. Promptly send us copies of the legal papers if a "suit" is brought.
- 3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

- 4. The following condition is added:

#### ARBITRATION

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", both parties may agree to an arbitration and to be bound by the results of that arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

- 5. **Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

#### F. Additional Definitions

As used in this endorsement:

- 1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.
- 2. "Occupying" means in, upon, getting in, on, out or off.

  - a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged;

- b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or
- c. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must either:
  - (1) Hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying"; or
  - (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying". The facts of the "accident" must be proved. We may request supporting evidence beyond the testimony of a person making a claim under this or any similar coverage to support the validity of such claim.

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law; or
- b. Designed for use mainly off public roads while not on public roads.

With respect to loss due to wind or hail, the following is added to Section IV. Physical Damage Coverage of the Garage Coverage Form.

If your business is shown in the declarations as an "auto dealership", we will pay "loss" to a covered "auto" due to wind or hail as described below.

At our option, the most we will pay for "loss" to any one covered "auto" is the lesser of :

1. The cost of replacing the damaged property with other property of like kind and quality;
2. The cost of repairing the damaged property by conventional means of body work;
3. The cost of repairing the damaged property by Dent Crafters or similar type process and company.

You may choose to receive a cash settlement equal to the lesser of the loss of value for the damaged auto or the repair option selected by us in lieu of exercising the replace or repair option selected by us.

When settlement is based on replacement of a covered "auto", it will be at your actual cost exclusive of your profit, holdback, or overhead expenses. We will subtract a reasonable amount for depreciation. When settlement is based on repairs to the covered "auto" and you are capable of performing the repair work, the most we will pay is 65% of the retail charges on parts, materials and labor unless stated otherwise in the declarations.

From the amount of loss, as determined above, we will subtract a reasonable amount for depreciation as well as the deductible shown in the declarations under Physical Damage Comprehensive Coverage. This deductible applies to each covered "auto" in the event that more than one covered "auto" is damaged in one event.

If a maximum deductible is stated in the declarations for Physical Damage, Comprehensive or Specified Causes of Loss Coverage, then the stated maximum deductible is the most that will be deducted for all "loss" in any one event caused by wind or hail.

  - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
  - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

**C. Certain Trailers And Temporary Substitute Autos**

1. "Trailers" with a load capacity of 2,000 pounds or less designed primarily for travel on public roads.

**SECTION II - LIABILITY COVERAGE**

**A. Coverage**

**1. "Garage Operations" - Other Than Covered "Autos"**

- a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance or use of covered "autos".  
We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the applicable Liability Coverage Limit of Insurance - "Garage Operations" - Other Than Covered "Autos" has been exhausted by payment of judgments or settlements.
- b. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "accident" occurs in the coverage territory;
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no "insured" listed under Who Is An Insured and no "employee" authorized by you to give or receive notice of an "accident" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed "insured" or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any "insured" listed under Who Is An Insured or any "employee" authorized by you to give or receive notice of an "accident" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

**2. "Garage Operations" - Covered "Autos"**

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from "garage operations" involving the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance - "Garage Operations" - Covered "Autos" has been exhausted by payment of judgments or settlements.

**3. Who Is An Insured**

a. The following are "insureds" for covered "autos":

- (1) You for any covered "auto".
- (2) Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
  - (a) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
  - (b) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
  - (c) Someone using a covered "auto" while he or she is working in a business of selling, servicing or repairing "autos" unless that business is your "garage operations".

- (d) Your customers. However, if a customer of yours:
    - (I) Has no other available insurance (whether primary, excess or contingent), they are an "insured" but only up to the compulsory or financial responsibility law limits where the covered "auto" is principally garaged.
    - (II) Has other available insurance (whether primary, excess or contingent) less than the compulsory or financial responsibility law limits where the covered "auto" is principally garaged, they are an "insured" only for the amount by which the compulsory or financial responsibility law limits exceed the limit of their other insurance.
  - (e) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.
  - (3) Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.
  - (4) Your "employee" while using a covered "auto" you do not own, hire or borrow in your business or your personal affairs.
  - b. The following are "insureds" for "garage operations" other than covered "autos":

We will pay for the "insured":
    - (1) All expenses we incur.
    - (2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
  - (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
  - (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
  - (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.
  - (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.
- These payments will not reduce the Limit of Insurance.
- b. **Out-Of-State Coverage Extensions**  
While a covered "auto" is away from the state where it is licensed we will:
    - (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
    - (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.
- We will not pay anyone more than once for the same elements of loss because of these extensions.
- B. Exclusions**
- This insurance does not apply to any of the following:
- 1. **Expected Or Intended Injury**

Damages payable under the Aggregate Limit of Insurance - "Garage Operations" - Other Than Covered "Autos" consist of damages resulting from "garage operations", other than the ownership, maintenance or use of the "autos" indicated in Section I of this Coverage Form as covered "autos", including the following coverages, if provided by endorsement:

Damages payable under the Each "Accident" Limit of Insurance - "Garage Operations" - Other Than Covered "Autos" are not payable under the Each "Accident" Limit of Insurance - "Garage Operations" - Covered "Autos".

Subject to the above, the most we will pay for all damages resulting from all "bodily injury" and "property damage" resulting from any one "accident" is the Each "Accident" Limit of Insurance - "Garage Operations" - Other Than Covered "Autos" for Liability Coverage shown in the Declarations.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

The Aggregate Limit of Insurance - "Garage Operations" Other Than Covered "Autos" applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Aggregate Limit of Insurance - "Garage Operations" - Other Than Covered "Autos".

#### 2. Limit Of Insurance - "Garage Operations" - Covered "Autos"

For "accidents" resulting from "garage operations" involving the ownership, maintenance or use of covered "autos", the following applies: Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined, resulting from any one "accident" involving a covered "auto" is the Each "Accident" Limit of Insurance - "Garage Operations" - Covered "Autos" for Liability Coverage shown in the Declarations.

Damages and "covered pollution cost or expense" payable under the Each "Accident" Limit of Insurance - "Garage Operations" - Covered "Autos" are not payable under the Each "Accident" Limit of Insurance - "Garage Operations" - Other Than Covered "Autos".

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

Regardless of the number of covered "autos" involved in the "loss", the most we will pay for all "loss" in transit is the amount shown in the Declarations for "loss" in transit.

### b. Quarterly Or Monthly Reporting Premium Basis

If, on the date of your last report, the actual value of the covered "autos" at the "loss" location exceeds what you last reported, when a "loss" occurs we will pay only a percentage of what we would otherwise be obligated to pay. ## SECTION V - GARAGE CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

### A. Loss Conditions

#### 1. Appraisal For Physical Damage Loss

The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the accident or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;

  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.

- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

#### 3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

#### 4. Loss Payment - Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;

- b. The covered "auto";
- c. Your interest in the covered "auto"; or

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

### **5. Other Insurance**

a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability coverage is primary for any liability assumed under an "insured contract".

d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

### **6. Premium Audit**

a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

The original "suit" for damages resulting from such "bodily injury" or "property damage" must be brought in one of these places.

#### **8. Two Or More Coverage Forms Or Policies Issued By Us**

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

#### A. Coverage

1. We will pay all sums the "insured" is legally entitled to recover as compensatory damages from the owner or driver of an "uninsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".
2. No judgment for damages arising out of a "suit" brought against the owner or operator of an "uninsured motor vehicle" is binding on us unless we have:
  - a. Received reasonable notice of the pendency of the "suit" resulting in the judgment; and
  - b. Had a reasonable opportunity to protect our interests in the "suit".

#### B. Who Is An Insured

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
  - a. The Named Insured and any "family members". However, this does not include any "family member", other than the Named Insured's spouse, who owns an "auto".
  - b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
  - c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":

#### C. Exclusions

1. Any claim settled without our consent, if the settlement or judgment prejudices our right to recover payment. However, this exclusion applies only to the extent that the limits of liability for Uninsured Motorists Coverage exceed the minimum limits of liability required by the financial responsibility law of Missouri.
2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
3. "Bodily injury" sustained by any person while "occupying" or struck by any vehicle owned by the Named Insured or, if the Named Insured is an individual, any "family member", that is not a covered "auto". However, this exclusion does not apply to an individual Named Insured.
4. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
5. Punitive or exemplary damages.
6. "Bodily injury" arising directly or indirectly out of:
  - a. War, including undeclared or civil war;

1. Regardless of the number of "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident" is the limit of Uninsured Motorists Coverage shown in the Schedule or Declarations.

However, if "bodily injury" to which this coverage applies is sustained by any person other than an individual Named Insured or any "family member", the Limit Of Insurance shown in the Schedule or Declarations for this coverage is also the most we will pay regardless of the number of covered "autos".

2. If there are two or more covered "autos" that are not trailers, and "bodily injury" is sustained by an individual Named Insured or any "family member", our Limit of Insurance for any one "accident" is the sum of the limits applicable to each covered "auto" which is not a "trailer". Subject to this maximum limit of liability for all damages:

- a. The most we will pay for all damages sustained in such "accident" by an "insured" other than an individual Named Insured or any "family member" is that "insured's" pro rata share of the limit shown in the Schedule or Declarations for this coverage at the time of the "accident".
- b. An individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph a. above.

A person's pro rata share is the proportion that that person's damages bears to the total damages sustained by all "insureds".

3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form attached to this Coverage Part.

We will not make a duplicate payment under this coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible. However, this does not include any amounts paid or payable under medical payments or any workers' compensation, disability benefits or similar law.

#### E. Changes In Conditions

The Conditions are changed for Missouri Uninsured Motorists Coverage as follows:

1. The reference in **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms to "other collectible insurance" applies only to other collectible uninsured motorists insurance.

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

**4. The following condition is added:**

**Arbitration**

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", both parties may agree to an arbitration and to be bound by the results of that arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

**5. Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

  - a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged;
  - b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or
  - c. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must either:
    - (1) Hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying"; or
    - (2) Cause "bodily injury" to an "insured" without hitting an "insured", a covered "auto" or a vehicle an "insured" is "occupying". The facts of the "accident" must be proved. We may request supporting evidence beyond the testimony of a person making a claim under this or any similar coverage to support the validity of such claim.

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law; or

A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

**E. The following is added to the Concealment, Misrepresentation And Fraud** Condition:

With respect to Liability Coverage, this Condition only applies in excess of the minimum limits of liability required by the Missouri Financial Responsibility Laws.

**F. Missouri Property And Casualty Insurance Guaranty Association Coverage Limitations**

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.

2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:

- a. Claims covered by the Association do not include a claim by or against an "insured" of an insolvent insurer, if the "insured" has a net worth of more than \$25 million on the later of the end of the "insured's" most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an "insured's" net worth on such date shall be deemed to include the aggregate net worth of the "insured" and all of its affiliates as calculated on a consolidated basis.

- b. Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000.

However, the Association will not:

- (1) Pay an amount in excess of the applicable Limit of Insurance of the policy from which a claim arises; or
- (2) Return to an "insured" any unearned premium in excess of \$25,000.

These limitations have no effect on the coverage we will provide under this policy.

We will also pay the necessary and reasonable incurred cost of storing the covered "auto" for the time required to adjust the claim, subject to a maximum time in storage of 30 days.

All other terms, conditions and agreements remain unchanged.

## MISSOURI CHANGES - CANCELLATION AND NONRENEWAL

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM  
GARAGE COVERAGE FORM  
TRUCKERS COVERAGE FORM  
CARGO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

- A. If you are an individual, partnership, or a limited liability company and a covered "auto" you own is of the "private passenger type," and this policy covers fewer than five "autos" and does not insure the motor vehicle hazard of garages, motor vehicle sales agencies, repair shops, service stations, or public parking places, the CANCELLATION Common Policy Condition does not apply to that "auto." The following Condition applies instead:

### ENDING THIS POLICY

#### 1. Cancellation

- a. You may cancel the policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
- b. If this policy has been in effect for 60 days or less and is not a renewal or continuation policy, we may cancel for any reason. If we cancel, we will mail you at least 10 days notice.
- c. When this policy has been in effect for more than 60 days or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:
  - (1) Nonpayment of premium. If we cancel for this reason, we will mail you at least 10 days notice.
  - (2) If you are an individual, partnership, or limited liability company and your driver's license has been suspended or revoked during the policy period. If we cancel for this reason, we will mail you at least 60 days notice. However, we may not cancel if you are more than one person, but only one person's license has been suspended or revoked. Instead we may exclude coverage for that person while operating a covered "auto" during a period of suspension or revocation.
  - (3) If you are an individual, we replace this policy with another one providing similar coverages and the same limits for the covered "auto." The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.
- d. If this policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. However, making or offering to make the refund is not a condition of cancellation. If you cancel, the refund may be less than pro rata. If we cancel, the refund will be pro rata.
- e. The effective date of cancellation stated in the notice shall become the end of the policy period.
- f. Our notice of cancellation will state the actual reason for cancellation unless the cancellation is due to nonpayment of premium.

## 2. Nonrenewal

- a. If we decide not to renew or continue this policy, we will mail you notice at least 60 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at the anniversary of its original effective date. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.
- b. If we fail to mail proper notice of nonrenewal and you obtain other insurance, the coverages provided by this policy will end on the effective date of any similar coverages provided by the other insurance.
- c. Our notice of nonrenewal will state the actual reason for nonrenewal unless the nonrenewal is due to nonpayment of premium.

## 3. Mailing of Notices

Any notice of cancellation or nonrenewal will be mailed by United States post office certificate of mailing to your last known address. Proof of mailing of any notice shall be sufficient proof of notice.

## B. For "autos" not described in paragraph A above:

- 1. Paragraph 2. of the CANCELLATION Common Policy Condition is replaced by the following:
- 2. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:
  - a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium;
  - b. 10 days before the effective date of cancellation if cancellation is for one or more of the following reasons:
    - (1) Fraud or material misrepresentation affecting this policy or a claim filed under this policy or a violation of any of the terms or conditions of this policy;
    - (2) Changes in conditions after the effective date of this policy which have materially increased the risk assumed;
    - (3) We become insolvent; or,

All other terms, conditions and agreements of the policy shall remain unchanged.

# TERRORISM RISK INSURANCE ENDORSEMENT

## NOTICE TO POLICYHOLDERS REQUIRED UNDER TERRORISM RISK INSURANCE ACT OF 2002

Pursuant to the requirements of the Terrorism Risk Insurance Act of 2002 (the "Act"), including all amendments thereto, we advise you of the following information:

Coverage for acts of terrorism is included in this policy subject to the terms, conditions, limits and exclusions contained therein. Under this coverage, certain losses caused by certified acts of terrorism may be partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays a portion (85% in Calendar Year 2008 through expiration) of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. While your insurer faces significant exposure under your policy for losses caused by acts of terrorism, the premium you paid for the policy does not reflect that exposure. **Consequently, no premium is currently being charged on your policy for the risk of losses caused by certified acts of terrorism.**

THERE IS AN ANNUAL LIABILITY CAP FOR COVERED TERRORISM LOSSES UNDER THE ACT EQUAL TO \$100,000,000,000 OF AGGREGATE INSURED LOSSES AS DEFINED IN THE ACT. LOSSES PAID UNDER THIS COVERAGE WILL BE PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. UNDER THIS FORMULA, THE UNITED STATES PAYS A PORTION (85% IN CALENDAR YEAR 2008 THROUGH EXPIRATION) OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. ANY INSURER THAT HAS SATISFIED THEIR STATUTORILY ESTABLISHED DEDUCTIBLE IS NOT LIABLE FOR AND THE UNITED STATES SECRETARY OF THE TREASURY IS NOT AUTHORIZED TO PAY ANY PORTION OF SUCH LOSSES EXCEEDING THE CAP ON ANNUAL LIABILITY OF \$100,000,000,000.

Premium on renewal of your coverage may be charged for you to maintain coverage for losses arising out of acts of terrorism. In that event you will be informed of such charges to the extent required by federal or state law.

Defendant v.  
QUENTON SHELBY, Defendant/Counterclaimant*

Dear Attorney Gallas and Miller Investment Group:

Oak River Insurance Company ("Oak River") received notice of the above-referenced Counterclaim currently pending in the Sixteenth Judicial Circuit Court Jackson, MO, case no. 1216- CV24936, division 26.

We previously sent Attorney Gallas correspondence dated 2/26/13, reserving our rights related to this Counterclaim at which time we advised we were investigating to determine if any policies issued to Miller Investment Group Inc. ("Miller Investment") would apply and if we would take over the defense of the Counterclaim brought by Shelby. For the reasons set forth below, Oak River disclaims any duty to defend or indemnify Miller Investment for any damages alleged in the Counterclaim.

**EXHIBIT**

**8**

Miller Investment d/b/a/ Auto Now Belton filed a Complaint against Quenton Shelby ("Shelby") which alleged as follows: Shelby executed a Retail Installment Contract and Security Agreement on September 30, 2010 (the "Shelby Contract"). Shelby failed to make an installment payment and failed to cure his default. Miller Investment obtained possession of the collateral and after reasonable notice to Shelby on April 9, 2012, it sold the collateral on April 19, 2012. Miller Investment sent Shelby a deficiency balance notice on May 1, 2012.

Shelby's Counterclaim states It is a consumer class action seeking relief to redress an unlawful and deceptive pattern of wrongdoing followed by Miller Investment with respect to the repossession of collateral. The Counterclaim alleges the Notice of Sale sent to Shelby failed to comply with the UCC several respects. The Counterclaim seeks statutory damages under the UCC; damages equal to any and all monies paid to Miller Investment by Shelby for time price differential, delinquency and collection charges; a preliminary and permanent injunction enjoining Miller Investment from engaging in the alleged practices; a mandatory injunction compelling Miller Investment to remove adverse credit information which may have been wrongfully reported on consumer reports of Shelby; and a declaration that the presale notice sent by Miller Investment fails to comport with the provisions of the UCC.

Oak River Insurance Company issued Garage Policy # MOA100192 to Miller Investment Group Inc. dba Auto Now effective 4/21/11 to 4/21/12 and renewal policy #MOA100192 effective from 4/21/12 to 4/21/13.<sup>1</sup>

Garage Coverage Form CA 0005 (03/06) contained in the Policies provides as follows:

#### SECTION II – LIABILITY COVERAGE

##### A. Coverage

##### 1. "Garage Operations – Other Than Covered "Autos"

a. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies caused by an "accident" and resulting from "garage operations" other than the ownership, maintenance, or use of covered "autos".

We have the right and duty to defend any "insured" against a "suit" asking for these damages. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply.

The Policies contains the following definitions:

#### Section VI – DEFINITIONS

A. "Accident" includes continuous and repeated exposure to the same conditions resulting in "bodily injury" or "property damage".

B. "Bodily injury" means bodily injury, sickness or disease sustained by a person including death resulting from any of these.

C. "Insured Contract" means:

---

<sup>1</sup>Oak River also issued Policy #KSA100112 effective 4/21/11 to 4/21/12 and renewal policy KSA100112 effective 4/21/12 to 4/21/13 to Miller Investment Group dba Auto Now. The KSA100112 policies exclude coverage for the Used Car Dealership operations located at Belton, Missouri.

1. A lease of premises;
2. A sidetrack agreement;
3. Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
4. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
5. That part of any other contract or agreement pertaining to your garage business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another to pay for "bodily injury" or "property damage" to a third party or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement;
6. An elevator maintenance agreement; or
7. That part of any contract or agreement entered into, as part of your garage business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

1. That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
  - a. Preparing, approving or failing to prepare or approve maps, drawings, opinions, reports, surveys, change orders, designs or specifications; or
  - b. Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage.
2. That indemnifies any person or organization for damage by fire to premises rented or loaned to you.
3. That pertains to the loan, lease or rental of an "auto", to you or any of your "employees" if the "auto" is loaned, leased or rented with a driver.
4. That holds a person or organization engaged in the business of transporting property by "auto" for hire harmless for your use of a covered "auto" over a route or territory that person or organization is authorized to serve by public authority.
5. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing.

M. "Property Damage" means damage to or loss of use of tangible property.

P. "Suit" means a civil proceeding in which:

1. damages because of "bodily injury" or "property damage" or
2. A "covered pollution cost or expense",

to which this insurance applies are claimed.

"Suit" includes:

- a. An arbitration proceeding in which such damages or "covered pollution cost or expense" are claimed and to which the "insured" must submit or does submit with our consent; or
- b. Any other alternative dispute resolution proceeding in which such damages or "covered pollution cost or expense" are claimed and to which the insured submits with our consent.

The Policies also contain the following exclusions:

B. Exclusions

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured". But for "garage operations" other than covered "autos" this exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

2. Contractual

Liability assumed under any contract or agreement. But this exclusion does not apply to liability for damages:

- a. Assumed in a contract or agreement that is an "insured contract" provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement; or
- b. That the "insured" would have in the absence of the contract or agreement.

6. Care, Custody or Control

"Property damage" to or "covered pollution cost or expense involving:

- c. Property held for sale or being transported by the "insured"; or
- d. Property in the insured's care, custody or control.

14. Loss of Use

Loss of use of other property not physically damaged if caused by:

- a. A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.
- b. A defect, deficiency, inadequacy or dangerous condition in your "products" or work you performed". But this exclusion, 14b., does not apply if the loss of use was caused by sudden and accidental damage to or destruction of your "products" or "work you performed" after they have been put to their intended use.

The Counterclaim is seeking damages based on Shelby's Contract with Miller Investment for the purchase of a 2003 Mercury Mountaineer. The damages do not arise out of an "accident", therefore there is no coverage under the Policies. In addition, the damages alleged in the Counterclaim do not come within the definition of "bodily injury" or "property damage" as defined in the Policies, therefore there is no coverage under the Policies. In addition, a request for an Injunction does not qualify as a "suit".

The Policies also include several exclusions that apply to preclude coverage for the allegations contained in the Counterclaim. To the extent that any alleged damages were expected or intended by Miller Investment, there is no coverage under Policies. Damages for

liability assumed under a contract are excluded. Also, to the extent that any of Shelby's alleged damages occurred while the vehicle was in Miller's care, custody or control, or being held for sale, there is no coverage under the Policies. Also, damages for loss of use are excluded if caused by Miller Investment's failure to perform a contract in accordance with its terms.

For the reasons set forth above, Oak River will not defend or indemnify Miller Investment for the allegations contained in Shelby's Counterclaim. Our position is based on the information we have received to date. If you know or learn of information not already provided to us, contact us immediately. Should additional suit papers be filed against Miller Investment, we ask you forward them to us to review. We will review all new information to assure Oak River fully performs its obligations under the Policies and applicable law.

Reference to specific provisions of the Policies are not a waiver of our rights under any other provision of the Policies. No further action by will constitute or in any way is intended to waive or modify any of Oak River's rights under the Policies or applicable law, or to admit any fact, principle or obligation under the Policies. Oak River may at any time assert any of these additional rights or defenses.

Please call me at 402-916-3485 if you have any questions regarding this Counterclaim.

Sincerely,

Jim Hercinger

Case No. 1216-CV24936

Division: 8

**Final Approval Order**

Upon careful review and consideration of the record, the Parties' Settlement Agreement and Release dated December 18, 2015 (the "Agreement"), the evidence and arguments of counsel as presented at the Fairness Hearing held on March 4, 2016, the memoranda filed with this Court, and all other filings for the parties' settlement as memorialized in the Agreement (the "Settlement"); and for good cause shown, IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Incorporation of Other Documents.** This Order incorporates and makes the following a part of this Order:

- a. The Agreement, filed with this Court about December 22, 2015; and
- b. The following exhibits to the Agreement: (i) Schedule A (Proposed Distribution Schedule of "Net Distributable Settlement Fund," filed under seal); (ii) Exhibit A (Class Mail Notices); (iii) Exhibit B (Long-Form notice available to the Settlement Class); (iv) Exhibit C (list of members of the Settlement Class, filed under seal).

Unless otherwise provided, all capitalized terms in this Order shall have the same meaning as those terms in the Agreement.

2. **Jurisdiction.** Because adequate notice was disseminated and all potential members of the Settlement Class (as defined below) were given notice of and an opportunity to opt out of the Settlement, the Court has personal jurisdiction over all members of the Settlement Class. The Court has subject matter jurisdiction over the Litigation, including, without limitation, jurisdiction to approve the proposed Settlement, to grant final certification of the Settlement Class, and to enter the accompanying Final Judgment.

3. **Final Class Certification.** The Settlement Class, which this Court previously certified preliminarily, is finally certified under Missouri Rules of Civil Procedure 52.08, the Court finding that the Settlement Class fully satisfies all of the requirements of Missouri Rules of Civil Procedure 52.08 and due process. The Settlement Class is defined:

All persons: (a) who are named as borrowers or buyers on a loan or financing agreement with MIG or assigned to MIG; (b) whose loan or financing agreement was secured by collateral; (c) whose collateral was repossessed or voluntarily surrendered; and (d) whose collateral was disposed of from January 10, 2008, to April 21, 2015.

A. **Numerosity.** Pursuant to Rule 52.08(a)(1), the Court finds sufficient evidence that the number of persons in the Settlement Class is so numerous that joinder of all members is impracticable. A party “does not have to specify an exact number of class members to satisfy the numerosity prerequisite for class certification, but must show only that joinder is impracticable through some evidence or reasonable, good faith estimate of the number of purported class

members.” *Dale v. DaimlerChrysler Corp.*, 204 S.W.3d 151, 167 (Mo. App. 2006). As few as 40 class members should presumptively satisfy this requirement. *Id.* at 168; Alba Conte & Herbert Newberg, 1 Newberg on Class Actions section 3:5, at 1 (4th ed.2002). The parties estimate there are at least 2,350 class members, which satisfies the numerosity requirement of Rule 52.08(a).

B. **Commonality/Predominance**. Pursuant to Rule 52.08(a)(2) and (b)(3), the Court finds there are questions of law and fact common to all Members of the Settlement Class and that those common questions predominate over any questions affecting individual members of the Settlement Class. “A single common issue may be the overriding one in the litigation, despite the fact that the suit also entails numerous remaining individual questions.” *Meyer ex rel. Coplin v. Fluor Corp.*, 220 S.W.3d 712, 716 (Mo. banc 2007). The overriding common issue in this litigation is whether the right to cure, presale and post-sale notices sent by MIG complied with Chapter 408 of the Missouri Revised Statutes and the Uniform Commercial Code. Individual issues, if any, regarding choice-of-law, damages, or affirmative defenses such as the statute of limitations, res judicata, collateral estoppel or bankruptcy do not defeat the predominance of the common issues. *Craft v. Philip Morris Cos.*, 190 S.W.3d 368, 383 (Mo. App. 2005) (“The predominance of the common issues is not defeated simply because individual questions may remain after the common issues are resolved, such as questions of damages or individual defenses.”).

C. **Typicality**. Pursuant to Rule 52.08(a)(3), the Court finds the claims of the

named Class Representative are typical of the claims of the members of the Settlement Class. “The burden of demonstrating typicality is fairly easily met so long as other class members have claims similar to the named plaintiff.” *Hale v. Wal-Mart Stores, Inc.*, 231 S.W.3d 215, 223 (Mo. App. 2007). Shelby and each Class members’ claims arise from the same conduct: MIG’s and its agents’ failure to send the statutorily required notices in violation of Chapter 408 and the UCC. Chapter 408 and the UCC give each class member the same remedy for these violations.

D. **Adequacy**. Pursuant to Rule 52.08(a)(4), the Court finds Counterclaimant Quenton Shelby is a member of the class he seeks to represent. There are no apparent conflicts of interest between Counterclaimant Quenton Shelby and the Settlement Class, or among the members of the Settlement Class, and Shelby and Class Counsel will fairly and adequately represent and protect the interests of the Settlement Class. The Court notes Counterclaimant has vigorously pursued this litigation through qualified counsel and has a sufficient understanding of his role as class representative. The Court notes the complexity of this matter as a class action and finds Class Counsel have conferred and will continue to confer substantial benefits on the Settlement Class valued at approximately \$12,930,000 by obtaining preliminary approval, monitoring and ensuring compliance with the terms of the Settlement Agreement, obtaining final approval and assisting with administration of the Settlement Agreement.

E. **Superiority**. Pursuant to Rule 52.08(b)(3), the Court finds that the class action

procedure is superior to other available methods for the fair and efficient adjudication of this litigation. First, economic realities make it virtually impossible for individual Class Members to prosecute individual claims against MIG. The majority of Class members' individual stakes are relatively small when compared to MIG's incentive to exhaustively litigate each individual claim. Most Class members whose life circumstances prevented them from making payments on their loans could not retain an attorney, on an hourly basis, for this type of representation. And for those that could afford it, they are likely unaware of their rights, and the UCC, having been violated. The alternative to a class action is not thousands of individual lawsuits, but zero individual suits. The class action procedure is not only superior to individual actions, it is likely the only viable alternative for Class members to seek relief. *Whitney v. Alltel Communications, Inc.*, 173 S.W.3d 300, 309 (Mo. App. 2005). These considerations weigh heavily in favor of class certification. Second, there is no evidence any other member of the Class has commenced litigation of this type against MIG. Third, concentrating separate actions based on the same underlying conduct in one action promotes judicial economy and efficiency and consistency of judgments. Forcing many Class members to bring individualized suits would unnecessarily burden judicial resources and would create the risk of multiple inconsistent results for similarly situated parties. MIG's conduct of business in this forum also weighs in favors of superiority. Finally, the parties can devise solutions to address any manageability issues and ensure adjudication is both fair and efficient.

4. **Class Notice.** The Court finds the Class Mail Notices (both the short form and long form notice available on the website or upon request) and its distribution to the Settlement Class as implemented under the Agreement and the Preliminary Approval Order:

- a. Constituted the best practicable notice to the members of the Settlement Class under the circumstances of this Litigation;
- b. Constituted notice reasonably calculated, under the circumstances, to apprise the members of the Settlement Class of (i) the pendency of this Litigation and the proposed Settlement, (ii) their right to exclude themselves from the Settlement Class and the proposed Settlement, (iii) their right to object to any aspect of the proposed Settlement (including, but not limited to: final certification of the Settlement Class; the fairness, reasonableness or adequacy of the Settlement as proposed; the adequacy of Shelby's and/or Class Counsel's representation of the Settlement Class; the proposed awards of attorney's fees and expenses; and the proposed incentive award), (iv) their right to appear at the Fairness Hearing if they did not exclude themselves from the Settlement Class, and (v) the binding effect of the Orders and Judgment in the Litigation on all members of the Settlement Class who did not request exclusion;
- c. Constituted notice that was reasonable and constituted due, adequate and sufficient notice to all persons and entities entitled to be provided with notice; and
- d. Constituted notice that fully satisfied the Missouri Rules of Civil Procedure 52.08, due process, and any other applicable law.

5. **Final Settlement Approval.** The terms and provisions of the Agreement, including all exhibits, have been entered into in good faith through arm's length negotiations, and not as the result of fraud or collusion. The Agreement is fully and finally approved as fair, reasonable and adequate as to, and in the best interests of, each of the Parties and the Settlement Class Members, and in full compliance with all requirements of the laws of Missouri, the United States Constitution (including the Due Process Clause), and any other applicable law. The Parties are directed to implement and consummate the Agreement according to its terms and provisions.

6. **Damages.** MIG Agreed not to contest a judgment being entered against it in an amount to be determined by the Court. The Court determines the Settlement Class has compensatory damages of \$ 19,001,795.17 resulting from MIG's negligent conduct in failing to send notices complying with Missouri Chapter 408 and the Uniform Commercial Code as part of operations necessary or incidental to MIG's garage business. MIG did not intend to violate Chapter 408 or the UCC and did not intend injury to the class because it believed its notices were accurate, lawful and contained no misrepresentations. However, the negligent misrepresentations in the notices were the proximate cause of the loss of use of the vehicles because it precluded the Class members from reclaiming their collateral before it was sold. *Mancuso v. Long Beach Acceptance Corp.*, 254 S.W.3d 88, 92 (Mo. App. 2008) (purpose of notice is to allow consumer to reclaim collateral). The negligent misrepresentations in the notices were also the proximate cause of the loss of use of the: (a) Class member's surplus funds owed them after the sale of the collateral; and (b) the money each Class member paid, which was barred by statute and common law.

7. **Assignment of Claims.** MIG assigns to the Settlement Class (represented by Shelby and his attorneys) all of its rights under all insurance policies in effect from January 10, 2008, to April 21, 2015, from which Shelby and the Settlement Class will seek to recover. Shelby and his attorneys may pursue an action against MIG's insurers and attempt to recover against any effective insurance policies. Any recovery from the insurers will add to the benefits made available to the Settlement Class under the Agreement, and the Settlement Class Members who submitted valid claims for payment will receive the funds remaining from any recovery from the insurers after attorney's fees and costs are deducted.

8. **Binding Effect.** The Agreement, this Order and the accompanying Final Judgment shall be forever binding on Shelby, all of the Settlement Class Members, and their respective heirs, executors, administrators, assigns, predecessors, and successors, and any other person claiming by or through any or all of them. The Agreement, this Order and the accompanying Final Judgment shall have *res judicata* and other preclusive effect as to the "Releasors" for the "Released Claims" as against the "Released Persons," all as defined in the Agreement.

9. **Releases.** The Settlement Class Members (*i.e.*, those members of the Settlement Class who did not timely opt out) shall be bound by the Release provided in Paragraph 6 of the Agreement, which is incorporated in this Order, regardless of whether such persons received any compensation under the Agreement or Settlement. The Releases are effective as of the date of this Final Approval Order and the accompanying Final Judgment. The Court expressly adopts all defined terms in the Agreement.

10. **Enforcement of Settlement.** Nothing in this Final Approval Order or the accompanying Final Judgment shall preclude any action by any Party to enforce the terms of the Agreement.

11. **Additional Payment to Shelby.** The Court awards \$5,000 to be paid from the Cash Fund to Shelby as an incentive award for his services as class representative in this Litigation.

12. **Attorney's Fees and Expenses.** Class Counsel are awarded \$10,000 from the Cash Fund representing an allocated share of expenses and court costs Class Counsel has incurred and advanced for the Litigation and Settlement, which shall be deducted from the Cash Fund as defined in the Agreement. In addition, the Court awards Class Counsel attorney's fees of \$320,000, representing less than three percent of the "Gross Settlement Fund" as defined in the Agreement, which award is to be deducted from the Cash Fund. The Court finds and concludes each of the above awards to Class Counsel for work and services for the Litigation and Settlement is reasonable, and regarding this finding, specifically finds:

- a. The undersigned is acquainted with all the issues involved and the work performed by Class Counsel.
- b. By obtaining preliminary and final approval of the Settlement Agreement, Class Counsel and Shelby achieved exceptional results on behalf of the Settlement Class with the total monetary benefit conferred on the Settlement Class valued at over \$12,930,000. Additional non-quantifiable relief over the calculable monetary amounts was also obtained for the Settlement

Class, which included the deletion of negative credit reporting/trade lines from the Settlement Class Members' credit reports.

- c. The issues involved were novel and complex and justify the fee award.
- d. The demands of the settlement approval process and class administration forced Class Counsel to dedicate considerable resources to this lawsuit.
- e. Class Counsel are experienced and highly skilled class action and consumer litigators with a reputation justifying the fee award.
- f. The fee award is less than that granted in similar cases involving complex litigation or in the class action context.
- g. The Agreement and Long-Form Notice informed the Settlement Class that Class Counsel would apply for fee awards in the amounts requested. No member of the Settlement Class has objected to such awards or the Settlement.

13. **No Other Payments.** The preceding paragraphs of this Final Approval Order preclude, without limitation, all claims for attorney's fees and expenses, costs or disbursements incurred by Class Counsel or any other counsel representing Shelby or the Settlement Class, or incurred by Shelby or the Settlement Class Members, or any of them, in connection with or related in any manner to this Litigation, the Settlement of this Litigation, the administration of such Settlement, and/or the Released Claims, except to the extent otherwise specified in this Final Approval Order or the Agreement.

14. **Retention of Jurisdiction.** The Court has jurisdiction to enter this Final Approval Order and the accompanying Final Judgment. Without affecting the finality of this Final Approval Order and the accompanying Final Judgment, this Court expressly

retains jurisdiction on all matters relating to the administration and enforcement of the Agreement and Settlement and of this Final Approval Order and the accompanying Final Judgment, and for any other necessary purpose as permitted by law, including, without limitation:

a. enforcing the terms and conditions of the Agreement and Settlement and resolving any disputes, claims or causes of action that, in whole or in part, are related to the administration and/or enforcement of the Agreement, Settlement, this Final Approval Order or the Final Judgment (including, without limitation, whether a person is or is not a member of the Settlement Class or a Settlement Class Member; and whether any claim or cause of action is or is not barred by this Final Approval Order and the Final Judgment);

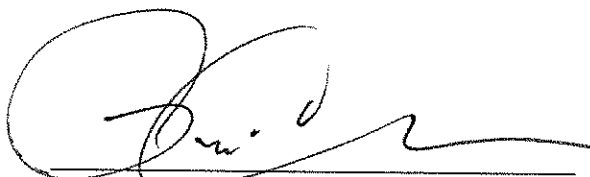

b. entering such additional Orders as may be necessary or appropriate to protect or effectuate the Court's Final Approval Order and the Final Judgment and/or to ensure the fair and orderly administration of the Settlement and distribution of the Settlement Fund, including presiding over any garnishment actions; and

c. entering any other necessary Orders to protect and effectuate this Court's retention of continuing jurisdiction.

15. **Separate Judgment.** The Court will separately enter the accompanying Final Judgment.

Case No. 1216-CV24936

Division: 8

**FILED  
DIVISION 10**

**04-Mar-2016 15:20**

CIRCUIT COURT OF JACKSON COUNTY, MO

BY Emily Kissea

**Final Judgment**

IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. The settlement of the claims of the Settlement Class on the terms in the parties' Settlement Agreement and Release ("Agreement"), dated December 18, 2015, is approved, and the following settlement class is granted final certification under Missouri Rules of Civil Procedure 58.02 ("Settlement Class"):

All persons who:

- (1) who are named as borrowers or buyers on a consumer loan or financing agreement entered into with or that was assigned to Miller Investment Group, Inc. ("MIG");
- (2) whose loan or financing agreement was secured by collateral;
- (3) whose collateral was repossessed or voluntarily surrendered; and
- (4) whose collateral was disposed of from January 10, 2008 to April 21, 2015.

2. Individual notice complying with Missouri Rules of Civil Procedure 52.08 was sent to the last-known address of each member of the Settlement Class as identified on Exhibit C to the Agreement. The Court finds all members of the Settlement Class in

**EXHIBIT**

**10**

Exhibit C to the Settlement Agreement to be members of the Settlement Class and are bound by this Final Judgment.

3. Counterclaimant Shelby and all members of the Settlement Class who did not timely exclude themselves from the Settlement Class shall be bound by this Judgment and the Agreement.

4. The settlement is reasonable because, among other reasons, it is what a reasonably prudent person in MIG's position would have settled for on the merits of Counterclaimant's claims. MIG's decision to settle was made in good-faith, and not the product of collusion or fraud.

5. The Court enters judgement against MIG and in favor of Counterclaimant Shelby, individually and as representative for the certified class, for \$ 19,001,795.17. Post-judgment interest shall accrue on the judgment balance at nine percent per annum until satisfaction. Only \$450,000 of this judgment may be satisfied from MIG's assets for its obligations required under the Agreement and any remaining amount may only be satisfied from MIG's insurance policies in effect during the class period. Other than the \$450,000, the judgment may not be satisfied from attaching or otherwise acquiring other assets of MIG or MIG's officers, directors or shareholders. The Settlement Class's agreement not to pursue over \$450,000 from MIG shall not serve as a general release against MIG or of the right to enforce the Judgment against MIG's insurers. Nor shall the release contained in the Agreement or Final Approval Order be construed in any manner that precludes recovery from MIG's insurers. Notwithstanding the foregoing, pursuant to the terms of the Settlement Agreement and Release, no member of the Settlement Class

may seek recovery of any kind against MIG and may only seek recovery from MIG's insurance policies in effect during the class period for the claims released.

6. The Court approves MIG's assignment to the Settlement Class of all its claims and rights against its insurers who issued policies in effect during the class period, including without limitation, any claims of bad faith failure to settle and breach of the duty to defend.

7. The Court will retain continuing jurisdiction over this Litigation for the purposes in the Approval Order and for implementing/enforcing this Judgment.

8. Unless otherwise provided, all capitalized terms in this Order shall have the same meaning as those terms in the Agreement.
